Finding a Provider

To find a health, dental or vision provider or to check the network status of a provider, visit the plan's website or call the plan for assistance. Refer to Contact Information at the back of this guide.

Eligibility Requirements

To participate in the Medicare supplement plans described in this guide, you must be:

- Entitled to benefits under Medicare Part A.
- Enrolled in only one plan that provides Part D prescription drug benefits. (Enrolling in another plan that provides Part D benefits will end your current Part D coverage.)

To participate in the MA-PD plans described in this guide, you must be:

- A permanent resident of the MA-PD plan's service area.
- Enrolled in both Medicare Part A and Part B and continue to pay your monthly Part B premium.

Enrollment in Medicare Part B

The Medicare supplement plans offered through EGID do not require you to be enrolled in Part B, but pay benefits as if you are. **To maximize your benefits, you need to be enrolled in Medicare Part B.**

The MA-PD plans offered through EGID require you to have both Medicare Part A and Part B.

Health Benefits

The health benefits provided by the Medicare supplement and MA-PD plans described in this guide are designed to provide Medicare-covered benefits according to Part A and Part B guidelines. Benefits will be adjusted effective Jan. 1 to coincide with Medicare.

Charges for Services Not Covered by Medicare

Any charges for services or supplies not covered by Medicare, or under your plan, are your financial responsibility.

Grievance and Appeals Procedures

Under Medicare guidelines, each plan has a process in place to handle grievances and appeals regarding member health or pharmacy benefit complaints. Contact each plan for details.

Income Related Monthly Adjustment Amount

If you are a member of one of the HealthChoice SilverScript or MA-PD plans offered through EGID, your premium for Part D prescription drug coverage is included in your regular monthly premium. Part B premiums are paid through Social Security. However, if your income is above a certain level, the law requires your Part B and Part D premiums be adjusted, which is called an income related monthly adjustment amount (IRMAA). If you have to pay extra, Social Security will notify you. For more information, call Social Security toll-free at 800-772-1213. TTY users call toll-free 800-325-0778.

Note: If you fail to pay any Part D IRMAA as a HealthChoice SilverScript member, HealthChoice must move you to a plan without Part D.

Extra Help Paying for Part D (Medicare Low Income Subsidy)

People with limited incomes may get Extra Help paying for prescription drug costs. To learn more or apply, call Social Security toll-free at 800-772-1213. TTY users call toll-free 800-325-0778. More information is also available at www.socialsecurity.gov. You can also call Medicare toll-free at 1-800-MEDICARE (1-800-633-4227). TTY users call toll-free 877-486-2048.

If you already get help paying for your prescription drugs, the premium and drug cost information in this guide is not correct for you. The amounts of your monthly premiums and pharmacy costs will be less. EGID may request a copy of your letter from Social Security confirming you are qualified. Once you enroll in a Part D plan with Part D benefits, Medicare or your plan will tell us the amount of assistance you will receive. We will then send you information about the amount you will pay.

If you qualify for Extra Help, the chart below shows your maximum prescription drug costs for 2018:

Rx Group	Your maximum prescription drug costs for 2018
1	\$0 deductible
	\$0 copay
2	\$0 deductible
	\$1.25 generic and preferred brand copay
	\$3.70 non-preferred brand and other drug copays
3	\$0 deductible
	\$3.35 generic and preferred brand copay
	\$8.35 non-preferred brand and other drug copays
4-7	\$83 deductible
	15% copay

If You Enroll in Another Plan With Part D Benefits

Your Medicare Part D benefits through your Medicare supplement plan or MA-PD plan provide Part D prescription drug coverage. If you enroll in another plan with Part D benefits, Medicare must disenroll you from your current plan. EGID will change your coverage to a plan without Part D benefits. Your coverage will be similar and include prescription drug coverage, but not Part D benefits. You must continue on the plan without Part D benefits and pay the higher premium for that plan until the next Option Period. Since you have other Part D (or prescription) coverage, you can drop your health and prescription coverage through EGID, or drop your other Part D coverage, whichever you decide. If you drop your health plan through EGID, you cannot regain coverage through EGID in the future, and you will lose any premium contribution made by your retirement system. Exceptions may apply to members who qualify for Extra Help from Social Security.

If You Currently Have Health Coverage Through Your Employer or Union

If you or your spouse have health coverage through an employer or union, joining one of the plans offered by EGID may change your current coverage. Please read the information sent to you by your employer or union. If you have questions, contact your benefits administrator.

Creditable Coverage Notice

The Medicare supplement and MA-PD plans available through EGID provide creditable coverage. If you drop your health coverage with EGID and do not get other Part D coverage or coverage as good as Medicare's (creditable coverage) in the future, you may have to pay Medicare's late enrollment penalty in addition to your premium for Part D prescription drug coverage.

