RE: 1998 Innovations Awards - The Council of State Governments

The Council of State Governments has recently announced the application process for the "Innovations Awards 1998". The program was established in 1986 to bring greater visibility to exemplary state programs and policies and to facilitate the transfer of those successful experiences to other states. See the enclosed brochure for more information on the "1998 Innovations Awards" program. The application deadline is April 30, 1998.

I encourage you to identify programs in your agency which you believe would be good candidates for recognition for this prestigious award.
