**RE: Generations Healthcare HMO MAPD State of Oklahoma Group Participant (EHP)
Plan Creditable Prescription Drug Coverage**

Dear Ms. Baer:

In accordance with Medicare Part D regulations, employer groups that provide prescription drug coverage must disclose to the employer group health plan participants whether their prescription drug coverage is “creditable prescription drug coverage.”

Please accept this letter as Generations Healthcare HMO’s confirmation that the Generations Healthcare MAPD prescription drug coverage offered to the State of Oklahoma group participants that are Medicare eligible beneficiaries meets the definition of “creditable prescription drug coverage” as specified in 42 CFR §423.56(a).

Sincerely,

R. Scott Vaughn, CEO
Generations Healthcare HMO