Getting Help From Medicare

To get information directly from Medicare, call toll-free 1-800-MEDICARE (1-800-633-4226) or TTY 877-486-2048. You can also visit Medicare's website at www.medicare.gov.

You can read the 2018 *Medicare & You* handbook. Every year in the fall, this booklet is mailed to people with Medicare. It has a summary of Medicare benefits and answers to the most frequently asked questions about Medicare. You can also download a copy of this booklet from Medicare's website.

Network Pharmacy Access

Network pharmacies provide electronic claims processing, so there are no paper claims to file. Sometimes a pharmacy leaves the network. When this occurs, you will have to get your prescriptions filled at another network pharmacy.

Non-Network Pharmacy Access

In most cases, your prescriptions are covered only if they are filled at a network pharmacy. In certain Part D emergency or urgent situations, your prescriptions can be covered as if you filled them at a network pharmacy. Non-network pharmacies cannot file claims electronically, so you must pay the full cost for your medications up front and then file a paper claim for your plan to reimburse you for its share of the cost.

An exception can be made if you cannot access a network pharmacy due to the following circumstances:

- You travel outside the service area and lose or run out of medication or become ill and need a Part D medication.
- You cannot fill a Part D specialty drug timely because it is not in stock.
- There is no network pharmacy within reasonable driving distance with 24/7 service.
- You receive a Part D drug while in an emergency, observation or other outpatient setting.
- Evacuation or displacement from your residence due to a federal disaster or other public health emergency declaration.

Replacing Medications Lost or Damaged in a Declared Disaster or Public Health Emergency

You can also replace medications that were lost or damaged due to a federally declared disaster or other public health emergency. Your pharmacy must contact your plan's pharmacy helpline to provide early refills or override the maximum supply per fill. You must still pay the applicable copay per fill.

Information on Medicare Supplement Plans

Enrolling in a Medicare Supplement Plan

To enroll in or change your coverage to a Medicare supplement plan, you must complete and return the Application for Medicare Supplement With Prescription Drug Plan to EGID along with your Option Period Enrollment/Change Form. This application is available at www.sib.ok.gov. Go to Members and select Medicare Members, then select Forms and Applications. You can also request an application by calling member services at 405-717-8780 or toll-free 800-752-9475. TDD users call 405-949-2281 or toll-free 866-447-0436.

Monthly Premiums for Medicare Supplement Plans

If you currently pay a premium for Medicare Part A, Part B or Part D, you must continue to pay your premiums in order to keep your Medicare coverage.

If you have a higher income, you may have to pay an additional monthly premium to Social Security for your Medicare prescription drug coverage. Refer to Income Related Monthly Adjustment Amount on page 5.

Your monthly premium will be less if you are receiving Extra Help with your prescription costs. Refer to Extra Help Paying for Part D on page 5.

Health Provider Network

You can choose any health care provider you want, but selecting a provider who accepts Medicare assignment will lower your out-of-pocket costs. Assignment means your provider has agreed to accept Medicare-approved amounts as full payment for covered services.

When you receive services from doctors and other health care providers who do not accept Medicare assignment, Medicare's limiting charge applies. Under Medicare guidelines, this is the highest amount you can be charged for a covered health service. The limiting charge is 15 percent above Medicare's approved amount and does not apply to medical supplies or equipment.

The Medicare supplement plans offered through EGID provide coverage throughout the United States. If you move out of the United States, you must notify your plan so you can be disenrolled.

Plan Formularies (Lists of Covered Drugs)

The HealthChoice SilverScript plans have a formulary, or a list of medications covered by the plan. Medicare has reviewed and approved these lists of covered drugs. To find out how your medications are covered, contact the plan or visit their website.

Be aware of restrictions on certain drugs as noted in the plan's formulary, such as:

- Prior Authorization
- Step Therapy
- Quantity Limits

All plans cover brand-name and generic drugs which are sorted into five tiers:

HealthChoice SilverScript Plans
• Tier 1 – Generics
• Tier 2 – Preferred Brand
• Tier 3 – Non-preferred Medications
• Tier 4 – Very High Cost and Unique Medications
• Tier 5 – Tobacco Cessation Medications

Drugs not listed in the plan's formulary are not covered.

Medications that Require Pharmacy Prior Authorization

Medications that require prior authorization are covered by your plan if the prescribed use meets approved guidelines. Prior authorization requests must be submitted by your physician. The plans may have added or removed certain medications from their lists of drugs that require prior authorization.

