NOTE(S): This review committee meeting is not required to comply with the State of Oklahoma Open Meetings Act.

To accommodate the number of persons desiring to speak and to move the review committee meeting along, each person shall have a maximum of three (3) minutes to address the Committee at the appropriate time, if any time is available. As a courtesy to others, the Committee request that all persons, to the extent possible, avoid duplicating the entirety of the substance of statements made by previous speakers. Also, persons attending this meeting should take note that the purpose of this meeting is to perform a Technical Review of the 2009 International Residential Code (IRC).
