Summary of Benefits Plan Year 2011

January 1 through December 31, 2011

You should have already received a schedule of retiree Option Period meetings. If you plan to attend one of these meetings, please bring this Guide with you.

Enrollment Information

- ◆ Review your personalized information in the upper right-hand corner of your *Option Period Enrollment/Change Form*. This section lists your current coverage, which is the coverage you will have January 1, through December 31, 2011, if you do not make changes this Option Period. See *Plan Changes* on page 3. Your form is being mailed in a separate security envelope.

If you ARE NOT making changes:

- ◆ No further action is necessary. You do NOT need to return your *Option Period Enrollment/Change Form*. OSEEGIB will automatically carry your 2010 coverage over to 2011.
- ◆ You will **not** receive a *Confirmation Statement* from OSEEGIB. Keep your *Option Period Enrollment/Change Form* as proof of your insurance coverage.
- ◆ If you live in a long-term care facility, such as a skilled nurse facility or nursing home, do not allow your facility to enroll you in another Medicare Part D plan. Enrollment in another Part D plan will result in the termination of your Medicare Part D coverage through OSEEGIB and increase your monthly premium.

If you ARE making changes:

- ◆ Review the premium rates and plan changes for 2011.
- ◆ Use the following resources to help you decide on the right coverage:
 - This Guide
 - Plan Formularies
 - Plan Websites
 - Customer Service Telephone Numbers
 - Provider Directories
 - OSEEGIB Member Services
- ◆ Enroll in only one Part D plan at a time.
- ◆ Check the appropriate box(es) of your *Option Period Enrollment/Change Form* to make coverage changes.
- ◆ Complete the *Former Employee Dependent Enrollment Form*, if applicable. See *Eligible Dependents* on page 5.
- ◆ If you are enrolling in or changing to a different PDP or MA-PD plan, you must also complete and return a separate enrollment application for the plan you select. Contact the plan directly to request an enrollment application. See *Help Lines* on pages 57 and 58.
- ◆ Return your completed *Option Period Enrollment/Change Form* and *Former Employee Dependent Enrollment Form* to OSEEGIB by **December 7, 2010**.
- ◆ Review your *Confirmation Statement* when you receive it in the mail to verify your coverage is correct.
- ◆ If your *Confirmation Statement* is incorrect, contact OSEEGIB Member Services as soon as possible, so corrections can be made to your coverage.
- ◆ If you have questions or need more information, please contact OSEEGIB at 1-405-717-8780 or toll-free 1-800-752-9475. TDD users call 1-405-949-2281 or toll-free 1-866-447-0436.

Options for Medicare Members

You can:

- ◆ Add eligible dependents up to age 26 (only during this Option Period)
- ◆ Change health and/or dental plans that are already in place
- ◆ Drop benefits and/or dependents
- ◆ Decrease the amount of your life insurance coverage
- ◆ Enroll, disenroll, or change vision plans

Eligibility Requirements

To participate in the Medicare supplement plans described in this Option Period Guide, you must be:

- ◆ Entitled to benefits under Medicare Part A (Hospital) or enrolled in Medicare Part B (Medical).*
- ◆ Enrolled in only one Part D plan. If you have Part D coverage through another plan and wish to continue that coverage, you must select the HealthChoice High or Low Option Medicare Supplement Plan *Without* Part D. Enrolling in another Medicare supplement plan *With* Part D will end your current Part D coverage.

The Medicare supplement plans provide coverage throughout the United States. If you move out of the United States, you must notify your plan so that you can be disenrolled and find a new plan in your area.

To participate in the Medicare Advantage Prescription Drug (MA-PD) Plans described in this Option Period Guide:

- ◆ You must be a permanent resident of the MA-PD plan's service area. This service area is a federally qualified area in which the MA-PD provides services. Check the *MA-PD Plan Service Areas* on page 46 to make sure your county is in the MA-PD's service area. **Not all ZIP Codes in every county fall within the MA-PD Plan's Service Area.** If you are unsure, check with each MA-PD plan to verify your address is in its service area.
- ◆ You must be enrolled in both Medicare Part A (Hospital) and Part B (Medical) and continue to pay your monthly Medicare Part B premium. If you are already enrolled in a Medicare Managed Care Plan and have only Medicare Part B, you can stay with your current plan.

