EXCISE TAX

An excise tax of three and one-fourth (3 1/4%) of the purchase price is levied on each aircraft that is to be registered with the Federal Aviation Administration upon the transfer of legal ownership of any such aircraft or use of any such aircraft with this state. The excise tax is due at the time of the transfer of legal ownership or first registration in Oklahoma.

Mandatory inclusion of Social Security and/or Federal Employer's Identification numbers is required on forms filed within the Oklahoma Tax Commission pursuant to Title 68 of the Oklahoma Statutes and regulations thereunder, for identification purposes, and are deemed part of the confidential files and records of the Oklahoma Tax Commission.

The Oklahoma Tax Commission is not required to give actual notice of changes in any state law.

Antique Aircraft must meet one of the following requirements:

- 1) A small U.S. registered aircraft (12,500 lbs. or less) built at least 30 years ago or a U.S. registered aircraft for which an experimental certificate has been issued.
- 2) Operated for the purpose of exhibition, including a motion picture or television production, or an airshow.
- 3) Except for practice and test flights necessary for exhibition purposes, it is operated only at the location of the exhibition, between the exhibition locations, and between those locations and the base of operations of the aircraft.

Qualified antique aircrafts have an annual registration fee of \$10.00. Antique aircraft are not exempt from excise tax.
