

**INFORMATION FOR FAILING P.E. CANDIDATES FROM THE
OKLAHOMA STATE BOARD OF LICENSURE FOR PROFESSIONAL ENGINEERS & LAND SURVEYORS**

If this was your fourth unsuccessful attempt, your current application is closed. Please contact Ms. Taylor Aizenman at taizenman@pels.ok.gov if this was your fourth unsuccessful attempt and you wish to reapply for the examination.

If you have taken the PE examination fewer than four (4) times on your current application, you may register with NCEES to retake the exam. **Please note that it is your responsibility to register with NCEES to reserve your seat for the exam. Registration for the April 5, 2019 PE examination opened on November 26, 2018 and closes at 2:00 pm CST on February 7, 2019. No late registrations are allowed by NCEES.**

If you have not passed the PE examination within five (5) years of the initial approval date of your application, the application will be closed and a new application will be required in order for you to be approved for additional examination attempts. Further, if you have four (4) unsuccessful PE examination attempts authorized by this application, your application will be closed. A one-year time period must occur between the date of your last unsuccessful examination attempt and the date that you submit a new application for consideration.

If you have questions concerning this matter, please contact Ms. Taylor Aizenman at taizenman@pels.ok.gov.