You are not eligible to enroll in an MA-PD plan if you have been diagnosed with End-Stage Renal Disease (ESRD). If you are currently enrolled in an MA-PD plan and develop ESRD or undergo a transplant, you can remain with your plan. Please contact each MA-PD plan directly for further information. See *Help Lines* pages 57 and 58.

*OSEEGB Rules state that all covered individuals who are eligible for Medicare, except current employees, must be enrolled in a Medicare plan offered through OSEEGB, regardless of age.

To maximize your benefits, you need to be enrolled in Part B. The HealthChoice Medicare supplement plans do not require you to be enrolled in Part B, but pay as though you are enrolled in Part B. All other Medicare supplement plans and MA-PD plans offered through OSEEGIB require you to have both Medicare Part A and Part B.

Eligible Dependents ***NEW***

Your children are now eligible up to age 26, whether married or unmarried. OSEEGIB is allowing a one-time opportunity during this Option Period for you to enroll eligible dependent children. The election to add a dependent child must be made prior to December 7, 2010. To enroll a dependent child, use the form located on page 60 of this Guide.

If one eligible dependent is covered, all eligible dependents must be covered; however, you can elect **not** to cover dependents who:

- ◆ Have other group coverage
- ◆ Do not reside with you
- ◆ Are married
- ◆ Are financially independent
- ◆ Are eligible for Indian or military health benefits

Eligible dependents include:

- ◆ Your legal spouse (including common-law).
- ◆ Your daughter, son, stepdaughter, stepson, eligible foster child, adopted child, or child legally placed with you for adoption up to age 26, whether married or unmarried.
- ◆ A dependent, regardless of age, who is incapable of self-support due to a disability that was diagnosed prior to age 26. Subject to medical review and approval.
- ◆ Other unmarried dependent children up to age 26. An *Application for Coverage for Other Dependent Children* must be completed and approved. Guardianship papers or a tax return showing dependency can be provided in lieu of the application.

Adding Eligible Dependents

Other than the opportunity you are allowed this Option Period, you can only add dependents if one of the following events occurs:

- ◆ A dependent loses other group coverage. Coverage must be added within 30 days of the date of the loss. You must provide OSEEGIB proof of your dependent's loss of coverage.
- ◆ You are granted custody, guardianship, or adopt a child under 26 years of age. Documentation must be provided.
- ◆ You marry. You have 30 days from the date of your marriage to add your new spouse and any new dependent child under 26 years of age. If you add new dependents to coverage, you must submit a copy of your marriage license or certificate to OSEEGIB.

Creditable Coverage Notice

Prescription drug coverage is called “creditable” if the value of the Part D coverage equals or exceeds the value of Medicare’s standard prescription drug plan. The Medicare supplement plans and MA-PD plans offered through OSEEGIB provide prescription drug coverage that is equal to, or better than, the standard benefits of Medicare’s prescription drug plan. The high option plans exceed the standards and the low option plans meet the standards set by the Centers for Medicare and Medicaid Services.

Medicare Premiums and Deductibles

As of the print date of this Guide, the amounts for Medicare premiums and deductibles for 2011 were not available. Use this Guide together with your 2011 *Medicare & You* handbook for more information and exact amounts. The Centers for Medicare and Medicaid Services will be mailing you a *Medicare & You* handbook in the near future.

Limiting Charge/Financial Responsibility

Under Medicare guidelines, the highest amount you can be charged for a covered service by doctors and other health care suppliers who don’t accept assignment is known as the limiting charge (15% over Medicare’s approved amount). The limiting charge applies only to certain services and not to supplies or equipment.

Confirming Coverage

- ◆ Plan changes made during Option Period will be reflected on the *Confirmation Statement* you will receive from OSEEGIB.
- ◆ Review your *Confirmation Statement* to make sure your coverage is correct. Contact OSEEGIB Member Services right away if your *Confirmation Statement* is incorrect, so corrections can be made as soon as possible.
- ◆ If you do not make any changes, you will not receive a *Confirmation Statement*. Keep your personalized *Option Period Enrollment/Change Form* as proof of your coverage.

