BEFORE YOU BEGIN

You must complete your Federal income tax return before you begin your Oklahoma income tax return. You will use the information entered on your Federal return to complete your Oklahoma return.

Remember, when completing your Oklahoma return, round all amounts to the nearest dollar.

Example:

DETERMINING YOUR FILING REQUIREMENT...

RESIDENCE DEFINED

RESIDENT...

An Oklahoma resident is a person domiciled in this state for the entire tax year. "Domicile" is the place established as a person's true, fixed, and permanent home. It is the place you intend to return to whenever you are away (as on vacation abroad, business assignment, education leave or military assignment). A domicile, once established, remains until a new one is adopted.

PART-YEAR RESIDENT...

A part-year resident is an individual whose domicile was in Oklahoma for a period of less than 12 months during the tax year.

NONRESIDENT...

A nonresident is an individual whose domicile was not in Oklahoma for any portion of the tax year.

MEMBERS OF THE ARMED FORCES...

Residency is established according to military domicile as established by the Soldiers' and Sailors' Civil Relief Act.

If you were an Oklahoma resident at the time you entered military service, assignment to duty outside Oklahoma does not of itself change your state of residence. You must file your return as a resident of Oklahoma until such time as you establish a permanent residence in another state and change your military records (as evidenced by the military's Form DD2058). See the specific instructions for Schedule 511-C, line 1 - Partial Military Pay Exclusion.

When the spouse of a military member is a civilian, most states, Oklahoma included, allow the spouse to retain the same legal residency as the military member. They file a joint resident tax return in the military members' State of Legal Residency (if required) and are taxed jointly under nonresident rules as they move from state to state. If the non-military spouse does not wish to choose the allowed residency of the military member, then the same residency rules apply as would apply to any other civilian. The spouse would then comply with all residency rules where living.

An Oklahoma resident filing a joint Federal return with a nonresident spouse may have options on how to file the Oklahoma return(s). See "Filing Status" in the "Top of Form" instructions on page 7 for further information.

WHAT IS "RESIDENT INCOME?"

An Oklahoma resident individual is taxed on all income reported on the Federal return, except income from real and tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state.

Note: Residents are taxed on all income from non-business interest and dividends, salaries, commissions and other pay for personal services regardless of where earned. Wages earned outside of Oklahoma must be included in your Oklahoma return, and credit for taxes paid other states claimed on Oklahoma Form 511TX. (See Form 511, line 21)

WHO MUST FILE?

RESIDENT...

Every Oklahoma resident who has sufficient gross income to require them to file a Federal income tax return is required to file an Oklahoma return, regardless of the source of income.

If you do not have a filing requirement, but have Oklahoma tax withheld, made estimated tax payments, qualify for the Tornado Tax Credit, or claim earned income credit, see the next section "Not Required to File" for further instructions. If you are uncertain about your filing requirement, please see the charts on page 3.

PART-YEAR RESIDENT...

Every part-year resident, during the period of residency, has the same filing requirements as a resident. During the period of nonresidency, an Oklahoma return is also required if the Oklahoma part-year resident has gross income from Oklahoma sources of \$1,000 or more. Use Form 511NR.

NONRESIDENT...

Every nonresident with gross income from Oklahoma sources of \$1,000 or more is required to file an Oklahoma income tax return. Use Form 511NR.

Credit Card Payments Accepted for Income Tax Payments

You can pay the balance due on your individual income tax by credit card. Payments can be made for tax year 2004 and all years prior. Estimated income tax payments may also be made by credit card. Payments can be made one of two ways:

1 You can log on to our website at www.tax.ok.gov. Click on the "Payment Options" link and pay your balance due online.

2 Or, you can pay your balance due over the phone by calling the toll free number **1-800-2PAY-TAX** (1-800-272-9829).

(Note: If you live outside of Oklahoma, you will need to enter the jurisdiction code "4600" to use this service via telephone.)

Please keep in mind that there is a convenience fee of 2.5% for utilizing this service and is based on the amount of the charged balance due. For more information regarding this service, please visit our website at www.tax.ok.gov or call our Taxpayer Assistance Office at (405) 521-3160.

NOT REQUIRED TO FILE...

STEP ONE

Did you have sufficient gross income to require you to file a Federal return?

Yes - You are required to file an Oklahoma return. Follow the instructions on pages 6-18 to help you complete your Oklahoma return (Form 511).

No - Go to step 2.

