Oklahoma State Board of Licensed Social Worker’s (OSBLSW) policy on
Background Checks:

Effective November 1, 2011, and in accordance with HB 1715, the OSBLSW will require social work licensure applicants to submit to sex offender, violent offender and national criminal history checks.

Please note that by submitting to this background check, you are submitting to both a State (Oklahoma) and Federal background check. Any finding noted on the criminal history check may result in the applicant making a personal appearance before the Board of Directors to offer an explanation of the finding that was not disclosed on the application for social work licensure.

Applicants submitting to the criminal history background check are entitled to obtain a copy of their record. Applicants may visit the Oklahoma State Board of Licensed Social workers at 3700 N. Classen Blvd., STE 162 Oklahoma City, OK. 73118. Upon presenting the appropriate identification, the Social Work Board will provide copies of record to the applicant.

The FBI will retain your fingerprints and associated information/biometrics and, while retained, your fingerprints will continue to be compared against other fingerprints submitted to or retained by the FBI.

Please note that applicants may challenge the accuracy of information contained in the criminal history background check as per the following Code of Federal Regulation.

Title 28, C.F.R., §16.34, 16.34 - Procedure to obtain change, correction or updating of identification records.

If, after reviewing his/her identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, corrections or updating of the alleged deficiency, he/she should make application directly to the agency which contributed the questioned information. The subject of a record may also direct his/her challenge as to the accuracy or completeness of any entry on his/her record to the FBI, Criminal Justice Information Services (CJIS) Division, ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306. The FBI will then forward the challenge to the agency which submitted the data requesting that agency to verify or correct the challenged entry. Upon the receipt of an official communication directly from the agency which contributed the original information, the FBI CJIS Division will make any

changes necessary in accordance with the information supplied by that agency.

The OSBLSW does not maintain a permanent record of the background check finding. Copies of the background check findings are available only so long as they are maintained via the Oklahoma State Bureau of Investigation secure portal (up to 30 days). Applicants who wish to receive a copy of their finding may do so by visiting the OSBLSW and providing appropriate verification (government issued ID). If the background check process was completed over 30 days prior to the request, the OSBLSW will not be able to provide the applicant with a copy of the finding.

Application of Policy

This policy applies to all social workers making application after 11-1-2011, including new applicants, and applicants who were previously licensed and seeking reinstatement of their license, and applicants requesting to make application in Oklahoma from another state based on reciprocity.

B. Appeals

Individuals with findings subject to section (A. 2.) will be requested to appear before the Board to provide additional information about their criminal history should they wish to continue with the application process.
