

**TITLE 535. OKLAHOMA STATE BOARD OF PHARMACY  
CHAPTER 10. PHARMACISTS; AND INTERNS, PRECEPTORS AND TRAINING AREAS**

**SUBCHAPTER 5. INTERNS, PRECEPTORS AND TRAINING AREAS**

**535:10-5-1.3. Intern experience requirements**

Each applicant, before sitting for licensure examination for registration as a pharmacist, shall furnish the Board with documentary evidence that said applicant has completed at least fifteen hundred (1500) hours of pharmacy practice training, under the supervision of a preceptor, in a licensed pharmacy or other professional practice site that has been approved as a training area by a Board. Credit will not be granted for practice experience gained in out-of-state sites not subject to the regulations of a State Board of Pharmacy.

(1) No credit shall be allowed for experience obtained in Oklahoma unless such experience was obtained in accordance with the regulations ~~Governing~~ governing Pharmacy Interns, Preceptors and Training Areas.

(2) To obtain credit in Oklahoma for experience obtained in another state, applicant must arrange with the Board of Pharmacy in the state where the hours were worked to furnish this Board with a letter certifying the hours and dates worked; place of employment and preceptor; and certification that the hours in question are approved by and acceptable to that Board.

(3) In the case where another state Board of Pharmacy does not track or certify hours earned while attending that state's ACPE approved school or college of pharmacy, the applicant may submit the following for review and consideration by the Board:

(A) Certification from the ACPE approved school or college of pharmacy of hours earned while attending such school or college.

(B) Upon request, a letter from the state Board of Pharmacy confirming that they do not certify intern hours earned while attending that state's ACPE approved school or college of pharmacy.

(4) The Oklahoma Board will not accept hours that are refused or denied by another State Board of Pharmacy.

**SUBCHAPTER 5. INTERNS, PRECEPTORS AND TRAINING AREAS**

**535:10-5-9. Training area requirements**

**(a) Pharmacies.** Any pharmacy desiring approval for the training of interns shall make application to the Board on a form supplied by the Board. The Board will consider the requirements and qualifications listed in 535:25-3 at a minimum. A pharmacy approved as a training area shall conspicuously display its training area certificate in the pharmacy, and be subject to the following provisions:

(1) Such pharmacy shall be subject to inspection by the Board.

(2) Such pharmacy shall agree to furnish the necessary preceptor(s) under whose supervision the intern will be allowed to perform the duties outlined in this Subchapter. The number of interns practicing in a training area is limited to the number of preceptors present and on duty in a training area.

(3) No pharmacy under probation or suspension by the Board shall be approved as a training area. A pharmacy will not be able to continue as a training area under the above conditions. A pharmacy must apply for a new training area certificate and be approved by the Board after completion of probation and/or suspension.

(4) All training areas shall submit reports as required by the Board.

(5) The Board shall set the training area original certification fee.

(6) All training areas shall renew their certification for a fee set by the Board.

(7) Training Areas are subject to renewal when their pharmacy license is renewed.

**(b) Unique or specific training areas.** Any Oklahoma college of pharmacy may apply to the Board for approval of a specific or unique training area. This training area shall be subject to Subsection (a) (1), (2), (4) ~~and~~ (5) and (6) of this Section.

**(c) Changes.** Changes of pharmacy location, name or ownership shall require a new training area certificate.

## SUBCHAPTER 9. PHARMACEUTICAL CARE

### **535:10-9-14. Epinephrine [NEW]**

**(a) Purpose.** The rules in this section implement Title 59 Section 6002 provisions for pharmacists.

**(b) Definitions.** The following words or terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Authorized Entity" means any entity or organization at or in connection with allergens capable of causing anaphylaxis may be present, including but not limited to, restaurants, recreation camps, youth sports leagues, amusement parks, and sports areas.

"Emergency public access station" or "EPAS" means a locked, secure container for the storage of epinephrine auto-injectors under the general oversight of a physician, which allows lay rescuer to consult with a physician in real time by audio, televideo or other similar means of electronic communication and upon authorization of the consulting physician, may be unlocked to make available the auto-injector.

"Epinephrine auto-injector" means a single-use device used for the automatic injection of a premeasured dose of epinephrine into the human body.

**(c)** A pharmacist may fill a prescription authorized by a prescriber for epinephrine auto-injectors to any authorized entity or organization for storage in an Emergency Public Access Station (EPAS) in accordance with protocols established by the practitioner.

**(d)** The epinephrine must be dispensed, stored, and administered per Section 6002 of Title 59.

### **535:10-9-15. Naloxone [NEW]**

**(a) Purpose.** The purpose of this subsection is to implement Title 63 OS 2-312.25 provisions for pharmacists.

**(b) Definitions.** Reserved.

**(c)** A Pharmacist may prescribe and dispense Naloxone without a protocol or prescription to any person at risk of experiencing an opioid-related drug overdose, family or friend of an at-risk person, or first responder. Naloxone may only be dispensed by, or under the supervision, of a licensed pharmacist.
