

RULE IMPACT STATEMENT

TITLE 245. OKLAHOMA STATE BOARD OF LICENSURE FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS CHAPTER 2. ADMINISTRATIVE OPERATIONS

Purpose:

Subchapter 1. General Provisions: Update administrative procedure language and confidential records to reflect changes made to Title 59, 475.1 et seq., effective November 1, 2017. Additional changes would be to create the “Engineering and Surveying Education Assistance Program”, as provided in Title 59, 475.1 et seq., effective November 1, 2017, and define criteria for the program.

- Persons affected – Licensees of the Board and engineering and surveying students. Public notice was issued regarding the proposed rule language and public comment has been requested. The Board will consider comments from the public and, if applicable, will include the public comments in the rule revisions.
- Persons who will benefit: The future licensees of the Board will benefit from the Engineering and Surveying Education Assistance Program.
- Economic Impact to persons who will bear the cost: No cost impact
- Costs and benefits to the agency; source of revenue to be used: No cost impact to the agency other than what is authorized to be used for scholarships. No cost to the citizens of the state of Oklahoma.
