BOARD HONORS BOB CORNFORTH & EMERTITUS MEMBERS OF THE BOARD

Board Members Pictured above: Robert Zahl, P.E.; George Vogler, Public Member; Ted Sack, P.L.S.; Roy Entz, P.E., P.L.S.; Jon Nelson, P.E.; George Gibson, P.E.; (Not Pictured - Ross Relph, P.E., P.L.S.)

A luncheon was held in July honoring Bob Cornforth, P.E., who recently passed away while serving as a member of this Board. A plaque was dedicated to Mr. Cornforth and the members who have served this Board in the past. This plaque will hang in the Oklahoma Engineering Center, and each time a member leaves the Board his or her name will be added to the plaque. A plaque was also presented to Su Cornforth and Shawn Cornforth, wife and son of Bob Cornforth, honoring Bob's work with the Board.

George Vogler, Public Member and longtime friend of Bob Cornforth's, was the speaker at the luncheon. Mr. Vogler stated in his dedication to the past Board members that *"seeking the greater public good through citizen government is the larger enterprise wanted by volunteers of the kind recognized here today."* Mr. Vogler also referred to Montaigne, a French humanist, who said long ago: *"Were I not to follow the straight road for its straightness, I should follow it for having found by experience that in the end it is commonly the happiest and most useful track."* "Bob," Mr. Vogler stated, "followed the straight road for the sake of its straightness."

(pictures from the dedication on page 10)

Retired or Inactive Status

July 1, 2000 to September 30, 2000

IN MEMORIAM

The Board and Staff wish to extend our sympathies to the families and friends of these individuals who have honored their professions....

BOARD VISITS OKLAHOMA STATE UNIVERSITY

REMAINING BOARD MEETING DATE - 2000

November 16-17

On October 11, 2000, Board Members and Staff traveled to the Oklahoma State University campus in Stillwater, OK, to speak to students to educate them as to the benefits of taking the Fundamentals of Engineering examination as soon as they are eligible and to complete the licensure process when they obtain the necessary years of experience. Approximately 130 students attended the evening meeting and listened to several speakers from the Board, Oklahoma Society of Professional Engineers (OSPE), and the Consulting Engineers Council of Oklahoma (CECO). Afterwards a dinner was sponsored by OSPE and CECO.

The Board began the day at noon with a luncheon at the home of President James Halligan, P.E. Attending the luncheon was President and Mrs. Halligan, Dean Karl Reid, Department Heads of the CEAT, Board Members and Staff, and Dr. Walt LeFevre, P.E., professor at the University of Arkansas. Dr. LeFevre was present to speak in the afternoon with the OSU CEAT Department Heads and interested faculty regarding the use of the Fundamentals of Engineering Examination for outcomes assessment. Dr. LeFevre was a co-author of the white paper on this subject and was generous enough to agree to come to Oklahoma State University to present this paper.

The Board plans to make the same presentation to engineering students and faculty at the University of Oklahoma, the University of Tulsa, Oral Roberts University, and Oklahoma Christian University later this year and early next year.

*We would like to thank President James Halligan,
Dean Karl Reid, the Associate Deans, Department
Heads, faculty and staff at Oklahoma State University
who helped make this meeting such a success.*

Exam Dates & Cut-off Dates for submitting applications:

**Jan. 3, 2001 - Cut-off date
for accepting P.E.
and L.S. Applications
for the April 20, 2001 Exams.**

**Feb. 15, 2001 - Cut-off date
for accepting E. I. and
L.S.I. Applications
for the April 21, 2001 Exams.**

**August 3, 2001 - Cut-off date
for accepting P.E. and
L.S. Applications for the
October 26, 2001 Exams**

**Sept. 15, 2001 - Cut-off date
for accepting E.I. and L.S.I.
Applications for the
October 27, 2001 Exams**

NCEES Honors Bruce Pitts and Bill Dickerson

At the recent annual convention of the National Council of Examiners for Engineering and Surveying (NCEES) held in Chicago, two Oklahoma representatives were honored for their contributions to the NCEES.

