
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [www.healthchoiceok.com](http://www.healthchoiceok.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.healthchoiceok.com](http://www.healthchoiceok.com) or call 1-800-752-9475 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$750 person/\$2,000 family. Does not apply to <a href="#">preventive care</a> and pharmacy.	You must pay all the costs up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for covered services you use. Check your policy or <a href="#">plan</a> document to see when the <a href="#">deductible</a> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Preventive Services are covered at 100% of allowed charges.	\$0 <a href="#">copayment</a> for two preventive services office visits per calendar year for members and dependents ages 18 and older one mammogram per year at no charge for women ages 40 and older. No <a href="#">deductible</a> for well child care visit. <a href="https://www.ok.gov/sib/Preventive_Services.html">https://www.ok.gov/sib/Preventive_Services.html</a>
Are there other <a href="#">deductibles</a> for specific services?	Yes. \$100 person/\$300 family for prescription drug coverage. There are no other specific <a href="#">deductibles</a> .	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services. See the chart starting on page 2 for other costs for services this <a href="#">plan</a> covers.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	For <a href="#">Network Providers</a> \$3,300 person/\$8,400 family; For <a href="#">non-Network providers</a> \$3,800 person/\$9,900 family. For <a href="#">Network pharmacy</a> \$2,500 person/\$4,000 family	The <a href="#">out-of-pocket limit</a> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you <a href="#">plan</a> for health care expenses.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billed charges, health care this <a href="#">plan</a> doesn't cover, amounts above maximum benefit limitations.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes.	If you use a <a href="#">Network</a> doctor or other health care <a href="#">provider</a> , this <a href="#">plan</a> will pay some or all of the costs of covered services. Be aware, your <a href="#">in-network</a> doctor or hospital may use an <a href="#">out-of-network provider</a> for some services. <a href="#">Plans</a> use the term <a href="#">in-network</a> , preferred, or participating for <a href="#">providers</a> in their <a href="#">Network</a> . See the chart starting on page 2 for how this <a href="#">plan</a> pays different kinds of <a href="#">providers</a>
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without permission from this <a href="#">plan</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