COBRA Coverage

A dependent who becomes ineligible for coverage may be able to continue health, dental, and/or vision coverage under the federal COBRA law. Examples of qualifying events that allow dependents to continue coverage under COBRA include:

- ◆ A child reaching age 26
- ◆ Your death
- ◆ Divorce of a spouse

It is the policy of the Oklahoma State and Education Employees Group Insurance Board that for any benefit continued under COBRA, one person must always pay the primary member premium. In cases where a spouse, child, or children are insured under a particular benefit and the member did not keep coverage, one person will always be billed at the primary member rate

Extra Help Paying for Part D – Medicare Low Income Subsidy Information

You may be able to get extra help to pay for your prescription drug premiums and costs. This extra help, known as a low income subsidy, is offered through the Social Security Administration. If you are eligible, Medicare will help pay your drug costs including monthly prescription drug premiums, annual pharmacy deductibles, and prescription copays. Qualified participants are not subject to the Coverage Gap or Medicare's late enrollment penalty. For more information, contact the Social Security Administration or Medicare. See page 2 for contact information.

Extra Help – If You Are Already Qualified

If you are already qualified for the low income subsidy for Medicare Part D Prescription Drug costs, the amount of your monthly premiums and pharmacy costs will be less. Your plan may request a copy of your letter from Social Security confirming you are qualified for extra help. Once you have enrolled in a plan with Medicare Part D, Medicare or your plan will tell us how much assistance you will receive. We will then send you the amount you will pay.

Finding a Provider

To find a health, dental, or vision provider or to check the Network status of a provider, visit each plan's website or call its customer service number for assistance. See *How to Access Provider Networks* on pages 55 and 56 for directions on accessing each plan's online provider directory. See *Help Lines* on pages 57 and 58 of this Guide for customer services numbers.

Address Information

Medicare requires that you report changes in your home address to your plan.

If You Are Already Enrolled in a Plan With Part D Prescription Drug Coverage

Your Medicare Part D plan through OSEEGIB provides you with both health and pharmacy coverage. If you enroll in a Medicare Part D plan outside of OSEEGIB, Medicare must disenroll you from your current Medicare Part D plan (Medicare will allow only one Part D plan at a time). Since your Medicare Part D (pharmacy) benefits are packaged with your health benefits, disenrollment from your pharmacy benefits would ordinarily result in the loss of both pharmacy and health benefits. To guard against unintentional disenrollment in your health benefits and loss of any retirement contribution, OSEEGIB will change your coverage to the HealthChoice Medicare Supplement Plan *Without* Part D. Your coverage will be similar and

include prescription drug coverage, but not Medicare Part D benefits. The premium for this plan is higher since Medicare is not contributing a subsidy on your behalf. Once this occurs, you will have three choices:

1. If you do nothing, you will remain enrolled in both the prescription drug plan outside of OSEEGIB and the HealthChoice Medicare Supplement Plan *Without* Part D, which includes both a Medicare Supplement plan (health) and a non-Part D prescription drug plan. If you choose to continue your health benefits under the *Without* Part D plan, you must continue on the plan *Without* Part D benefits until the next annual Option Period and pay the higher premium associated with that plan.
2. Or, since you have other Part D (prescription) coverage, you may drop your health and prescription coverage through OSEEGIB and keep only your non-OSEEGIB Part D coverage. Please remember, if you drop your coverage through OSEEGIB, you cannot regain coverage through OSEEGIB in the future, and you will lose any premium contribution made by your retirement system.
3. Or, you can choose to drop your non-OSEEGIB Part D coverage, and enroll in one of the plans offered by OSEEGIB that include Part D coverage. This option is only available if your decision is made prior to the effective date of your non-OSEEGIB Part D coverage.

If You Currently Have Health Coverage Through Your Employer or Union

If you or your spouse have health coverage through an employer or union, joining one of the plans offered by OSEEGIB may change your current coverage. Please read the information sent to you by your employer or union. If you have questions, see your benefits administrator.

