To qualify for a direct payment permit, valid for three (3) years, an applicant must meet the requirements set forth in paragraphs A, B or C outlined as follows:

- A. Established business: Must have verifiable annual purchases from applicant's sales and use tax records of \$800,000.00 in annual taxable purchases. *OAC 710:65-9-10.*
- B. New or expanding business: Without a qualifying sales and use tax reporting history in Oklahoma, applicant must submit a sworn statement, signed by an officer or other person authorized to bind the applicant, stating that "applicant shall purchase \$800,000.00 of taxable items and services annually for use in its Oklahoma enterprises and not for resale." Adequate records or documentation must be available to support the statement of projected purchases. Both the sworn statement and documentation must be attached with the application. *OAC 710:65-9-10.*

Making purchases of drugs for treatment of human beings, medical appliances, medical devices and other medical equipment including but not limited to corrective eyeglasses, contact lenses, hearing aids, prosthetic devices, durable medical equipment, and mobility-enhancing equipment for administration or distribution by a practitioner, as defined in 68 O.S. § 1357.6(B), who is authorized by law to administer or distribute the referenced items and the cost of such item will be reimbursed under the Medicare or Medicaid programs.
- D. Tax compliance. Applicant must be in compliance with all tax laws of the State of Oklahoma and rules of the Commission.
- E. Attach a description of the accounting method used to differentiate between:

- H. Acknowledge that the discount allowed by Section 1367.1 of Title 68 is waived on all purchases which are taxable to the applicant.
- I. The applicant must agree to give a resale certificate, rather than a direct pay permit, for any item that will be resold as provided by the Sales and Use Tax Codes.