Bruce Pitts, PLS, Emeritus Member of the Board was presented the Distinguished Service Award. This award is official recognition to a member for outstanding service of a nature furthering the effectiveness of the Council in carrying out its constitutional objectives. Bruce was also awarded the NCEES Southern Zone Distinguished Service Award last April.

Bruce has been involved since 1991 with the Oklahoma Board, where he has served as secretary, vice chair, and chairman (2 terms). Bruce organized a new format for the Oklahoma Law in Surveying exam and is responsible for item preparation. He has been a member of two ABET inspection teams, and is a frequent contributor to this newsletter. He represented the Board many times before legislative bodies. He served on various NCEES committees, including the Committee on Examinations for Professional Surveyors from 1993 to present, the Law Enforcement Committee and the Land Surveying Committee. Since 1996 he has been a member of the Southern Zone Awards Committee and served as chair. Bruce is currently an item writer for the FLS exam and has represented the NCEES at the formal NAFTA meeting at the 1998 ACSM Conference in Ft. Worth, Texas.

Bruce has promoted registration and licensure in his community through numerous presentations to business and professional organizations regarding legislative statutes. He is involved in the Oklahoma Society of Land Surveyors, where he served as President, and the National Society of Professional Surveyors.

Bill Dickerson, P.E., Principal Assistant to the Board was presented the Meritorious Service Award. This award was created to recognize Member Board and NCEES employees for outstanding service. Bill was also awarded the NCEES Southern

Zone Meritorious Service Award in April of 1999.

Bill served for five years as a Board Member of the Oklahoma Board. He has been employed as the Principal Assistant for 11 years. In addition to reviewing applications and making recommendations regarding acceptable education and experience, proctoring and coordinating examinations at universities, he has improved examination accommodations markedly as well as improved examination security at the universities for the FE examination.

During his service to the Oklahoma Board, Bill was actively involved in the NCEES and is currently an NCEES Emeritus Member. He participated in various NCEES committees, including the Records Verification Committee, Communications and Publications, where he served as chair; the Committee on Examinations for PE's (Fundamentals), where he serves as subcommittee chair; and the Computer-Based Testing Oversight Group. Bill also works to promote registration and licensure by being the principal speaker at meetings of universities and technical societies.

Other individuals from Oklahoma who have been awarded the NCEES Distinguished Service Award are:

E. R. Stapley, (1958)

Gwynne B. Hill, (1959)

David Fields, (1967)

Harris Bateman, (1973)

Herman E. Smith, (1981 & Distinguished Service Award with Special Commendation 1991)

Roy Thompson, (1984)

J. Fred Sauls, (1985)

Charles L. Kimberling, (1986 & Distinguished Service Award with Special Commendation 1992)

Donald D. Vick, (1987)

Kenneth McCollom (1992).

NCEES ANNUAL MEETING

Pictured Below: (Top Row) Bruce Pitts being presented the Distinguished Service Award by NCEES President Dale Sall and making his acceptance speech; (Bottom Row) Bill Dickerson making his acceptance speech for the Distinguished Service Award and posing with his daughter Donna Sentell and his grandson Jeffrey Sentell.

License Expirations June 1, 2000 to August 31, 2000

EXPIRATION/REVOICATION - Certificates may be revoked by the Board for non-payment of renewal fees. Registrants will be notified of revocation by certified mail.*

RENEWALS - Each registration issued by the Board expires on the last day of the month in which renewal fees are due, and becomes invalid on that date unless paid. One notice of renewal is sent by first class mail to the address of record in the board files.**

REINSTATEMENT - Former registrants whose certificates have expired and were revoked for failure to pay renewal fees and desire to reinstate shall make application for reinstatement within 90 days after expiration and pay the prescribed renewal fee and penalty. After 90 days, a new application will be required, which shall be considered specifically by the Board, both from the standpoint of competency and of character.

