## **Network Ambulance/Air Ambulance Contract**

It is hereby agreed between Office of Management and Enterprise Services Employees Group Insurance Department (EGID), and the Ambulance Service named on the signature page, that the Ambulance Service shall be a provider in EGID's Network of Providers.

This Contract is entered into for the purpose of defining the conditions for reimbursement by EGID to the Ambulance Service. It in no way is meant to impact on the Ambulance Service's decision as to what is considered appropriate medical treatment.

### **I. RECITALS**

- 1.1 EGID is a statutory body created by 74 O.S.2012, § 1301 et seq., as amended, to administer and manage certain insurance benefits for employees of the State of Oklahoma.
- 1.2 The Ambulance Service is duly licensed by the State of Residence and satisfies additional credentialing criteria as established by EGID.
- 1.3 The intent of this Contract is to provide access to enhanced quality health care, and medical transportation, utilizing managed care components, at an affordable, competitive cost to EGID and its members.
- 1.4 Failure to abide by any of the following provisions may result in non-renewal of the Contract or may be cause for termination.

### **II. DEFINITIONS**

- 2.1 "Allowable Fee" means the maximum charge payable to an Ambulance Service for a specific procedure in accordance with the provisions in Article VI of this Contract. The Ambulance Service shall charge the usual and customary fee unless the fee schedule limits otherwise.
- 2.2 "Ambulance Services" means a service in which the patient's condition requires medical transportation where the use of specialized medical skills and/or equipment is medically necessary and crucial to the safe transportation of the patient. An urgent transport requires prompt, but not necessarily immediate attention. An emergency transportation requires immediate attention due to the life or limb threatening condition of the patient.
- 2.3 "Credentialing Plan" means a general guide and process for the acceptance, cooperation and termination of participating providers and other health care providers.
- 2.4 "Emergency medical condition" means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in a condition described in clause (i), (ii), or (iii) of section 1867(e)(1)(A) of the Social Security Act (42 U.S.C. 1395dd(e)(1)(A)). (In that provision of the Social Security Act, clause (i) refers to placing the health of the individual (or,

with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy; clause (ii) refers to serious impairment to bodily functions; and clause (iii) refers to serious dysfunction of any bodily organ or part.

- 2.5 HELP/Wellness (Health Education Lifestyle Planning) means the program established to actively promote responsible behavior and the adoption of lifestyles that are in the best interest of the Plan member's good health.
- 2.6 "Hospital Services" means those acute care inpatient and outpatient hospital services that are covered by the State and Education Employees Health Insurance Plan.
- 2.7 "Medical" means belonging to the study and practice of medicine for the prevention, alleviation or management of a physical or mental defect, illness, or condition.
- 2.8 "Medically Necessary" means services or supplies that, under the provisions of this Contract, are determined to be:
- a) appropriate and necessary for the symptoms, diagnosis or treatment of the medical condition, and
  - b) provided for the diagnosis and treatment of the medical condition, and
  - c) within standards of acceptable, prudent medical practice within the community, and
  - d) not primarily for the convenience of the member, the member's physician or another provider, and
  - e) any condition which, if left untreated, could deteriorate into a life threatening situation, and
  - f) the most appropriate supply or level of service that can safely be provided. For hospital stays, this means that the acute care as an inpatient is necessary due to the kind of services the member is receiving or the severity of the member's condition, and that safe and adequate care cannot be received as an outpatient or in a less intensified medical setting.
- 2.9 "Medical Services" means the professional services provided by a Network Provider and covered by the State and Education Employees Health Insurance Plan.
- 2.10 "Members" means all persons covered by the Group Insurance Plans, including active, retired, or vested employees, survivors and others on approved leave or disability and their covered dependents eligible at the time of service.
- 2.11 "Network Ambulance Service" means a licensed Ambulance Service who has entered into this Contract with EGID to accept scheduled reimbursement for covered ambulance services provided to members.
- 2.12 "Prior Authorization" means a function performed by EGID, or its designee, to review for medical necessity in identified areas of practice as defined at 7.5 of this Contract, prior to services being rendered.
- 2.13 "Employees Health Insurance Plan" means the HealthChoice benefit plan designed to enhance the quality of care, and to financially incentivize members to use Network Providers.

- 2.14 "Third Party Payor" means an insurance company or other entity making payment directly to the provider on behalf of EGID.

