The Chief Administrative Officer of the requesting agency shall make the final decision as to whether the documentation or information is confidential.

8. LATE BIDS

Bids received by the procuring agency after the response due date and time shall be deemed non-responsive and shall NOT be considered for any resultant award.

9. LEGAL CONTRACT

9.1. Submitted bids are rendered as a legal offer and any bid, when accepted by the procuring agency, shall constitute a contract.

9.2. The Contract resulting from this solicitation will consist of the following documents in order of preference: Contract award documents, including but not limited to the Purchase Order, Contract Modifications, required certification statement, affidavit, and change orders; the solicitation including any amendments; and the successful bid to the extent that the bid does not conflict with the requirements of the Contract award documents or solicitation or applicable law. In the event there is a conflict between any of the preceding documents, the Contract award documents prevail over the solicitation, and both the Contract award documents and the solicitation shall prevail over the successful bid.

9.3. Any contract(s) awarded pursuant to the solicitation shall be legibly written or typed.

10. PRICING

10.1. Bids shall remain firm for a minimum of sixty (60) days from the solicitation closing date.

11. MANUFACTURERS' NAME AND APPROVED EQUIVALENTS

Unless otherwise specified in the solicitation, manufacturers' names, brand names, information and/or catalog numbers listed in a specification are for information and not intended to limit competition. Bidder may offer any brand for which they are an authorized representative, which meets or exceeds the specification for any item(s). However, if bids are based on equivalent products, indicate on the bid form the manufacturer's name and number. Bidder shall submit sketches, descriptive literature, and/or complete specifications with their bid. Reference to literature submitted with a previous bid will not satisfy this provision. The bidder shall also explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. Bids that do not comply with these requirements are subject to rejection.

12. CLARIFICATION OF SOLICITATION

Clarification pertaining to the contents of this solicitation shall be directed in writing to the Contracting Officer specified in the solicitation.

13. REJECTION OF BID

The State reserves the right to reject any bids that do not comply with the requirements and specifications of the solicitation. A bid may be rejected when the bidder imposes terms or conditions that would modify requirements of the solicitation or limit the bidder's liability to the State. Other possible reasons for rejection of bids are listed in OAC 580:15-4-11.

14. AWARD OF CONTRACT

14.1. The procuring agency may award the Contract to more than one bidder by awarding the Contract(s) by item or groups of items, or may award the Contract on an ALL OR NONE basis, whichever is deemed by the procuring agency to be in the best interest of the State of Oklahoma.

14.2. Contract awards will be made to the lowest and best bidder(s) unless the solicitation specifies that best value criteria is being used.

14.3. In order to receive payments from the State of Oklahoma, suppliers who are not registered on the State of Oklahoma Vendor Registration list must complete the "Vendor/Payee Form" (www.ok.gov/OSF/documents/osfvend.pdf). Non-U.S. suppliers who are not registered on the State of Oklahoma Vendor Registration List must complete a W-8BEN (www.irs.gov/pub/irs-pdf/fw8ben.pdf). Failure to do so may delay contract award.

15. CONTRACT MODIFICATION

15.1. The Contract is issued under the authority of the procuring agency who signs the Contract. The Contract may be modified only through a written Contract Modification, signed by the procuring agency approving official.

15.2. Any change to the Contract, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by a person who is not specifically authorized by the procuring agency in writing, or made unilaterally by the Supplier, is a breach of the Contract. Unless otherwise specified by applicable law or rules, such changes, including unauthorized written Contract Modifications, shall be void and without effect, and the Supplier shall not be entitled to any claim under this Contract based on those changes. No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications stated in the resultant Contract.

16. DELIVERY, INSPECTION AND ACCEPTANCE

16.1. Unless otherwise specified in the solicitation or awarding documents, all deliveries shall be F.O.B. Destination. The bidder(s) awarded the Contract shall prepay all packaging, handling, shipping and delivery charges and firm prices quoted in the bid shall include all such charges. All products and/or services to be delivered pursuant to the Contract shall be subject to final inspection and acceptance by the State at destination. "Destination" shall mean delivered to the receiving dock or other point specified in the purchase order. The State assumes no responsibility for goods until accepted by the State at the receiving point in good condition. Title and risk of loss or damage to all items shall be the responsibility of the supplier until accepted by the receiving agency. The supplier(s) awarded the Contract shall be responsible for filing, processing, and collecting any and all damage claims accruing prior to acceptance.

