PUBLIC NOTICE

Oklahoma State Bureau of Investigation Director Stan Florence announces that the OSBI is scheduled for an on-site assessment of his agency as part of a program to maintain national accreditation by verifying that it meets nationally set professional standards.

Administered by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA®), the accreditation program requires agencies to comply with state-of-the-art standards in four basic areas: policy and procedures, administration, operations, and support services.

As part of the on-site assessment, agency employees and members of the community are invited to offer telephone input or comments by calling 1-866-805-6401 toll free, on Monday, March 14, 2011, between the hours of 8:00 a.m. and 10:00 a.m. Telephone comments are limited to 10 minutes and must address the agency's ability to comply with CALEA standards. A copy of the standards will be available for viewing at OSBI Headquarters and its regional offices.

Anyone wishing to offer written comments about the OSBI's ability to comply with the standards for accreditation may send them to the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA), 13575 Heathcote Boulevard, Suite 320, Gainesville, Virginia, 20155 or www.calea.org.