*By practice, this notification is mailed 10 days following expiration. **In effect, provides notice two months prior to revocation.

NOTICE: New Law Passed Which May Effect Your License To Practice Engineering and/or Surveying in the State Of Oklahoma

Effective July 1, 2000, Per SB 1040 Sec. 6, all state license holders must be in compliance with state income tax laws prior to having their license renewed. Your name and your firm's name will be furnished to the Oklahoma State Tax Commission prior to your PE

or PLS license, or your certificate of authorization being renewed in Oklahoma. If we are notified that you are in non-compliance with the Oklahoma State Tax Commission, we cannot renew your license until such time as you are in compliance.

NATIONAL ENGINEERING WEEK February 18 - 24, 2001

National Engineering Week will be celebrated with many different events planned for the week of February 18 - 24, 2001. One of the important events is the Engineer for a Day Program, which will be held on February 22, 2001. Sponsoring companies will be assigned a Senior High School Student for a day. These students have expressed an interest in pursuing Engineering as a field of study in their future college career.

Last year, 100 students were placed with various industries and engineering firms around the state. The

students gain first hand insight into the work an engineer might do on any given day. The sponsoring company benefits from providing this service to the community and maybe gets a look at a prospective employee upon graduation. Sponsors will also be listed in the Joint Engineering Societies' Banquet Program.

If your company would like to participate as a sponsor for the Engineer for a Day Program, please call Michael Messner at (405) 947-3181 (hopefully prior to November 1, 2000).

ATTENTION ALL REGISTRANTS: We are updating our database to include phone numbers & e-mail addresses. Please provide the Board Office with this information and any changes in your address. You may use this form to provide your phone number and e-mail address, even if you don't have a change of address, and mail it to the Board Office - or e-mail the information to cindy@okpels.org

DISCIPLINARY ACTIVITY

September 14-15, 2000

In the Matter of Roger Richter, Case No. 2000-31, Summary of Findings of Fact and Order

Roger Richter, a licensed architect, prepared plans for a project and upon completion affixed his signature and architect's seal to the Project plans. Mr. Richter signed and sealed final engineering drawings as part of the Project plans that were not signed or sealed by a registered engineer. Mr. Richter also used a generic foundation system for the project and made engineering decisions affecting the Project's foundation system. Mr. Richter was found guilty of practicing engineering without an engineering registration and ordered to pay an administrative penalty in the sum of \$1,250.00. Mr. Richter was also ordered to cease and desist practicing and offering to practice engineering in the State of Oklahoma.

In the Matter of Schirmer Engineering, Case No. 2000-33, Through Consent

Schirmer Engineering is not authorized to provide engineering services in the state of Oklahoma. Schirmer Engineering provided engineering services in the state without a certificate of authorization and is assessed an administrative penalty in the amount of \$2,000.00. Schirmer Engineering shall cease and desist practicing or offering to practice engineering in the state of Oklahoma until such time as it is authorized to do so. Schirmer Engineering agrees to apply to the Board for a certificate of authorization no later than 10 days following the date of this order and shall cause the appropriate employee of the firm to apply for a certificate of registration with the Board.

PUBLIC NOTICE OF RULEMAKING

A Public Meeting will be held on November 17, 2000, at 1:30 p.m., at the office of the Board, 201 N.E. 27th St., Oklahoma City, OK, to discuss proposed revisions to the Board's Rules. A copy of the rules may be obtained on the website (okpels.org) after October 1, or you may contact the Board office to mail you a copy.

Oral comments will be limited to 5 minutes at the Public Meeting and you must sign in at the door, prior to the meeting, to be allowed to speak. Written comments may be mailed, faxed, or e-mailed to the Board Office and will be distributed. Also, we would appreciate it if you would notify us if you plan on attending the meeting in person so that we will have adequate seating available.
