The Prosecutor for the State Board of Osteopathic Examiners (the “Board”), J.

Patrick Quillian, states as follows:

1. Dr. Wilson Gregory Knight II, D.O., is the holder of a license to practice as an osteopathic physician in the State of Oklahoma, license number 5244. Dr. Knight received his license as an osteopathic physician in Oklahoma from the Board in 2012. Dr. Knight has also held a license to practice osteopathic medicine in Nevada since 2017.

2. Dr. Knight is in violation of the Oklahoma Osteopathic Medicine Act, Tit. 59 O.S. § 637(A)(2)(f) and (A)(6), which state:

   A. The State Board of Osteopathic Examiners may ... suspend or revoke any license issued or reinstated by the Board upon proof that the applicant or holder of such a license:

      ... 

   2. Has engaged in the use or employment of ... unethical conduct or unprofessional conduct, as may be determined by the Board, in the performance of the functions or duties of an
osteopathic physician, including but not limited to:

...  

f. acting in a manner which results in final 
disciplinary action by any professional society or 
association or hospital or medical staff of such 
hospital in this or any other state, whether agreed 
to voluntarily or not, if the action was in any way 
related to professional conduct ... or any other 
violation of the Oklahoma Osteopathic Medicine 
Act[.]

...

6. Has had the authority to engage in the activities 
regulated by the Board ... restricted, modified or limited 
... by any other state or federal agency whether or not 
voluntarily agreed to by the physician....

3. On May 13, 2020, the Nevada State Board of Osteopathic Medicine (the 
“Nevada Board”) and Dr. Knight, represented by Douglas C. Crawford, Esq., entered 
into a Settlement Agreement and Order (the “Agreed Order”) in lieu of a formal 
complaint being filed.

4. The Agreed Order’s “Pertinent Facts” section, at paragraph 2, states the 
following:

In the course of his examination, Dr. Knight touched patient R on her 
abdomen and attempted to touch her breasts. The touching made 
patient R uncomfortable. During their encounter, Dr. Knight also 
asked Patient R if she was married, if she wanted to go on a date with 
him, if she liked kissing, and if she wanted to kiss him there in the 
examination room. Dr. Knight also found Patient R’s cellular 
television number from her patient intake documents and texted her the 
message: “When can I meet up with you.” Patient R created a 
disruption to allow her to flee the examination room, and then she 
reported her concerns with Dr. Knight’s conduct in the examination 
room to staff at Care Now Urgent Care. After leaving this facility, Dr. 
Knight called Patient R on her cellular telephone, which call Patient R 
declined to answer.
5. The Agreed Order also states in paragraph 2 of the “Pertinent Facts” section that Dr. Knight was untruthful on his 2019 application for license renewal with the Nevada Board.

6. The Agreed Order’s “Acknowledgements and Applicable Law” section states at paragraph 2 that “[f]or the purposes of resolving this matter only and for no other purpose, Dr. Knight admits that the facts contained in the “Pertinent Facts” section constitute violations” of various Nevada statutes, regulations and administrative code.

7. In a letter to the Board dated August 17, 2020, Dr. Knight denied a majority of the factual allegations cited in the Agreed Order but did not deny the validity of the Agreed Order.

8. The Agreed Order placed Dr. Knight’s license to practice osteopathic medicine in Nevada on probation for two (2) years and requires him, inter alia, to complete the Physician Assessment and Clinical Education Program and prohibits him from being alone with female patients for the duration of the probationary period.

9. The Agreed Order constitutes a final disciplinary action against Dr. Knight’s license to practice osteopathic medicine in Nevada and limits his ability to engage in activities regulated by the Board, and thus constitutes a violation of the Oklahoma Osteopathic Medicine Act, as cited herein.

ANDREW LOVELL, D.O.
Osteopathic Medicine License No. 5921.

Respondent.

AGREEMENT NOT TO PRACTICE

COMES NOW, on this 10th day of August, 2021, Petitioner, the State Board of Osteopathic Examiners ("Board"), by and through their Executive Director and Chief Prosecutor, Michael T. Leake Jr., Oklahoma Bar Association No. 32817, and Respondent, Andrew Lovell, D.O., Oklahoma Osteopathic Medical License No. 5921 ("Dr. Lovell"), to memorize an Agreement between the Board and Dr. Lovell, wherein Dr. Lovell voluntarily agrees not to practice osteopathic medicine within the State of Oklahoma. The terms of this Agreement are the following:

1. Dr. Lovell will not practice osteopathic medicine in the State of Oklahoma, effective immediately upon execution of this Agreement. Dr. Lovell's physician profile page with the Board will display his license as "suspended."

2. This Agreement shall remain in full force and effect until such time as Dr. Lovell appears before the Board. The first opportunity for Dr. Lovell to appear before the Board is on September 16, 2021.

3. Dr. Lovell acknowledges that any practice of medicine with a suspended license may result in further discipline against his osteopathic medical license, including but
not limited to a referral to the Oklahoma Attorney of the State of Oklahoma for the unauthorized practice of medicine.

4. Dr. Lovell acknowledges that he previously enrolled in the Oklahoma Health Professionals Program ("OHPP") on or about March 16, 2021, for a minimum of five (5) years after presenting for an emergency medicine shift at McAlester Regional Medical Center on or about February 22, 2021, wherein he was evaluated for impairment before seeing patients. Moreover, Dr. Lovell acknowledges that he was sent home and prohibited from starting his assigned shift at the McAlester Regional Medical Center Emergency Department following the positive test results on or about February 22, 2021.

5. Dr. Lovell acknowledges that he breached the March 16, 2021, contract with OHPP after he consumed alcohol, at least one (1) cannabis edible, and hydrocodone.

6. Dr. Lovell understands and acknowledges that any violation of his OHPP contract could result in action against his osteopathic medical license.

7. Dr. Lovell acknowledges that he is willing to cooperate with the Board's investigation into the matter known as OSBOE-2021-043, and further agrees to sign all authorizations necessary for Board investigators to gather relevant information from OHPP, the doctor's employer, and any evaluator the doctor is required to see in connection with this Agreement.

8. Dr. Lovell acknowledges that any violation of this executed Agreement may result in
further Board action against his license, including but not limited to suspension, revocation, and/or referral to the Attorney General of the State of Oklahoma for the unauthorized practice of osteopathic medicine.

9. Dr. Lovell acknowledges that the execution of this Agreement does not in any way prohibit the Board from filing a Complaint at a future date regarding the facts at issue in OSBOE-2021-043, or assigning investigative/hearing costs or an administrative penalty in connection with this Agreement or the matter known as OSBOE-2021-043.

10. Dr. Lovell acknowledges that he has the right to consult legal counsel in connection with this inquiry by the Board known as OSBOE-2021-043, this Agreement, and any other inquiry by the Board.
