

APPLICATION FOR OKLAHOMA PHARMACY LICENSE

What you need to know before submitting an application- **PLEASE READ CAREFULLY:**

1. New applications (including change of owner, change of location, and change of name), if submitted without deficiencies, can take up to 2 weeks for processing.
2. Please verify all information requested on the application is provided at the time of submission to avoid any further delay.
3. Oklahoma requires up to 2 levels of ownership. Please pay special attention to Section D of the ownership form you are directed to on Page 1 of the application.
4. Oklahoma licenses are not transferable; they are only valid for the name and location that reflects on the license and the owner(s) reflected in the application submitted to obtain said license. This means that for change applications, the existing license will be ended at the time the new license is issued. Please make sure to plan ahead with all other licenses and medications on-site. **For "Change of Owner" applications, as long as the previous/existing license has not expired, you may be able to continue contracts/orders as long as there is a Power of Attorney in place.** <Please seek legal counsel for these types of situations>
5. Please do not fax or email applications to the Board Office. We must have original signatures and notaries on file.
6. If there are any deficiencies with the application, our office will contact the designated PIC via email at the email address currently on file.
7. All pharmacies must have an Oklahoma licensed PIC in place at all times. **For Non-Resident Pharmacies ONLY:** If at any time the current PIC ends employment and there will be any amount of time where there is not an Oklahoma licensed PIC, the pharmacy must submit a "PIC Extension Request" which can be found on our website or emailed to you upon request. Only the Executive Director of the Oklahoma Pharmacy Board may grant this extension. *Oklahoma pharmacies must have a licensed PIC in place at all times.*
8. For Oklahoma pharmacies, once the application is processed it will be given to the proper Compliance Officer/Inspector, who will call the phone number listed on the application to schedule a time and date to perform the required inspection. **The pharmacy must pass final inspection within ninety (90) days of application or the pharmacy must resubmit the application and fees. Fees will not be refunded.** The license will be released on-site upon passage of this inspection.
9. OSBP Staff cannot interpret rules. For questions regarding what constitutes an ownership change, please refer to OAC 535:25-3-7.
10. OSBP reserves the right to request any additional information not specifically requested on this application deemed necessary to protect the public health and safety.
