Certification for Competitive
Bid and/or Contract
(Non-Collusion Certification)

NOTE: A certification shall be included with any competitive bid and/or contract exceeding \$5,000.00 submitted to the State for goods or services.

Solicitation or Purchase Order #: 3080000334
 Supplier Legal Name: _____

SECTION I [74 O.S. § 85.22]:

- A. For purposes of competitive bid,
1. I am the duly authorized agent of the above named bidder submitting the competitive bid herewith, for the purpose of certifying the facts pertaining to the existence of collusion among bidders and between bidders and state officials or employees, as well as facts pertaining to the giving or offering of things of value to government personnel in return for special consideration in the letting of any contract pursuant to said bid;
 2. I am fully aware of the facts and circumstances surrounding the making of the bid to which this statement is attached and have been personally and directly involved in the proceedings leading to the submission of such bid; and
 3. Neither the bidder nor anyone subject to the bidder's direction or control has been a party:
 - a. to any collusion among bidders in restraint of freedom of competition by agreement to bid at a fixed price or to refrain from bidding,
 - b. to any collusion with any state official or employee as to quantity, quality or price in the prospective contract, or as to any other terms of such prospective contract, nor
 - c. in any discussions between bidders and any state official concerning exchange of money or other thing of value for special consideration in the letting of a contract, nor
 - d. to any collusion with any state agency or political subdivision official or employee as to create a sole source acquisition in contradiction to Section 85.45j.1. of this title.
- B. I certify, if awarded the contract, whether competitively bid or not, neither the contractor nor anyone subject to the contractor's direction or control has paid, given or donated or agreed to pay, give or donate to any officer or employee of the State of Oklahoma any money or other thing of value, either directly or indirectly, in procuring this contract herein.

SECTION II [74 O.S. § 85.42]:

For the purpose of a contract for services, the supplier also certifies that no person who has been involved in any manner in the development of this contract while employed by the State of Oklahoma shall be employed by the supplier to fulfill any of the services provided for under said contract.

The undersigned, duly authorized agent for the above named supplier, by signing below acknowledges this certification statement is executed for the purposes of:

- the competitive bid attached herewith and contract, if awarded to said supplier;
OR
 the contract attached herewith, which was not competitively bid and awarded by the agency pursuant to applicable Oklahoma statutes.

B. SPECIAL PROVISIONS

B.1. Indemnification

The supplier shall agree to indemnify and hold the OSBI harmless against any and all bodily injury and property damage, deficiencies or liabilities resulting from any negligence on the part of the vendor or non-fulfillment of any term or condition of this contract. The supplier shall indemnify and hold harmless the OSBI under this contract from any and all assessments, judgments, costs, legal and other reasonable expenses incidental to any of the foregoing.

B.2. Signed Agreement

THIS SOLICITATION, ALONG WITH RESULTANT PURCHASE ORDER, CONSTITUTES THE ENTIRE AGREEMENT. NO ADDITIONAL AGREEMENTS OR END USER LICENSING AGREEMENTS WILL BE SIGNED.

B.3. Multiple Awards

The OSBI reserves the right to award this contract to a single vendor or to multiple vendors, whichever is deemed to be in the State's best interest.

B.4. Unequivocal Acceptance

All terms identified in the bid specifications/contract are inclusive. By its response (execution), Supplier agrees to terms and conditions of the bid specifications unless a variation or exception is specifically noted. Any variation or exception may disqualify the response.

B.5. Price

Supplier warrants that prices of materials, equipment, and services set forth herein do not exceed those charged by the Supplier to any other customer purchasing the same goods or services under similar conditions and in like or similar quantities.

Proposals shall remain firm for a minimum of sixty (60) days from the solicitation closing date.

B.6. Invoices

Supplier will invoice the OSBI in arrears of services provided. Claims for reimbursement of services shall be submitted in arrears and within 90 calendar days of the provision of services. The supplier will send one copy of their invoice bearing the purchase order number, time period and amount due to:

OSBI

Attn: Accounting

6600 N. Harvey Place

OKLAHOMA CITY, OKLAHOMA, 73116

B.7. Late Payment

Pursuant to Oklahoma State Statute 62 O.S. § 34.72, payment shall not be considered late until forty-five (45) days after receipt of proper invoice.

B.8. Assignment

Supplier's obligation under this Agreement may not be assigned or transferred to any other person, firm or corporation without prior written consent of the OSBI.

B.9. Severability

If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

B.10. Waiver of Contractual Right

The failure of either party to enforce any provision of this Agreement shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Agreement.