STEP TWO

Did you have any Oklahoma withholding, make Oklahoma estimated tax payments, qualify for the Tornado Tax Credit, or claim earned income credit?

Yes - Go to step 3.

No - You are not required to file an Oklahoma return (Form 511). You may still qualify to file for sales tax relief, see the instructions on the back of Form 538-S.

STEP THREE

You should file an Oklahoma tax return. Complete the Form 511 as follows:

- Fill out the top portion of the Form 511 according to the "Top of Form Instructions" on pages 6 and 7. Be sure and check the box "Not Required to File".
- Complete line 1. Enter the amount of your gross income subject to the Federal filing requirement. In most cases this will be the same as your Federal Adjusted Gross Income. (Do not complete lines 2 - 24)
- Complete lines 25 through 44 that are applicable to you. If you qualify for the Federal earned income credit, you qualify for the Oklahoma earned income credit. Enter 5% of the Federal earned income credit on Form 511, line 33 (do not complete Schedule 511-G).
- Sign and mail Form 511, pages 1 and 2 only. Do not mail pages 3 and 4. Only send in page 5 if you have completed Schedule H. Be sure and include your W-2, 1099 or other withholding statement to substantiate any Oklahoma withholding.

ESTIMATED INCOME TAX...

You must make equal* quarterly estimated tax payments if you can reasonably expect your tax liability to exceed your withholding by \$500 or more **and** you expect your withholding to be less than the smaller of:

1. 70% of your current year's tax liability, or
2. The tax liability shown on your return for the preceding taxable year of 12 months.

Taxpayers who fail to make timely estimated tax payments may be subject to interest on underpayment. Form OW-8-ES, for filing estimated tax payments, will be supplied on request. If at least 66-2/3% of your gross income for this year or last year is from farming, estimated payments are not required. If claiming this exception, please see instructions for line 28.

* For purposes of determining the amount of tax due on any of the respective dates, taxpayers may compute the tax by placing taxable income on an annualized basis. See Form OW-8-ES-SUP.

NET OPERATING LOSS...

The loss year return must be filed to establish the Oklahoma Net Operation Loss (NOL). Oklahoma NOL shall be separately determined by reference to Section 172 of the Internal Revenue Code as modified by the Oklahoma Income Tax Act and shall be allowed without regard to the existence of a Federal NOL. Enclose a detailed schedule showing the origin and NOL computation. Residents use Oklahoma 511 NOL Schedules. Also enclose a copy of the Federal NOL computation.

Beginning with tax year 2001, NOLs may be carried forward and back in accordance with Section 172 of the Internal Revenue Code. For tax years 1996-2000, NOLs may not be carried back but may be carried forward for a period of time not to exceed 15 years.

Beginning with tax year 2000, an NOL resulting from a farming loss may be carried back in accordance with and to the extent of Section 172(b)(G) of the Internal Revenue Code. However, the amount of the NOL carryback shall not exceed the lesser of: \$60,000.00, or the loss properly shown on the Federal Schedule F reduced by half of the income from all other sources other than reflected on Schedule F. You can choose to treat the NOL as if it were not a farming loss. If you make this choice, the carryback period will be determined by reference to Section 172 of the Internal Revenue Code and the amount of the NOL carryback will not be limited.

An election may be made to forego the carryback period. A written statement of the election must be part of the original timely filed Oklahoma loss year return. However, if you filed your return on time without making the election, you may still make the election on an amended return filed within six months of the due date of the return (excluding extensions). Attach the election to the amended return. Once made, the election is irrevocable.

The Oklahoma NOL(s) shall be subtracted on Schedule 511-A, line 7 or Form 511X, line 2.

The Federal NOL(s) shall be added on Schedule 511-B, line 4 or Form 511X, line 6.

ALL ABOUT REFUNDS...

You can check the status of your refund by telephone. Simply call us at (405) 521-3160 or in-state toll free at (800) 522-8165, and select the option to "Check the Status of an Income Tax Refund". By providing your SSN and amount of your refund, the system will provide you with the status of your refund. Should you have questions during your call, you will have the option to speak with an OTC representative.

You may also have your refund deposited directly into your checking or savings account. See page 13.

A refund check is not your only option when filing a timely return. You may choose to have any amount of overpayment applied to your next year's estimated tax. Refunds applied to the following year's Oklahoma estimated income tax (at the taxpayer's request) may not be adjusted after the original due date of the return.

WHAT IS AN "EXTENSION?"

