8. How will I find out if I've been awarded a scholarship and will you let me know if I have not?

Applicants are notified in writing if they are selected to receive a scholarship award. All applicants can login to www.occf.org/scholarships/ to check on the status of an application. A status of "not qualified" or "declined" indicates that an applicant was not selected for an award.

9. What happens if I am selected as a scholarship recipient?

Scholarship recipients will receive an official letter by mail, as well as an instruction sheet regarding how to claim the scholarship. These mailed documents will be sent to the address that was provided by the applicant on the General Application/Student Profile. Read the documents and respond in a timely manner.

10. What expenses can the scholarship pay?

Scholarship awards may go to payment of tuition, fees, required supplies, and book expenses.

13. What happens if I move or change schools after I've been awarded a scholarship?

Award recipients who move should contact the scholarship staff at OCCF and update their address.

Recipients who change schools should also notify OCCF of the change. If the change is to an Oklahoma university and the recipient remains in an EAC/ABET or ETAC/ABET accredited program, then the scholarship will remain.