B.11. Gratuities

The right of the successful supplier to perform under contract may be terminated by written notice if the Contracting Officer determines that the successful supplier, or its agents or another representative offered or gave a gratuity (e.g. entertainment or gift) to an officer, official, or employee of the State.

B.12. Limitation of Liability

Supplier shall be liable for any damages resulting from, arising out of, or relating to the services provided through this agreement. Supplier's liability for all programs, including software products owned or distributed by the Supplier, program documentation, and any program updates acquired through technical support shall be limited to the Supplier's warranty.

To the extent any limitation of liability contained herein is construed by a court of competent jurisdiction to be a limitation of liability in violation of Oklahoma law, such limitation of liability shall be void.

B.13. Failure to Provide

The Supplier's repeated failure to provide defined services, without reasonable basis as determined by the OSBI, shall constitute a material breach of the contractor's obligations, which may result in cancellation of the contract.

B.14. Cost of Preparation

The State is not liable for any cost associated with the preparation of the Vendor's bid or any cost incurred by any bidder prior to issuance of any agreement or contract. All responses, inquiries, or correspondence relating to or in reference to this ITB, when received by the State will become the property of the State.

B.15. Registration with Oklahoma Office of Management and Enterprise Services (OMES)

Prior to award of contract, successful vendor must be registered with Oklahoma Office of Management and Enterprise Services (OMES), Central Purchasing Division. This generally costs the vendor \$25.00 to register. The link for this registration is

<https://www.ok.gov/dcs/vendors2/app/index.php>

B.16. Insurance

The Supplier shall maintain insurance in the following amounts. The OSBI must be notified if the insurance policies are being cancelled or not being renewed.

- B.16.1.** A Certificate of Insurance indicating general liability insurance with a minimum combined single limit of \$1,000,000.00 is required.

- B.16.2.** A Certificate of Insurance indicating Workers' Compensation Insurance in compliance with the Oklahoma Workers' Compensation Law is also required.
- B.16.3.** Both Certificates of Insurance must be provided to the OSBI after an award of contract and before any work begins.

B.17. Option to Renew

At its sole discretion, the OSBI may exercise an option to renew this contract and/or any Contract Addendum for four (4) additional one-year terms on the same terms and conditions as in this contract.

If the OSBI decides to exercise this option to renew, OSBI Purchasing will provide written notice to the supplier of its intention to renew. Under no condition will this Contract or any Contract Addendum renew automatically. Bid responses must include proposed rates for providing this same level of service for years two through five.

C. SOLICITATION SPECIFICATIONS

C.1. Services

This contract shall establish janitorial services for the OSBI Southwestern Regional Office and Laboratory located at 5 Northeast 22nd Street, Lawton, Oklahoma. Services are to be provided three (3) days per week between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, on a mutually agreeable schedule. The work covered in these specifications consists of furnishing all management supervision, janitorial employees, janitorial supplies, and equipment (except for those items identified in Section C.15.), necessary for accomplishment of complete janitorial services. This facility has approximately 6,124 net usable square feet.

Contract will be effective from July 1st, 2015 through June 30th, 2016 with four (4) additional 12-month options to renew under the same terms and conditions.

C.2. Personnel

- C.2.1.** Supplier will employ only trained and qualified workers who are proficient in performing janitorial services using equipment, methods, and techniques as specified in the contract and commonly used within the trade.
- C.2.2.** Supplier and Supplier's employees must be United States citizens or be legally eligible to work in the United States. When requested, Supplier shall provide proof of eligibility of Supplier or Supplier's employees to work in the United States as indicated to comply with OSBI requirements or local, State and Federal laws.
- C.2.3.** Janitorial personnel shall at all time be employees of the Supplier (no sub-Suppliers or franchises without written permission from the OSBI). Supplier's employees are required to be a minimum age of eighteen with direct supervision on the premises or the age of twenty-one if not directly supervised.
- C.2.4.** Janitorial personnel shall present a neat, clean and well-groomed appearance at all times. Janitorial personnel will stay in their assigned work area and not be allowed to wander through the building.
- C.2.5.** Supplier will assign sufficient personnel to insure effective compliance with all provisions of the contract, including supervision.
- C.2.6.** The OSBI will conduct investigations on companies and individuals with whom it contracts to provide janitorial services including but not limited to a background investigation, polygraph examination and national criminal history record check. The successful Supplier shall submit data as required by the OSBI for each

proposed employee. No employee of the Supplier shall work on the premises until the individual is approved by the OSBI. Any person found not acceptable to the OSBI will not be allowed to perform work at any OSBI facility.

