

**OSBELTCA's  
On-Line  
"Board Members' Handbook"**

The original "Board Members' Handbook" for OSBELTCA was contained in a 3 inch 3-ring binder... pretty bulky and not something you would carry with you anywhere, much less to a Board meeting. The content of this e-version is essentially the same and was created pursuant to Board guidance from the 2019 Strategic Plan. Board members will be given the "link" to this document which simply contains a listing of contents, LINKED to the referenced documents. **It is suggested that Board members save the link to this document as a "favorite" or "bookmarked" for future and easy reference.** If you find any broken links, please contact the staff to let them know.