If you leave your plan and do not get other Medicare Part D coverage or other coverage that is as good as Medicare's (Creditable Coverage), in the future, you may have to pay Medicare's late enrollment penalty in addition to your premium for Part D prescription drug coverage.

Release of Information

HealthChoice uses and discloses your protected health information for your treatment, payment for services, and business operations. HealthChoice will also release your information, including your prescription drug event date, to Medicare, who may release it for research and other purposes which follow federal statutes and regulations.

HealthChoice Medicare Supplement Plans

Any charges for services or supplies which are not Medicare covered services or supplies or covered under the Plans, are your responsibility.

2011 Annual Notice of Change

Please read this HealthChoice Annual Notice of Change. This notice will give you a summary of how your benefits will change and what you will pay for services beginning January 1, 2011.

Contracting Statement for Medicare Part D

The Oklahoma State and Education Employees Group Insurance Board (OSEEGIB) contracts with the Centers for Medicare and Medicaid Services (CMS), a division of the federal government, to provide Part D coverage. The HealthChoice Employer PDP Medicare Supplement Plans With Part D are Medicare approved Part D plans. OSEEGIB's contract with CMS is renewed annually and is not guaranteed beyond the 2011 contract year. OSEEGIB has the right to refuse to renew its contract with CMS or CMS may refuse to renew its contract with OSEEGIB. Termination or non-renewal of the contract will result in the termination of your enrollment in a HealthChoice Employer PDP Medicare Supplement Plan With Part D.

Enrolling in a HealthChoice Medicare Supplement Plan With Part D

If you are enrolling in or changing your coverage to a HealthChoice Employer PDP Medicare Supplement Plan With Part D, you must complete and return the *Application for HealthChoice Employer PDP Medicare Supplement With Part D* to OSEEGIB along with your enrollment/change form. This application is available on the HealthChoice website at www.sib.ok.gov or www.healthchoiceok.com. First, go to *Members*, then click *Medicare Members*, and then scroll down to *Forms and Applications*. You can also request an application by contacting HealthChoice Member Services at 1-405-717-8780 or toll-free 1-800-752-9475. TDD users call 1-405-949-2281 or toll-free 1-866-447-0436.

HealthChoice Low Option Without Part D	\$292.50	\$306.38	\$13.88

Note: Premiums for the plans without Part D are higher because HealthChoice does not receive a subsidy from Medicare for members enrolled in these plans.

The Plans With Part D

The Plans with Part D benefits include Medicare Part D prescription drug coverage.

The Plans Without Part D

The Plans without Part D include pharmacy benefits, but they are not Medicare Part D plans. These plans have been specifically designed for members who:

- ◆ Already have Medicare Part D coverage through another plan or employer.
- ◆ Receive a subsidy for prescription drug benefits from their or their spouse's employer.
- ◆ Receive Veterans Administration health benefits for prescription drugs.

Health Benefit Changes

The health benefits provided by the HealthChoice Medicare Supplement Plans are designed to provide supplemental benefits to Medicare Part A and Part B. HealthChoice benefits will be adjusted effective January 1, 2011, to coincide with any changes made by Medicare.

Pharmacy Benefit Changes

- ◆ Medicare has approved the prescription drug benefits of the HealthChoice Medicare Supplement Plans With Part D.
- ◆ In accordance with CMS guidelines, the pharmacy initial coverage limit is changing to **\$2,840**.
- ◆ The \$2 million lifetime limit on pharmacy benefits has been eliminated.
- ◆ Effective January 1, 2011, HealthChoice will cover certain prescription tobacco cessation medications for a \$5 copay. Covered medications include:
 - Buproban 150mg SA Tabs
 - Bupropion HCL SR 150mg Tabs
 - Chantix 0.5mg and 1mg Tabs
 - Nicotrol 10mg Cartridge
 - Nicotrol NS 20mg/m Nasal Spray

Additionally, HealthChoice partners with the Tobacco Settlement Endowment Trust (TSET) and Free and Clear to provide members with over-the-counter nicotine replacement therapy products (patches, gum, and lozenges) and telephone coaching at no charge.

HealthChoice Medicare Formulary (List of Covered Drugs)

Enclosed with this Guide is a copy of the new HealthChoice Abridged Medicare Formulary that will be effective January 1, 2011. The list tells you which drugs are covered by HealthChoice. Medicare has reviewed and approved the covered drugs listed in this formulary.