- C.2.7.** Areas designated for janitorial employees will be determined by the OSBI. Breaks are not to be taken in private offices. No televisions are to be used. No janitorial personnel shall sit at the desks of an OSBI employee or open any desk drawers. Use of OSBI telephones or computers is prohibited unless specifically approved by the OSBI Facility Manager. Personal use of telephones and computers is prohibited. Purses, shopping bags, large coats or other property of the Supplier's employees will be allowed only in designated areas. Personal belongings should be stored in the area designated for the janitorial Supplier.

C.3. Keys/Key Cards/Access Codes

The Supplier will be provided with keys, key cards or access codes to allow access to all buildings and rooms, which are included in the provisions of this contract except designated areas, which will be cleaned at times established by the OSBI Facilities Manager or designee and may require OSBI staff escort. Keys and key cards assigned to a janitor will remain with that janitor while completing the duties associated with this contract. No exchanging or lending keys, key cards, or access codes will be permitted. Duplication of keys, key cards, or access codes is strictly forbidden. No master keys or building access cards will be permitted to leave the facility at any time for any reason without the approval of the OSBI Facilities Manager or designee. Failure to comply with the terms of this section may result in cancellation of the contract.

C.4. Locked Areas

Whenever private offices or other areas are locked, those rooms shall not be entered. It will be a violation of the provisions of this contract for the Supplier or Supplier's employees to access any locked area. Likewise, it will be a violation of this contract for janitorial personnel to open locked rooms or locked areas to permit entrance by persons other than janitorial personnel in the fulfillment of their duties.

C.5. Off-Limit Areas

Certain rooms may be designated as off-limits to the Supplier and Supplier's personnel. The Supplier or Supplier's employees shall not enter these rooms at any time. Violation of this provision will be cause for immediate termination of the contract.

C.6. Equipment

All equipment and tools shall be furnished by the Supplier and shall be properly maintained in a sanitary condition and proper working order. All equipment and tools must be maintained to standards appropriate for each. Equipment with frayed cords, etc. will not be allowed in the facility. Equipment provided will be suitable for tasks to be performed. When not in use, equipment shall be stored in appropriate areas designated for Supplier. The OSBI shall not be held responsible for any item of Supplier equipment, which may be lost, damaged, or stolen unless loss, damage or theft is through negligence of the OSBI's employees.

C.7. Damages

All tasks accomplished by janitorial personnel will be performed so as to preclude damage or disfigurement to furniture and/or building structure. Damage or loss of the OSBI's furniture, fixtures, or building structure as a result of negligence or intent by janitorial personnel will be the responsibility of the Supplier. The Supplier will reimburse OSBI expenses incurred for necessary repair or replacement.

C.8. Moving Furniture/Equipment

As soon as practical, after award of this contract, the OSBI Facilities Manager or designee will show the Supplier those items of equipment that are not to be moved by janitorial personnel during the cleaning process. Items that must not be moved may include, but not be limited to, file cabinets, desks, computers and appliances. Items that must be moved prior to tasks such as vacuuming, mopping, removing or applying floor finishing and carpet shampooing may include, but not be limited to, chairs, tables, floor or chair mats and trash cans.

C.9. Performance

It is the Supplier's responsibility to bring everything included in this Contract up to standard. OSBI should only have to point out rare and isolated problems, if any. Anything not acceptable in accordance with the contract shall be corrected immediately. Failure to do so will constitute grounds for filing Supplier complaints with the Office of Management and Enterprise Services (OMES), Central Purchasing Division potentially leading to corrective action, up to and including termination of contract.

C.10. Hazardous Substances

Supplier shall ensure that labels on containers of hazardous substances are not removed or defaced. If substance has been put in containers other than their original container, such containers must be labeled. Labels shall include the name of the product, the hazardous substance(s) it contains and instructions in case of emergency. Material Safety Data Sheets shall be furnished to the OSBI.

C.11. Emergencies

In an emergency affecting safety of person or property, the Supplier shall act, at the Supplier's discretion, to prevent threatened damage, injury or loss.

C.12. Space Allocated to Supplier

C.12.1. The OSBI will provide secure space for storage of supplies and equipment belonging to the Supplier. Space allocated to Supplier shall be kept neat and clean at all times. All materials and cleaning supplies and equipment shall be stored using the manufacturer's recommendations. This shall prevent any chemical spills, chemical fumes and provide for the safe storage of all cleaning equipment and supplies. All materials not immediately in use must be properly stored to avoid safety hazards.

