CERTIFICATE OF UNDERSTANDING

I understand that as an Inspector, Authorized Provider or Circuit Rider licensed by the State of Oklahoma, I am required to familiarize myself with all laws, rules and regulations governing not only myself, but also those governing the industries that perform work within my jurisdiction to inspect. I further understand that law prohibits me from having any interest, direct or indirect, in any firm or corporation engaged in the electrical, mechanical, or plumbing industries. Violation of laws, rules, or regulations can result in the loss of my inspector license, the loss of other licenses issued to me by the Construction Industries Board, the assessment other disciplinary actions as provided by law, or the filing of criminal charges for conduct in violation of licensing provisions.