Both brand-name and generic drugs are covered, and drugs are sorted into five tiers:

- ◆ Tier 1 – Generics
- ◆ Tier 2 – Preferred Brand
- ◆ Tier 3 – Non-Preferred Brand
- ◆ Tier 4 – Very high cost or specialty drugs
- ◆ Tier 5 – Tobacco cessation medications

The drugs in Tiers 1, 2, and 4 offer the lowest or Preferred copay, Tier 3 drugs have the highest copay, and Tier 5 drugs (tobacco cessation products) have a \$5 copay. Drugs not listed in the formulary are not covered.

During 2011, if HealthChoice makes any formulary changes that alter your drug's tier level or increase your cost, we will notify you 60 days before the change.

Please review this formulary carefully as there have been changes because of new generic alternative drugs that are now available. Some drugs have been added to the formulary and others have been removed. Also, some drugs have new limitations. To find out how your medications are covered or for a copy of the *HealthChoice Comprehensive Medicare Formulary*, please contact Medco toll-free at 1-800-758-3605 or toll-free TTY 1-800-871-7138, or go to the HealthChoice website at www.sib.ok.gov or www.healthchoiceok.com.

Enrollment Periods

There are three time periods when you may enroll in or disenroll from the HealthChoice Medicare Supplement Plans.

- ◆ **Initial Enrollment Period** – Initial Enrollment Period refers to the time period when you first become eligible for enrollment in a Part D plan. This seven month period begins three months prior to your month of eligibility and extends three months beyond your month of eligibility. Your coverage is effective the first of the month you become Medicare eligible, or the first of the month after HealthChoice receives your completed enrollment form, whichever is later.
- ◆ **The Annual Enrollment Period** – This year, the HealthChoice annual Option Period (Annual Enrollment Period) runs through December 7, 2010; however, your plan selection may be changed up until January 1, 2011, the effective date of your coverage. Once your enrollment is effective, you have exhausted your annual enrollment period and plan changes can not be made until the next annual Option Period.
- ◆ **Special Enrollment Periods** – Special Enrollment Periods are allowed under certain situations. Coverage is effective following the processing of your paperwork. Examples include:
 - You move outside the United States.
 - CMS or HealthChoice terminates the Plans' participation in the Part D Program.
 - You lose Creditable Coverage for reasons other than failure to pay premiums.
 - You meet other exception rules as set out by CMS.
 - For more information on Special Enrollment Periods, contact HealthChoice Member Services. See *Help Lines* on pages 57 and 58 of this Guide.

Grievance and Appeals Procedures

Under Medicare guidelines, HealthChoice uses a process to handle grievances and appeals regarding complaints about care or services related to your Part D prescription drug benefits. HealthChoice has similar processes in place for all other types of claims not related to Part D. Details are available on the HealthChoice website and in the member handbook.

Disenrollment - Voluntary

- ◆ You may voluntarily disenroll from a HealthChoice Medicare Supplement Plan only during a specified enrollment period.
- ◆ All disenrollments must be submitted in writing to OSEEGIB, and CMS will determine the effective date of the disenrollment.
- ◆ HealthChoice can deny a voluntary request for disenrollment if the request is made outside of an enrollment period.

NOTE: If you drop your coverage through OSEEGIB, you cannot regain coverage through OSEEGIB in the future.

Disenrollment - Involuntary

HealthChoice must disenroll you from the Plan if you:

- ◆ Move outside the United States.
- ◆ Lose entitlement to Medicare.
- ◆ Fail to pay premiums on time.
- ◆ Die.

HealthChoice Pharmacy Benefit Information

Pharmacy Prior Authorization

Prior authorization medications are medications that may be covered under the Plan if the prescribed use meets approved guidelines. Prior authorization requests must be submitted by your physician. Please note HealthChoice may have added or removed certain medications from the list of drugs that require prior authorization.