16.2. Supplier(s) awarded the Contract shall be required to deliver products and services as bid on or before the required date. Deviations, substitutions or changes in products and services shall not be made unless expressly authorized in writing by the procuring agency.

17. INVOICING AND PAYMENT

17.1. Pursuant to 74 O.S. §85.44(B), invoices will be paid in arrears after products have been delivered or services provided.

17.2. Interest on late payments made by the State of Oklahoma is governed by 62 O.S. §34.71 and 62 O.S. §34.72.

18. TAX EXEMPTION

State agency acquisitions are exempt from sales taxes and federal excise taxes. Bidders shall not include these taxes in price quotes.

19. AUDIT AND RECORDS CLAUSE

19.1. As used in this clause, "records" includes books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of computer data, or in any other form. In accepting any Contract with the State, the successful bidder(s) agree any pertinent State or Federal agency will have the right to examine and audit all records relevant to execution and performance of the resultant Contract.

19.2. The successful bidder(s) awarded the Contract(s) is required to retain records relative to the Contract for the duration of the Contract and for a period of three years following completion and/or termination of the Contract. If an audit, litigation, or other action involving such records is started before the end of the three year period, the records are required to be maintained for three years from the date that all issues arising out of the action are resolved, or until the end of the three year retention period, whichever is later.

20. NON-APPROPRIATION CLAUSE

The terms of any Contract resulting from the solicitation and any Purchase Order issued for multiple years under the Contract are contingent upon sufficient appropriations being made by the Legislature or other appropriate government entity. Notwithstanding any language to the contrary in the solicitation, purchase order, or any other Contract document, the procuring agency may terminate its obligations under the Contract if sufficient appropriations are not made by the Legislature or other appropriate governing entity to pay amounts due for multiple year agreements. The Requesting (procuring) Agency's decisions as to whether sufficient appropriations are available shall be accepted by the supplier and shall be final and binding.

21. CHOICE OF LAW

Any claims, disputes, or litigation relating to the solicitation, or the execution, interpretation, performance, or enforcement of the Contract shall be governed by the laws of the State of Oklahoma.

22. CHOICE OF VENUE

Venue for any action, claim, dispute or litigation relating in any way to the Contract shall be in Oklahoma County, Oklahoma.

23. TERMINATION FOR CAUSE

23.1. The supplier may terminate the Contract for default or other just cause with a 30-day written request and upon written approval from the procuring agency. The State may terminate the Contract for default or any other just cause upon a 30-day written notification to the supplier.

23.2. The State may terminate the Contract immediately, without a 30-day written notice to the supplier, when violations are found to be an impediment to the function of an agency and detrimental to its cause, when conditions preclude the 30-day notice, or when the procuring agency determines that an administrative error occurred prior to Contract performance.

23.3. If the Contract is terminated, the State shall be liable only for payment for products and/or services delivered and accepted.

24. TERMINATION FOR CONVENIENCE

24.1. The State may terminate the Contract, in whole or in part, for convenience if the procuring agency determines that termination is in the State's best interest. The procuring agency shall terminate the Contract by delivering to the supplier a Notice of Termination for Convenience specifying the terms and effective date of Contract termination. The Contract termination date shall be a minimum of 60 days from the date the Notice of Termination for Convenience is issued by the procuring agency.

24.2. If the Contract is terminated, the State shall be liable only for products and/or services delivered and accepted, and for costs and expenses (exclusive of profit) reasonably incurred prior to the date upon which the Notice of Termination for Convenience was received by the supplier.

25. INSURANCE

The successful bidder(s) awarded the Contract shall obtain and retain insurance, including worker's compensation, automobile insurance, medical malpractice, and general liability, as applicable, or as required by State or Federal law, prior to commencement of any work in connection with the Contract. The supplier awarded the Contract shall timely renew the policies to be carried pursuant to this section throughout the term of the Contract and shall provide the procuring agency with evidence of such insurance and renewals.

26. EMPLOYMENT RELATIONSHIP

The Contract does not create an employment relationship. Individuals performing services required by this Contract are not employees of the State of Oklahoma or the procuring agency. The supplier's employees shall not be considered employees of the State of Oklahoma nor of the procuring agency for any purpose, and accordingly shall not be eligible for rights or benefits accruing to state employees.

27. COMPLIANCE WITH THE OKLAHOMA TAXPAYER AND CITIZEN PROTECTION ACT OF 2007

By submitting a bid for services, the bidder certifies that they, and any proposed subcontractors, are in compliance with 25 O.S. §1313 and participate in the Status Verification System.