### **III. RELATIONSHIP BETWEEN EGID AND THE AMBULANCE SERVICE**

- 3.1 EGID has negotiated and entered into this Contract with the Ambulance Service on behalf of the individuals who are members of the Employees Health Insurance Plan. The Ambulance Service is an independent contractor who has entered into this Contract to become a Network Provider and is not, nor is intended to be, the employee, agent or other legal representative of EGID in the performance of the provisions of this Contract. Nothing in this Contract shall be construed or be deemed to create a relationship contrary to that of independent contractor for the purposes of this Contract.
- 3.2 EGID and the Ambulance Service agree that all of the parties hereto shall respect and observe the provider/patient relationship that will be established and maintained by the Ambulance Service. The Ambulance Service may choose not to establish a provider/patient relationship if the Ambulance Service would have otherwise made the decision not to establish a provider/patient relationship had the patient not been a member. The Ambulance Service reserves the right to refuse to furnish services to a member in the same manner as he would any other patient.
- 3.3 Nothing in this Contract is intended to be construed, or be deemed to create any rights or remedies in any third party, including but not limited to, a member or a Network Provider other than the Ambulance Service named in this Contract.

### **IV. AMBULANCE SERVICES AND RESPONSIBILITIES**

- 4.1 The Ambulance Service agrees to provide quality health care in a cost efficient manner.
- 4.2 For the purpose of reimbursement, the Ambulance Service shall provide services to members that are medically necessary and covered under the Health Insurance Plan.
- 4.3 The Ambulance Service agrees to make reasonable effort to refer covered members to those Network Hospitals, with which EGID contracts, for medically necessary services that the Ambulance Service cannot or chooses not to provide. Failure of the Ambulance Service to use Network Providers will result in a review pursuant to the credentialing plan.
- 4.4 The Ambulance Service shall participate in the prior authorization procedures provided in Article VII and for purposes of reimbursement to abide by decisions resulting from those reviews subject to rights of reconsideration, review and appeal.
- 4.5 The Ambulance Service shall accurately complete the Network Facility Application that is attached to and made part of this Contract. The Ambulance Service shall notify EGID's Network Manager of any change in the information contained in the Application within 15 days of such change, including resolved litigation listed as "pending" on the original Application.
- 4.6 The Ambulance Service shall reimburse EGID for any overpayments made to the Ambulance Service within 30 days of the Ambulance Service's receipt of the overpayment notification.

4.7 The Ambulance Service shall submit to a patient record audit upon 48 hours advance notice.

## **V. EGID SERVICES AND RESPONSIBILITIES**

- 5.1 EGID agrees to pay the Ambulance Service compensation pursuant to the provisions of Article VI, subject to appropriate application of procedural coding recommendations.
- 5.2 EGID agrees to grant the Ambulance Service the status of "Network Provider" and to identify the Ambulance Service as a Network Provider on informational materials disseminated to members.
- 5.3 EGID agrees to continue listing the Ambulance Service as a Network Provider until this Contract terminates.
- 5.4 EGID agrees to periodically provide the Ambulance Service with a list of all Network Providers.
- 5.5 EGID agrees to provide appropriate identification cards for members.
- 5.6 EGID agrees to adhere to confidentiality of patient's records and to only release pertinent clinical information in accordance with state and federal guidelines.
- 5.7 EGID shall give a 48 hour notice prior to an audit.
- 5.8 EGID shall maintain a prior authorization program in order to aid its members in making decisions that will maximize medical benefits and reduce their financial risk.

## **VI. COMPENSATION AND BILLING**

- 6.1 The Ambulance Service shall seek payment only from EGID for the provision of medical services except as provided in paragraphs 6.3, 6.4, and 6.9. The payment from the Employees Health Insurance Plan shall be limited to the amounts referred to in paragraph 6.2.
- 6.2 EGID agrees to pay the Ambulance Service's billed charge for each procedure or the fee set by the EGID for that procedure, whichever is less.
  - a) EGID may reduce the payment by any deductibles, coinsurance and copayments.
  - b) EGID shall have the right to categorize what shall constitute a procedure. EGID and the member's financial liability shall be limited to the procedures allowable as determined by EGID, paid by applying appropriate coding methodology, whether the Ambulance Service has billed appropriately or not.
  - c) The Ambulance Service agrees not to charge more for medical services to members than the amount normally charged (excluding Medicare) by the Ambulance Service to other patients for similar services. The Ambulance Service may, however, contract with other third party payors for services. The Ambulance Service's usual and customary charges may be requested by the EGID and verified through an audit.

