

# Impact of Broadband on First Responders

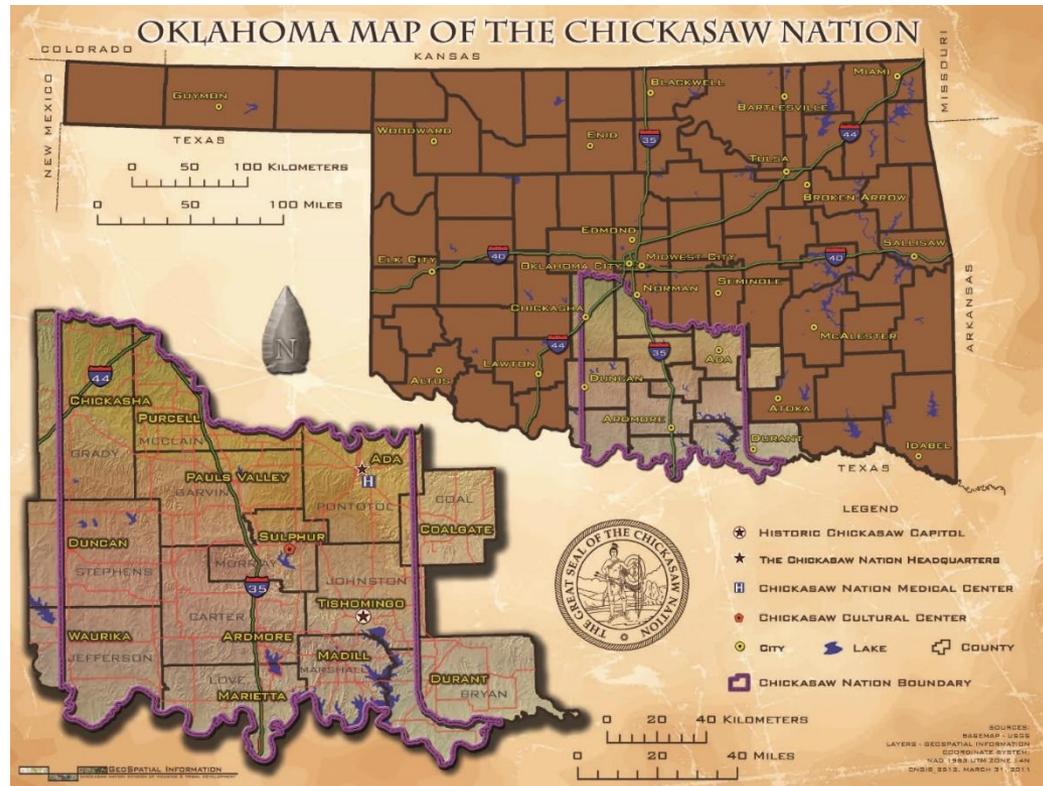

**CHICKASAW LIGHTHORSE  
POLICE DEPARTMENT**

# The Chickasaw Nation's jurisdictional territory includes 7,648 square miles of south-central Oklahoma and encompasses all or parts of 13 Oklahoma counties

- ▶ 1. Grady County
- 2. McClain County
- 3. Garvin County
- 4. Pontotoc County
- 5. Stephens County
- 6. Carter County
- 7. Murray County
- 8. Johnston County
- 9. Jefferson County
- 10. Love County
- 11. Marshall County
- 12. Bryan County
- 13. Coal County

# REASONS TO CONSIDER BROADBAND

With any one of these natural disasters.....

We must be prepared

- Manpower
- Equipment needs
- Support resources
- Interoperability

# EMERGENCY RESPONSE TO THE UNKNOWN

**With any emergency response, the ability to obtain a steady stream of reliable information from the scene is crucial in saving lives.**

- **Evacuation plans**
- **Threat evaluation**
- **Tactical response to the incident.**

**The ability to have live video feeds and interoperable voice and data communications to/from the scene to support or command staff is critical to incident response.**