C.12.2. All wet mop heads must be rinsed carefully after each use and replaced with new or clean dry mop heads when rinsing no longer restores them to a reasonable

state of cleanliness. When not in actual use all such equipment, tools, and carts will be stored or left only in the designated storage areas.

C.12.3. Dirty water and cleaning solutions shall be disposed of immediately in hopper sinks or floor drains in janitorial area. Cleaning solutions shall not be disposed of in any other floor drain, or in the restrooms, sinks in kitchens, food service areas, dining rooms or dishwashing areas. Cleaning gear closets shall be kept in a clean and orderly manner. Sink strainers or floor drain covers shall not be removed except for cleaning purposes and will be replaced immediately after cleaning.

C.12.4. All materials and supplies shall be stored in accordance with applicable fire regulations. In no case shall rags be permitted to accumulate in boxes or cans. Clean rags may be stored in metal containers at the floor level provided the containers are equipped with lids which are kept in place at all times. Combustible materials subject to spontaneous ignition must be disposed of or stored outside the building in covered metal containers.

C.13. Safety Measures

The Supplier shall be responsible for instructing janitorial personnel in appropriate safety measures. Janitorial personnel must not place mops, brooms, machines or other equipment in traffic lanes or other locations in such a manner as to create safety hazards. Appropriate, neat appearing, well kept signs to indicate wet or hazardous floors or to caution staff or customers walking in an area being cleaned by janitorial personnel, as applicable, shall be provided by the Supplier. Such signs shall be displayed at all times in all areas where cleaning operations are in progress which necessitate the use of any equipment or supplies such as buckets, wires, ladders, water, wax, etc., which cause a traffic obstruction or hazard. Janitorial personnel shall be required to interrupt their work at any time to allow people to pass.

C.14. Supplier Furnished Supplies

The Supplier will furnish all necessary supplies other than those specified in Section C.15. Supplies shall be of the highest quality and the most suitable type and grade for the work called for under this contract.

C.15. OSBI Furnished Supplies

The OSBI will furnish all electricity and water necessary for the accomplishment of work called for in accordance with these specifications. The OSBI shall also supply the following items for use on this contract by the Supplier. Items are not to be provided to other than janitorial personnel for use in the OSBI facility and requests for replacement will be made through the OSBI Facilities Manager and Supply Supervisor or designee. Periodic orders will be placed for OSBI furnished supplies to prevent depletion of stocks. The Supplier shall use every means to conserve the use of OSBI furnished supplies.

Toilet Tissue
Paper Towels
Hand Soap
Furniture Polish

Spray Deodorant
Toilet Seat Covers
Deodorizing Blocks
Plastic Garbage Bags (22-30 gallon and 55-60 gallon)

C.16. Chemical Applications

Supplier must be licensed to perform all required chemical application in accordance with state and local laws.

C.17. Tasks and Frequencies

Supplier will complete cleaning as detailed in the attached **Task and Frequency Chart** and the following definitions. While the following definitions are intended to produce a “minimal acceptance” level of performance, the Supplier is encouraged to expend all possible effort to deliver “optimal achievable” results at acceptable economic levels.

- C.17.1.** Floors – Sweeping - Floors will be swept clean so that no dust streaks remain and no dust will be allowed to remain in corners, behind radiators, space heaters, doors or under furniture and on stair treads and risers. All furniture and equipment moved during the sweeping process will be replaced at the completion of the work. Sweeping debris will be removed to receptacles intended for this purpose. Floor expansion joints must be cleaned by mechanical vacuum equipment to remove trapped dust and other debris.
- C.17.2.** Floors – Mopping. All floors shall be cleaned and maintained according to the manufacturer’s recommendations. All floors must be swept clean before mopping. Clean mops and water with detergent solutions appropriate for removal of soil shall be used. Floors will be wet mopped to remove dirt and stains that cannot be removed by sweeping or vacuuming. Floors will be rinsed to remove detergent residue and any dingy or cloudy appearances. Water splashed on baseboards, walls, doors, furniture and equipment will be removed immediately. Special care shall be used in mopping stairs to insure water does not drip over ends of treads onto wall surfaces. All floors will be maintained free of heel, cart and other marks.
- C.17.3.** Floors – Stripping. Stripping of all floors shall be accomplished per manufacturer’s specifications. Stripping will result in the removal of floor finish from all surfaces down to the floor material using the finish remover appropriate for the flooring material being stripped of solution, dirt, and film. Floor surfaces shall be left free of all dirt, stains, deposits, cleaning solutions, and standing water, and will have a uniform appearance when dry. Buildup removal shall also include corner of doorways and door thresholds.
- C.17.4.** Floors – Finishing. Floor finishing should be accomplished per manufacturer’s specifications. The appropriate floor finish for different floor coverings shall be used in the application of floor finish. Finishes shall be applied to surfaces only after they have been thoroughly cleaned by mopping, scrubbing, or stripping as required to keep the floor fully protected.
- C.17.5.** Floors – Buffing. Floor buffing should be accomplished per manufacturer’s specifications. Buffing will be accomplished according to the recommendations of the manufacturer of the floor finish used. A buffing machine shall be used and buffing shall be enough to bring surfaces to a uniform luster. Movable furniture and equipment shall be moved during the buffing operation and then properly replaced.