A valid extension of time in which to file your Federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the Federal extension must be enclosed with your Oklahoma return. If your Federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504. **90% of the tax liability must be paid by the original due date of the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.**

Note: *The due date of Form 538-S cannot be extended.*

WHEN TO FILE AN AMENDED RETURN

If your Federal return for any year is changed, an amended Oklahoma return shall be filed within one year. Request and file **Form 511X** and enclose a copy of the Federal Form 1040X, 1045, RAR or other IRS documentation. Part-year and nonresidents shall use Form 511NR. Please enclose a copy of the IRS refund or statement of adjustment.

If you discover you have made an error on your Oklahoma return, we may be able to help you correct the return. For additional information, please call our Taxpayer Assistance Division at (405) 521-3160. Within Oklahoma, call toll-free (800) 522-8165.

TOP OF FORM INSTRUCTIONS

D

FILING STATUS

The filing status for Oklahoma purposes is the same as on the Federal income tax return, with one exception. This exception applies to married taxpayers who file a joint Federal return where one spouse is a full-year Oklahoma resident (either civilian or military), and the other is a full-year nonresident civilian (non-military). In this case, the taxpayers must either:

1. File as Oklahoma married filing separate. The Oklahoma resident, filing a joint Federal return with a nonresident civilian spouse, may file his/her Oklahoma return as married filing separate. The resident will file on Form 511 using the married filing separate rates and reporting only his/her income and deductions. If the nonresident civilian also has an Oklahoma filing requirement, he/she will file on Form 511NR, using married filing separate rates and reporting his/her income and deductions. Form 574 "Allocation of Income and Deductions" must be filed with the return(s). You can obtain this form by calling our forms request line at (405) 521-3108 or from our website at www.oktax.state.ok.us.

-OR-

2. File, as if both the resident and the nonresident civilian were Oklahoma residents, on Form 511. Use the "married filing joint" filing status, and report all income. A tax credit (Form 511TX) may be used to claim credit for taxes paid to another state, if applicable. A statement should be attached to the return stating the nonresident is filing as a resident for tax purposes only.

If an Oklahoma resident (either civilian or military) files a joint Federal return with a nonresident **military** spouse, they shall use the same filing status as on the Federal return. If they file a joint Federal return, they shall complete Form 511NR and include in the Oklahoma amount column, all Oklahoma source income of both the resident and the nonresident.

E

SIXTY-FIVE OR OVER

Check the box(es) if your or your spouse's age is 65 on or before December 31, 2005. If you turned age 65 on January 1, 2006, you are considered to be age 65 at the end of 2005.

F

NOT REQUIRED TO FILE

Check the box, if you do not have sufficient gross income to require you to file a Federal return, and you had Oklahoma tax withheld, made estimated tax payments or qualify for Oklahoma earned income credit or Tornado Tax credit.

Finish the top portion of the return by completing the "exemptions" section (part G on the diagram on page 6).

Complete line 1. Enter the amount of your gross income subject to the Federal filing requirement. In most cases this will be the same as your Federal Adjusted Gross Income. (Do not complete lines 2 - 24)

Complete lines 25 through 44 that are applicable to you.

If you qualify for the Federal earned income credit, you qualify for the Oklahoma earned income credit. Enter 5% of the Federal earned income credit on Form 511, line 33 (do not complete schedule 511-G).

F

NOT REQUIRED TO FILE, CONTINUED

Sign and mail the return. Be sure to include your W-2, 1099 or other withholding statement to substantiate any Oklahoma withholding.

Note: If you do not have sufficient gross income to require you to file a Federal return, and you did not have Oklahoma tax withheld, made estimated tax payments or qualify for Oklahoma earned income credit or Tornado Tax credit, do not file an Oklahoma return.

G

EXEMPTIONS

- (3) Married filing separate return with line 1 equal to \$12,500 or less.

NO MORE PAPER FORMS

If you use a paid preparer or prepare your return with computer software, please check this box and we will not mail you a packet next year. Forms are available on our website and include fill-in options on the most common forms.

25 Oklahoma Use Tax

Every state with a sales tax has a companion tax for purchases made outside the state. In Oklahoma, that tax is called "use tax". If you have purchased items for use in Oklahoma from retailers who do not collect Oklahoma sales tax, you owe Oklahoma use tax on those items. Use tax is paid by the buyer when the Oklahoma sales tax has not been collected by the seller. Individuals in Oklahoma are responsible for paying use tax on their out-of-state purchases.

