Oklahoma Annual Franchise Tax Return Information

• Requirement for Filing Return

Every corporation organized under the laws of this state, or qualified to do or doing business in Oklahoma in a corporate or organized capacity by virtue or creation of organization under the laws of this state or any other state, territory, district, or a foreign country, including associations, joint stock companies and business trusts as defined by Oklahoma statutes unless exempt by statutes must file an Annual Franchise Tax Return Form 200.

The term “doing business” means and includes every act, power, or privilege exercised or enjoyed in this state as an incident to do or by virtue of powers and privileges acquired by the nature of all organizations falling within the purview of the Franchise Tax Code.

All Foreign (non-Oklahoma) Corporations including non-profits, must pay an Annual Registered Agent Fee of \$100.00. Indicate this amount on Line 13 of the Form 200.

The maximum annual franchise tax is \$20,000.00. Maximum filers should complete and file Form 200 including a schedule of current corporate officers and balance sheet.

If a taxpayer computes the franchise tax due and determines that it amounts to \$250.00 or less, the taxpayer is exempt from the tax and a “no tax due” Form 200 is required to be filed. A schedule of corporate officers must still be filed and, for foreign corporations, the \$100.00 registered agents fee is still due.

Applications for refunds must include copies of related Oklahoma Income Tax Returns. The use of the correct corporate name and FEIN on your return and all correspondence will facilitate in timely processing and handling.

• Time for Filing and Payment Information

Oklahoma Franchise Tax is due and payable July 1st of each year unless a *Franchise Election Form* (Form 200-F) has been filed. The report and tax will be delinquent if not paid on or before September 15. A ten percent (10%) penalty and one and one-fourth percent (1.25%) interest per month is due on payments made after the due date.

NOTE: Effective November 1, 2017, corporations who remit the maximum amount of \$20,000.00 in the preceding tax year, the tax will be due and payable on May 1st of each year and delinquent if not paid on or before June 1st. These corporations are not eligible to file Form 200-F.

If the Charter or other instrument is suspended, a fee of \$150.00 is required for reinstatement. (Line 16 of Form 200.)

If you wish to make an election to change your filing frequency, or to file using the Oklahoma Corporate Income Tax Form 512 or 512-S, complete OTC Form 200-F: *Franchise Election Form*. You may file this form online or download it at tax.ok.gov. Form 200-F must be filed no later than July 1.

• Franchise Tax Computation

The basis for computing Oklahoma Franchise Tax is the balance sheet as shown by your books of account at the close of the last preceding income tax accounting year, or electing to change filing to match the due date of the corporate income tax, the balance sheet for that corporate tax year.

The franchise tax for corporations doing business both within and outside of Oklahoma, is computed on the proportion to which property owned, or property owned and business done, within Oklahoma, bears to total property owned, or total property owned and total business done everywhere.

“Property owned” is the book value of the assets. For the purpose of determining apportionment as between Oklahoma and elsewhere, liabilities are not to be deducted from gross assets.

The term “business done” means and includes the engaging in any activity or the performing of any act or acts in this state that constitutes the doing or transacting of business. Business done in Oklahoma includes sales shipped from Oklahoma to another state in which the corporation is not doing business.

Inter-company Payable and Receivables between parent, subsidiary and/or affiliates, are to be eliminated from the calculations necessary to determine the amount of franchise tax due.

Oklahoma franchise (excise) tax is levied and assessed at the rate of \$1.25 per \$1,000.00 or fraction thereof on the amount of capital allocated or employed in Oklahoma.

• Online Filing

Oklahoma Taxpayer Access Point (OkTAP) makes it easy to file and pay. Visit us at tax.ok.gov to file your Franchise Tax Return, Officer Listings, Balance Sheets and Franchise Election Form (Form 200-F).

First Step...**Complete Balance Sheet and Schedules B, C & D**

(Must be returned with annual return)

- Line 1 (through 3) Cash, notes, accounts receivable, and inventories are to be reported at book value.

In the case of a definite term franchise, the cost thereof may be amortized over its life. Goodwill is an asset and should be shown at book value. All intangibles including cash, are to be apportioned wholly to Oklahoma unless a commercial or business location for the intangibles has been established elsewhere.
- Line 14 Life insurance, where the reporting taxpayer is beneficiary, is to be shown at cash surrender value.
- Line 15 Total net amount of lines 6 through 14.
- Line 18 Total lines 15,16, and 17.

- Line 21 Current liability includes indebtedness payable in three (3) years or less after issuance.
- Line 26 Stockholder loans must be repaid within three years of creation to be considered a current liability. Contingent assets or liabilities should not be included unless fully explained and the condition under which they become actual is clearly set forth.

(Continued top of right column)

Lines 1 through 11 (except 9) are derived from your balance sheet.
Please put the date of the balance sheet in box J.

Line 9 (Percent of Oklahoma Assets)

Select which option you will use to determine the apportionment of Oklahoma assets.

Option 1: Percent of Oklahoma assets and business done to total assets and business done. (line 6 divided by line 8). Round to six decimal points.

Option 2: Percent of Oklahoma assets to total net assets (line 1 divided by line 2). Round to six decimal points.

Line 12 (Tax)

Compute tax at \$1.25 per \$1,000.00 of capital. (Either line 4 or line 11) If tax is more than \$20,000.00 enter \$20,000.00 on line 12. If your return is due July 1, 2014 or later, you are exempt from paying tax if your tax liability is \$250.00 or less, however, a return must still be filed.

Line 13 (Registered Agent Fee)

If the corporation originated in a state other than Oklahoma, the Oklahoma Secretary of State charges an annual registered agent fee of \$100.00 and is collected on the franchise tax return. Non-profit corporations originating in another state will be sent Form 200-N "Foreign Not-For-Profit Corporation Annual Franchise Tax Return".

Line 14 (Interest)

If this return is postmarked after the due date the tax is subject to 1.25% interest per month from the due date until it is paid. Multiply the amount in Line 12 by .0125 for each month the report is late.

Line 15 (Penalty)

Tax not paid by the original due date is subject to a penalty of 10%. Multiply the amount in Line 12 by .10 to determine the penalty.

Line 16 (Reinstatement Fee)

If your corporate charter has been suspended, you must meet all outstanding filing and payment obligations in order to be reinstated. Effective July 1, 2017, a \$150.00 reinstatement fee is also required. Only one reinstatement fee is required even if multiple past due returns are being filed.

- If filing an amended return, enter any franchise tax paid with the original return and amounts paid after it was filed.

Line 18 (Total Due)

Third Step...**Schedule A Officer Information**