Quantity Limits

Pharmacy benefits generally cover up to a 30- or 90-day supply. For safety and cost reasons, plans may limit the amount of covered prescription drugs over a certain period of time. Specific therapeutic categories, medications and dosage forms may have more restrictive quantity and duration of therapy limitations. Some medications have a maximum quantity limitation and the medication is not dispensed in a tablet or capsule form. Be aware that quantity limitations for some medications may have been added or removed for 2018.

When Changes Affect a Drug You Currently Take

If you take a drug that is not listed in your plan's formulary or coverage for your drug has changed, e.g., your brand-name drug has been replaced by a new generic or has moved to a higher cost-sharing tier, or it has new restrictions, you have a few options:

- In some situations, your plan covers a one-time, temporary supply of your drug when your current supply runs out. This temporary supply is for up to 30 days. Refer to Transition Supply of Medication below.
- You and your doctor can find a covered drug that treats your medical condition.
- Your doctor can ask for an exception/prior authorization for your current medication.

If coverage changes for a drug you are taking, you will be notified 60 days before the change so you can review your options. If a drug is immediately removed from your plan's formulary because it was recalled by the FDA for being found unsafe or for other reasons, you will be notified at that time. Your pharmacy provider will also be aware of this change and can work with you to find another formulary drug for your condition.

Transition Supply of Medication

During the first 90 days of your transition to a new Medicare supplement plan with Part D coverage or transition to a Part D formulary medication, you can be authorized to purchase a one-time supply of your current medication that is non-formulary under your new plan. This total temporary supply is for up to a maximum 30-day supply of medication and is available prior to initiating or completing the plan review process for a medication requiring prior authorization or if your provider is requesting a medically necessary exception on a drug. Please note that under certain circumstances, such as if you reside in a long-term care facility, the supply is extended.

Information on Medicare Advantage Prescription Drug (MA-PD) Plans

Plan Guidelines

- You may not be eligible to enroll in an MA-PD plan if you have been diagnosed with end-stage renal disease. If you are currently enrolled in an MA-PD plan and develop ESRD or undergo a successful transplant, you can remain with your plan.
- You must be enrolled in both Medicare Part A (Hospital) and Part B (Medical) and continue to pay your monthly Part B premium.
- You must permanently reside in the MA-PD plan's ZIP code service area. This is a federally qualified area where the MA-PD plan provides coverage. You must have a home address; a post office box number is not acceptable. Check the ZIP code lists on pages 28-33 to see if you live within an MA-PD plan's service area.
- If you permanently move out of your plan's service area or are absent from the service area for more than six consecutive months, you must disenroll from your MA-PD plan and select another plan that provides coverage in your new area.
- Your MA-PD plan replaces Medicare and administers your health benefits according to Medicare Part A and Part B guidelines.

MA-PD PPO Plan

- You can receive services anywhere in the United States as long as the provider is a Medicare eligible provider.
- You do not have to designate a primary care physician (PCP) to direct your care.
- Referrals and medical precertification are not required.

MA-PD HMO Plans

- You must select and designate a PCP to coordinate all your medical and hospital services. There are exceptions in cases of out-of-network emergency or urgent care.
- If you do not use your PCP for routine care, you will be financially responsible for any charges related to those services.
- You can change doctors for any reason as long as the physician you select participates in your MA-PD plan's network. To change your PCP, please contact the MA-PD plan.
- If your provider leaves your plan, you must select another provider within your plan's network. You cannot change plans until the next annual Option Period.

Enrolling in an MA-PD Plan

Note: If an MA-PD plan is not listed as a selection on your personalized Option Period Enrollment/Change Form, you are not eligible to enroll in that MA-PD plan.

- If you are interested in enrolling in one of the MA-PD plans and need additional benefit information, contact the plan directly and indicate you are with the State of Oklahoma account.
- You must select an MA-PD plan on your Option Period Enrollment/Change Form and also complete an Application for Medicare Advantage Prescription Drug (MA-PD) Plan and return both to EGID. The application is available at www.sib.ok.gov by selecting the Option Period link or calling member services at 405-717-8780 or toll-free 800-752-9475. TDD users call 405-949-2281 or toll-free 866-447-0436.
- You will receive a letter from your MA-PD plan confirming your enrollment and effective date. Just before your effective date, you will receive your plan ID card and handbook.
- If you want to continue your current MA-PD plan for next year, you do not have to return your Option Period Enrollment/Change Form unless you want to make changes to other coverage or enroll in vision coverage. Please keep your personalized form as proof of your coverage.

When a Dependent is Not Yet Eligible for Medicare

All covered dependents must enroll in the same plan. For example, if you are enrolled in an MA-PD plan, your pre-Medicare dependents must enroll in the HMO option of that plan. As the primary member, you must indicate that you have elected an MA-PD plan option and complete all the required information regarding your dependents on your Option Period Enrollment/Change Form.