- 6.3 The Ambulance Service agrees that the only charges for which a member may be liable and be billed by the Ambulance Service shall be for medical services not covered by Employees Health Insurance Plan, or as provided in paragraphs 6.4 and 6.9. The Ambulance Service shall not waive any deductibles, copayments and coinsurance required by EGID, except during times of HELP/Wellness promotions, when the copayment/coinsurance is waived by EGID.
- 6.4 The Ambulance Service shall not collect amounts in excess of the Plan limits unless the member has exceeded his/her annual or lifetime maximum.
- 6.5 The Ambulance Service shall refund within 30 days of discovery to the member any overpayments made by the member.
- 6.6 In a case in which EGID is primary under applicable coordination of benefit rules, EGID shall pay the amounts due under this Contract. In a case in which EGID is other than primary under the coordination of benefit rules, EGID shall pay only those amounts not payable from other sources pursuant to the applicable coordination of benefit rules, up to EGID's maximum liability under the terms of this Contract.
- 6.7 The Ambulance Service shall bill EGID on forms acceptable to EGID within 60 days of providing the medical services. The Ambulance Service shall use the current CPT codes with appropriate modifiers, HCPCS codes and ICD diagnostic codes, when applicable. The Ambulance Service shall furnish, upon request at no cost, all information, including medical records, reasonably required by EGID to verify and substantiate the provision of ambulance services and the charges for such services if the member and the Ambulance Service are seeking reimbursement through EGID.
- 6.8 EGID shall reimburse the Ambulance Service within 30 days of receipt of billings that are accurate, complete and otherwise in accordance with Article VI of this Contract. EGID will not be responsible for delay of reimbursement due to circumstances beyond EGID's control.
- 6.9 The Ambulance Service shall not charge the member for ambulance services denied during prior authorization procedures described in Article VII, unless the Ambulance Service has obtained a written waiver from that member. Such a waiver shall be obtained only upon the denial of prior authorization and prior to the provision of those ambulance services. The waiver shall clearly state that the member shall be responsible for payment of ambulance services denied by EGID.
- 6.10 EGID shall have the right at all reasonable times and, to the extent permitted by law, to inspect and duplicate all medical and billing records relating to ambulance services rendered to covered members at no cost to EGID or the member.

## **VII. UTILIZATION REVIEW**

- 7.1 The Ambulance Service shall adhere to and cooperate with EGID's prior authorization procedures. These procedures do not guarantee a member's eligibility or that benefits are payable, but assure the Ambulance Service that the ambulance services to be provided are covered under the Plan.
- 7.2 Prior authorization requirements are intended to maximize insurance benefits assuring that hospital and medical services are provided to the member at the appropriate level of care.

- 7.3 EGID shall maintain review procedures and screening criteria that take into account professionally acceptable standards for quality medical care in the community. EGID or its designee shall consider all relevant information concerning the member before medical necessity is approved or denied.
- 7.4 Upon the member's request, EGID shall reconsider any non-approved services. The Ambulance Service may submit a formal written appeal to EGID.
- 7.5 The Ambulance Service shall request prior authorization from EGID or its designee for the following:
- a) basic ambulance transportation, and
  - b) medical transfer.

This section does not apply to urgent or emergency transportation.

## **VIII. LIABILITY AND INSURANCE**

- 8.1 Neither party to this Contract, EGID nor the Ambulance Service, nor any agent, employee or other representative of a party, shall be liable to third parties for any negligent act by commission or omission of the other party in performance of this Contract and the terms and provisions herein.
- 8.2 The Ambulance Service, at its sole expense, shall maintain a minimum of \$1,000,000 of insurance coverage for professional liability.

## **IX. MARKETING, ADVERTISING AND PUBLICITY**

- 9.1 EGID shall encourage its members to use the services of the Ambulance Service.
- 9.2 EGID shall have the right to use the name, office address, telephone number and specialty of the Ambulance Service for purposes of informing its members and prospective members of the identity of the Network Providers.

Nothing in this Article shall interfere with either party's rights under Article XI.

## **XI. TERM AND TERMINATION**