After buffing, all residual dirt and dust shall be removed. Spray buffing will be used to remove limited soil spots, which resist mopping.

- C.17.6.** Carpet – Vacuuming. Carpet vacuuming shall thoroughly remove all airborne soil and dry dirt from it. Dry or loose dirt includes sand, grit, dust, cigarette ashes, and other types of non-adhesive soils. Supplier must change vacuum bags regularly or repair/replace defective vacuum equipment to ensure maximum performance of the equipment. Movable furniture and equipment shall be moved during vacuuming and then properly replaced. Entry mats shall be included in this section.
- C.17.7.** Carpet – Spot Cleaning. Spot cleaning of the carpet areas should be accomplished per manufacturers specifications indicated in Attachment B. Spot cleaning will be done to maintain carpet in a responsible manner. Entry mats shall be spot cleaned as required.
- C.17.8.** Carpet-Full Cleaning. Full carpet cleaning will be accomplished per manufacturer's specifications. Only products, or equivalent, specified by the carpet manufacturer shall be used in the full carpet cleaning process. Carpet cleaning schedules will be established with OSBI Facility Manager or designee and Supplier prior to the work being performed.
- C.17.9.** Carpet – Anti-Static. Application of agents recommended by the carpet manufacturer will be used in the anti-static treatment of specified areas.
- C.17.10.** Walls – Spot Cleaning. Spot cleaning shall remove soil and stains, rubber burns, handprints, smudges, food particles, chemicals, blood and other blemishes. Spot cleaning will include maintenance of glazed or ceramic wall and baseboard tiles and the removal of residue in grout joints of tile walls. Light switches are included in this provision. Restroom stall partitions are included in this provision.
- C.17.11.** Walls – Full Cleaning. Full cleaning of walls shall include vacuuming areas so that they are free of dust streaks, lint and cobwebs but not imbedded dirt. Cleaning shall also include wall-mounted fixtures except for items of equipment and art designated by the OSBI Facility Manager or designee. Cleaned surfaces of walls, exposed pipes and equipment will have a uniform clean appearance free from dirt, stains, streaks, lint and cleaning marks. Glaze ceramic tile surfaces shall be free of film, streaks and deposits. Light switches are included in this provision. Restroom stall partitions are included in this provision.
- C.17.12.** Interior Glass and Window Cleaning. All exposed glass surfaces which are not an integral part of the exterior surfaces of the building shall be cleaned to present a neat, clear appearance and shall be free from streaks and smudges. This includes, but is not limited to glass partitions, interior glass doors and glass on both sides, display cases, directory boards and mirrors. Adjacent trim shall also be cleaned.
- C.17.13.** Exterior Doors. Entry door glass, trim, handles and thresholds will be cleaned and/or polished to present a neat, clear appearance and shall be free from streaks and smudges after cleaning.

