

## 2022 EXAMINATION INFORMATION

Applicants for **Initial Licensure** for Professional Engineers and Professional Land Surveyors are **NOT** required to file an application with this office until such time as they have completed all education, examination, and experience requirements.

All FE, PE, FS and LS exam registration is done through NCEES and all candidates must create a MyNCEES account at <https://ncees.org/> to register for the exam(s) and to create an NCEES Record.

Once all requirements have been met (education, examinations, and experience), all initial Professional Engineer applicants will be required to submit a NCEES Record through their MyNCEES account.

### PRINCIPLES & PRACTICE OF ENGINEERING (PE) EXAM

All PE Exams (other than Structural Vertical Forces and Structural Lateral Forces) are now computer-based tests (CBT) administered at NCEES approved Pearson VUE Testing Centers. The list of available testing centers can be found when you register for the exam through your MyNCEES account.