Disenrolling or Changing Plans

If you are changing from an MA-PD plan to another Medicare health plan with EGID:

- You must complete your Option Period Enrollment/Change Form and also the appropriate Part D form, either the Application for Medicare Advantage Prescription Drug (MA-PD) Plan or Application for Medicare Supplement With Prescription Drug Plan, and submit to EGID.
- Your new plan will begin Jan. 1.
- You will automatically be disenrolled from your previous plan.
- You will receive a letter from your former plan advising of the date your coverage ends.

If you are disenrolling from your Medicare health plan with EGID:

- Medicare requires you provide a signed written request or your Option Period form to EGID to advise of your disenrollment.
- You will receive a letter from your former plan advising of the date your coverage ends.

Vision Plan Notes

PVCS: The only Oklahoma owned and operated vision care plan with unlimited in-network services. Member must select either in-network or out-of-network for entire year. In-network services are unlimited. Out-of-network services (one eye exam, one set of eyeglasses or contacts) are limited to once annually. A \$50 service fee applies to soft contact lens fittings; a \$75 service fee applies to rigid or gas permeable contact lens fittings; and a \$150 service fee applies to hybrid contact lens fittings. Simple replacements are not assessed with these fees. Limitations/exclusions include the following: 1) Medical eye care, 2) Vision therapy, 3) Non-routine vision services and tests, 4) Luxury frames, 5) Premium prescription lenses, and 6) Nonprescription eyewear. For more information or detail, call 888-357-6912.

Superior Vision: Materials copay applies to lenses and/or frames. Discounts for lens add-ons will be given by contracted providers with a “DP” in their listing. Online, in-network contact lens materials available at www.svcontacts.com. Exams, lenses and frames are provided once per calendar year. Progressive lenses (no-line bifocals) – you pay the difference between the retail price of the selected progressive lens and the retail price of the lined trifocal. The difference may also be subject to a discount. Standard contact lens fitting applies to an existing contact lens user who wears disposable, daily wear or extended wear lenses only. The specialty contact lens fitting applies to new contact lens wearers and/or members who wear toric, gas permeable or multifocal lenses.

Vision Care Direct: We are an Oklahoma-owned and operated company. We offer a plan that will cost you less money overall. With the VCD plan, you can get your exam, frames and lenses (upgraded to polycarbonate, premium anti-reflective coatings and UV coatings) for \$30, even if you wear progressive no-line lenses. We are not an insurance company and our focus is on delivering the very best patient care with quality materials at a very affordable price. Other plans may offer discounts for extra services, but we include the extras the doctor wants you to have, like polycarbonate lenses that are thinner, lighter and safer. We also include premium anti-reflection and UV coatings on our lenses because it’s better for you and the doctor wants you to have it. Choose one of our 79 private line frames and you’ll pay no more out of pocket than \$30 for single vision lenses or no-line progressives. If you want a brand-name frame, no problem; you simply pay a small \$40 lens upgrade fee and can choose any frame you want up to \$130. What would normally cost you over \$300 for progressive lenses will cost you much less with VCD. Visit www.visioncaredirect.com/oklahoma for more information, inclusions and limitations. For our provider list, visit www.visioncaredirect.com and enter your ZIP code, be sure to look for the VCD Plus logo. For more information, call 855-918-2020 or text 918-695-3080.

VSP: Exam, lenses and frame benefit provided annually. The \$25 materials copay applies to lenses or frames, but not to both. Copays/prices listed are for standard lens options. Premium lens options will vary. If you choose a frame valued at more than your allowance, you'll save 20 percent on your out-of-pocket costs when you use a VSP doctor. Member's receive an extra \$20 towards their frame allowance when selecting a Marchon frame. Contact lenses are in lieu of spectacle lenses and frame. The \$120 in-network allowance applies to the contact lenses. With a VSP provider, the contact lens exam (fitting and evaluation) is covered in full after a copay up to \$60. The \$105 out-of-network allowance applies to the contacts and contact lens exam. Your contact lens exam is performed in addition to your routine eye exam to check for eye health risks associated with improper wearing or fitting of contacts. Prescription glasses – 30 percent off additional complete pairs of glasses and sunglasses, including lens options, from the same VSP doctor on the same day as your WellVision Exam, or get 20 percent off from any VSP doctor within 12 months from your last WellVision Exam. Contact VSP or visit vsp.com to learn more. VSP members can now use and integrate their benefits online, via eyeconic.com. Oklahoma enrollees can virtually try on each pair in the extensive catalog of glasses and sunglasses. Members can order glasses and contacts while using their VSP benefit. In addition to your VSP vision insurance, any additional savings will automatically be applied at the time of purchase. Frames can be sent directly to your door, or your provider's office for a final fitting, adjustment, and confirmation you are completely satisfied.