Quantities of Medications

Pharmacy benefits generally cover up to a 34-day supply or 100 units, whichever is greater, not to exceed the FDA approved 'usual' dosage for a 100-day supply. Specific therapeutic categories, medications, and/or dosage forms may have more restrictive quantity and/or duration of therapy limitations. Some medications have a maximum quantity limitation and/or the medication is not dispensed in a tablet or capsule form. Be aware that quantity limitations may have been added to or removed from some medications for 2011. Also, be aware that under certain circumstances, HealthChoice will make an exception to quantity limitations.

Transition Supply of Medication (Applies Only to Plans With Part D)

During transition to a HealthChoice Part D plan or transition to a formulary medication, you can be authorized to purchase a one-time supply of a non-covered medication. This transition supply, not to exceed a 34-day supply, is available to help you make a successful transition to a HealthChoice Medicare Formulary medication. This temporary supply will be provided, when necessary, prior to initiating or completing the coverage review process for a medication requiring prior authorization. Please note that under certain circumstances, this 34-day supply may be extended. For information on how to obtain a covered transition supply of medication, have your pharmacy contact Medco. See *Help Lines* on pages 57 and 58 of this Guide.

Network Pharmacy Access

You will always receive a greater benefit when you use a HealthChoice Network Pharmacy. The HealthChoice Pharmacy Network includes both local and national retail pharmacies. To check the Network status of your pharmacy, you can contact Medco customer service. Members with a Part D plan call toll-free 1-800-590-6828 or toll-free TDD 1-800-716-3231. Members without a Part D plan call toll-free 1-800-903-8113 or toll-free TDD 1-800-825-1230. You can also access the HealthChoice Pharmacy Directory online at www.sib.ok.gov or www.healthchoiceok.com.

Non-Network Pharmacy Access

Although HealthChoice will cover your prescriptions if they are obtained from a non-Network pharmacy, a reduced benefit will apply. An exception may be made for use of a non-Network pharmacy in the event of an emergency.

Once you have been billed the deductible for Medicare Part B covered services, your HealthChoice Medicare Supplement Plan deductible has been met for the calendar year.

As of the print date of this Guide, the amounts for Medicare premiums and deductibles for 2011 were not available. Please refer to your 2011 *Medicare & You* handbook for more information and exact amounts. The Centers for Medicare and Medicaid Services will mail you a *Medicare & You* handbook. If you are unsure, check with each MA-PD plan to verify your address is in its service area.

Plan Guidelines

- ◆ While the MA-PD plans market to the general public throughout the year, the options available to you are a result of your status as a former state, education, or local government employee or dependent. If you enroll in another MA-PD plan, such as one offered to the general public, you may lose your benefits through OSEEGIB as well as any retirement system contribution toward your insurance coverage.
- ◆ When you enroll with an MA-PD plan, that plan becomes your Medicare benefits administrator. Your MA-PD plan replaces Medicare and administers all your healthcare benefits.
- ◆ If you permanently move out of your plan's service area or are absent from the service area for more than six consecutive months, you must disenroll from your MA-PD plan and select another plan that provides coverage in your new area.

Primary Care Physician (PCP)

- ◆ When you join an MA-PD plan, you agree that the Primary Care Physician (PCP) you select will coordinate all your medical services. There are exceptions in cases of out-of-network emergency or urgent care.
- ◆ If you do not use your PCP for routine care, you will be financially responsible for any charges related to those services.
- ◆ You may change doctors for any reason as long as the physician you select participates in your MA-PD plan's provider network. To change your PCP, please contact the MA-PD plan's customer service. See *Help Lines* on pages 57 and 58 of this Guide. If your provider leaves your plan, you must select another provider within your plan's network.

You cannot change plans until the next annual Option Period.

Enrolling in an MA-PD Plan

- ◆ If you are interested in enrolling in one of the MA-PD plans, contact the plan directly. Be sure to indicate that you are with the State of Oklahoma account and an enrollment packet will be mailed to you. Follow the instructions enclosed in your packet and return your completed enrollment form directly to the MA-PD plan.
- ◆ You must also indicate your MA-PD plan selection on your *Option Period Enrollment/Change Form* and return it to OSEEGIB. If you are currently enrolled in an MA-PD plan and want to continue your coverage for the 2011 plan year, you do not have to return your form unless you want to make changes to other coverages or enroll in vision coverage. Please keep your personalized *Option Period Enrollment/Change Form* as proof of your coverage.