- C.17.14. Dusting.** Dusting shall be accomplished on all horizontal surfaces including, but not limited to horizontal and vertical window blinds, window ledges and trims, door trim and exposed shelving, desks, filing cabinets, artificial plants or any surface that may serve as a depository for the accumulation of dust and dirt.
- C.17.15. Metal Surfaces.** Metal push plates, kick plates, name plates, doors, metal protective corner plates, elevator call buttons/plates and other metal fixtures shall be cleaned and polished to present a clean appearance. Spillage and marks on adjacent surfaces resulting from polishing metal surfaces will be removed.
- C.17.16. Furniture/Cabinet Cleaning.** Wood and metal desk tops and sides, table tops and sides, chairs, divans, and all other furniture, including legs thereof, shall be damp wiped so as to remove dust, soil stains and grease. Miscellaneous pencil, ink and other markings shall be removed from furnishings as they occur. This also applies to vinyl, plastic and fabric upholstered furniture. Non-Washable fabrics will be vacuumed on all exterior surfaces and sides of cushions. Metal and wood furniture shall be cleaned using the appropriate cleaning compound.
- C.17.17. Refrigerators.** The Supplier shall clean the inside of each break room refrigerator. The Supplier will post a sign on each refrigerator at least two (2) working days prior to the proposed cleaning. The Supplier will dispose of any dishes or containers left in the refrigerator including condiments whose date has expired. Condiments and dressings may be returned to the refrigerator after cleaning if the date has not yet expired. The Supplier will not be liable for any dishes or food items that are disposed.
- C.17.18. Trash Removal.** All trash items will be picked up off floors, stairs and elevators and deposited in waste receptacles as required. Waste receptacles will be emptied. Washing and scrubbing receptacles to remove soil will be accomplished as required. New trash can liners will be replaced as required. All trash including books, boxes, and any other items marked "trash" will be removed and deposited in the OSBI provided dumpster and secured.
- C.17.19. Dispensers.** All paper towels, toilet paper, hand soap, and other dispensers will be refilled as indicted on the **Task and Frequency Chart**. Dispensers will be cleaned as necessary.
- C.17.20. Ceramic/Metal.** Commodes, urinals, washbasins, sinks and drinking fountains shall be cleaned inside and out, including under fixture edges and lips, to remove all deposits and stains, including rust and scale. Brass and chrome fittings shall be cleaned to remove foreign matter and watermarks.
- C.17.21. Ducts/Louvers/Door Grills.** All intake and exhaust ducts, exterior radiator vents, airway louvers and door grills will be vacuumed to remove dust, lint, dirt and other foreign matter. Cleaning of interior duct ways shall not be the responsibility of the Supplier.
- C.17.22. Grout.** The grout in all ceramic tile areas shall be cleaned and sealed in accordance with manufacturer's specifications.

- C.17.23.** Exterior Windows. Exterior windows shall be cleaned to present a neat, clear appearance and shall be free from streaks and smudges. Adjacent trim shall also be cleaned.
- C.17.24.** Successful Bidder shall establish a detailed work plan for performance of this contract and will provide a copy of the plan to the OSBI Procurement and Facilities Manager or designee.

D. EVALUATION

- D.1.** Bids shall first be evaluated based on the mandatory administration requirements such as incomplete forms, form entries improper, improper alterations, absence of company authorized signature, absence of notary signature and seal, failure of acknowledging amendments, additional bidder terms and conditions, incomplete confirmation of onsite inspection, and absence or incomplete of onsite inspection form. Bidders that do not fully meet mandatory administration requirements, and do not submit and complete documents and information required shall be deemed as non-responsive and shall not be considered further.
- D.2.** The OSBI shall evaluate bids in response to the solicitation and will award a contract to the supplier whose bid is determined to be the lowest and best responsive bid from a responsible bidder. Past performance shall be based on information provided by the supplier and any other information the State of Oklahoma may obtain by following up on the information provided by the supplier and/or through other sources (i.e., Supplier's performance on previously awarded delivery orders/contracts and/or contracts with other State entities, reference responses, etc).

E. INSTRUCTIONS TO SUPPLIER

E.1 Response

Bidder must complete and return the Bidder Response Form to include a minimum of three (3) references of businesses that the Bidder has provided services similar in size and scope or function within the past two (2) years.

E.2 Recommended Site Inspection

It is recommended that the Bidder visit the location before submitting a bid to ensure that Bidder is aware and familiar with the site, its condition and requirements.

Please contact Rebecca Stiles at (580)355-6144 to schedule time for walk through. No un-scheduled walkthroughs will be given.

E.3. Questions

All questions should be sent to Nancy McFarland by e-mail at nancy.mcfarland@osbi.ok.gov at least seven (7) business days prior to close of bid.

F. CHECKLIST

- F.1. Responding Bidder Information Form (Page 2 of OMES-Form-CP-076SA).**

F.2. Non-Collusion Certification Form (Page 3 of OMES-Form CP-004SA).

F.3. Bidder Response Form (Page 21)

F.4. Envelope – Insert the name and address of the bidder in the upper left corner of the single envelope, package or container. ITB Number must appear on the face of the single envelope.

F.5. Initial in ink, each alteration

F.6. All amendments signed (if applicable)

G. OTHER
