24 instructional programs for persons who are currently licensed to

1 practice engineering or land surveying, as well as refresher courses  
2 for persons interested in obtaining adequate instruction or programs  
3 of study to qualify them for licensure to practice engineering or

13 shall the experience credit exceed one-half (1/2) of that required  
14 for approved qualifying experience. The experience credit shall not  
15 be claimed if the applicant is also claiming the experience time as  
16 experience credit for a cooperative education program.

17 6. EAC/ABET-accredited engineering cooperative education  
18 programs may be considered as experience credit earned prior to the