Confirming Enrollment

You will receive a letter from your MA-PD plan confirming your enrollment and effective date. Just before your effective date, you will receive your plan ID card and member handbook.

When a Covered Family Member is Not Yet Eligible for Medicare

All covered family members must enroll in the same plan. For example, if you are enrolled in the CommunityCare MA-PD plan, your pre-Medicare spouse or dependents must enroll in one of the CommunityCare HMO options. As the primary member, you must indicate that you have elected an MA-PD plan option and complete all the required information regarding your dependents on your *Option Period Enrollment/Change Form*.

Disenrolling or Transferring Plans

- ◆ If you are changing from one MA-PD plan to another, your new plan coverage will begin on January 1, 2011, and you will automatically be disenrolled from your previous plan.
- ◆ If you are changing from an MA-PD plan to a Medicare supplement plan, Medicare requires that you write to your former MA-PD plan to advise them of your disenrollment. You will receive a letter from your former plan advising you of the date your coverage ends. You must also complete and submit your *Option Period Enrollment/Change Form* to OSEEGIB indicating your change in plans.
- ◆ Failure to notify your current MA-PD plan of your disenrollment can result in additional expenses that will not be reimbursed by Medicare or your new plan.
- ◆ Failure to notify your plan and OSEEGIB in a timely manner can result in delayed or denied enrollment in your new plan and create problems receiving services.

Creditable Coverage Notice

The Medicare Advantage Plans offered through OSEEGIB qualify as Medicare Prescription Drug Plans (MA-PD plans). All MA-PD plans available through OSEEGIB offer Creditable Coverage. This means that if you elect a different Medicare plan the next year, you will not have a penalty.

Limiting Charge

Under Medicare guidelines, the highest amount you can be charged for a covered service by doctors and other health care suppliers who don't accept assignment is known as the limiting charge. The limiting charge is 15% over Medicare's approved amount. The limiting charge only applies to certain services and not to supplies or equipment.

Enrollment Periods

There are three time periods when you may enroll in or disenroll from an MA-PD plan.

- ◆ **The Initial Enrollment Period** – The Initial Enrollment Period refers to the time period when you first become eligible for enrollment. This seven-month period begins three months prior to your month of eligibility and extends three months beyond your month of eligibility. Your coverage is effective the first of the month in which you become Medicare eligible, or the first of the month following your election, whichever is later.
- ◆ **The Annual Enrollment Period** – This year, the annual Option Period (Annual Enrollment Period) runs through December 7, 2010; however, your plan selection may be changed up until January 1, 2011, the effective date of coverage. Once the enrollment becomes effective, you have exhausted your annual enrollment period and no plan changes can be made until the next annual Option Period.
- ◆ **Special Enrollment Periods** – Special Enrollment Periods may be allowed under certain situations. Your coverage is effective following the processing of your paperwork.

Extra Help Paying For Part D (Medicare Low Income Subsidy Information)

If you have limited income and resources, you may be able to get help paying your monthly premiums, deductibles, and copays. This extra help, known as a low income subsidy, is offered through the Social Security Administration. If you are interested in applying for the Medicare Part D subsidy, you can apply online or contact the Social Security Administration office. See page 2 for contact information.

Grievance and Appeals Procedures

Under Medicare guidelines, each plan has a process in place to handle grievances and appeals regarding member complaints. Contact each plan for details regarding its procedures.

FORMER EMPLOYEE DEPENDENT ENROLLMENT FORM**

The Patient Protection and Affordable Care Act was signed into law on March 23, 2010. This act requires plans that provide dependent coverage to continue to make coverage available until an adult child (married or unmarried) turns 26.

OSEEGIB is allowing a one-time opportunity for you to enroll eligible dependent children. This Option Period you may add a dependent child up to age 26 to your coverage. If you decide to add a dependent, that coverage will become effective January 1, 2011.

To add a dependent child (or children) to your coverage, complete and return this form with your 2011 Option Period Form by December 7, 2010. Your child can be added only to a benefit that you already carry.