Use tax in Oklahoma is not a new tax. It was first enacted in 1937. Inclusion of use tax on the income tax return is being done to help increase awareness of and compliance with use tax.

When purchased from an out-of-state retailer, whether by mail order, catalog, television shopping networks, radio, Internet, phone or in person, all items that would be subject to sales tax if purchased in Oklahoma are subject to use tax. Items that are subject to sales tax include books, compact discs, computer equipment, computer software, electronics, clothing, appliances, furniture and other home furnishings, sporting goods and jewelry. When an out-of-state retailer does not collect Oklahoma sales tax, the responsibility of paying the tax falls on the purchaser.

Use tax is calculated at the same rate as sales tax; which varies by city and county. The state sales tax rate is 4.5% (.045) plus the applicable city and/or county

rates. If you do not know the exact amount of Oklahoma use tax that you owe based on your city and county sales tax rate, you can either:

1. Use the tax table on page 11 or multiply your Adjusted Gross Income from line 1 by 0.056% (.00056), **or**
2. Use one of the worksheets below to calculate your Oklahoma use tax. Complete Worksheet One if you kept records of all of your out-of-state purchases. Complete Worksheet Two if you did not keep records of all of your out-of-state purchases.

Worksheet Two has two parts; the first part is a calculation of the amount due on items that cost less than \$1,000 each and the second part is a calculation of the amount due on items that cost \$1,000 or more each. The first calculation is based on a Use Tax Table that reflects the estimated amount of use tax due by taxpayers with varying amounts of Federal Adjusted Gross Income. The estimated amount is 0.056% (.00056) of Federal adjusted gross income. If you believe that estimate from the table is too high for your out-of-state purchases, you may estimate what you think you owe.

If you paid another state's sales or use tax on any purchase, that amount may be credited against the Oklahoma use tax due on that purchase.

Note: Your use tax worksheets may be reviewed. If it is determined that you owe more use tax than what is shown on your return, you may be subject to an assessment for the additional use tax.

USE TAX WORKSHEET ONE For Taxpayers Who Have Records of All Out-of-State Purchases

1	Enter the total amount of out-of-state purchases for 1/1/05 through 12/31/05	1	
2	Multiply line 1 by 7% (.07) or your local rate* and enter the amount	2	
3	Enter the tax paid to another state on the purchases. This amount may not exceed the amount on line 2	3	
4	Subtract line 3 from line 2 and enter the results, rounded to the nearest whole dollar, here and on Form 511, line 25	4	

USE TAX WORKSHEET TWO For Taxpayers Who Do Not Have Records of All Out-of-State Purchases

1	Purchases of items costing less than \$1,000: See the Use Tax Table on page 11 to establish the use tax due based on your Federal adjusted gross income from Form 511, line 1	1			
2	Purchases of items costing \$1,000 or more: Complete lines 2a and 2b below to calculate the amount of use tax owed.				
2a	Enter the total amount of out-of-state purchases of \$1,000 or more for 1/1/05 through 12/31/05			2a	
2b	Multiply line 2a by 7% (.07) or your local rate* and enter the amount			2b	
3	Add lines 1 and 2b and enter the total amount of use tax	3			
4	Enter the tax paid to another state on the purchases. This amount may not exceed the amount on line 3	4			
5	Subtract line 4 from line 3 and enter the results, rounded to the nearest whole dollar, here and on Form 511, line 25	5			

* Use tax is calculated the same as sales tax. Your local rate would be the state sales tax rate of 4.5% (.045) plus the applicable city and/or county rate based on where you lived when the purchase was made. The rate charts can be found on the website at: www.oktax.state.ok.us/salesuse.html.

42 Underpayment of Estimated Tax Interest

You were required to make estimated tax payments if your income tax liability exceeds your withholding by \$500 or more. To avoid the 20% Underpayment of Estimated Tax Interest, timely filed quarterly estimated tax payments and withholding are required to be the smaller of:

- 70% of the current year tax liability, or
- 100% of your prior year tax liability.

The income tax liability is the Oklahoma income tax due less all credits except amounts paid on withholding, estimated tax and extension payments.

Note: No Underpayment of Estimated Tax Interest shall be imposed if the income tax liability shown on the return is less than \$1,000.

If you do not meet one of the above exceptions, you may complete Form OW-8-P or the Oklahoma Tax Commission will figure the interest for you and send you a bill.

If you owe underpayment of estimated tax interest and you have an overpayment (line 35); enter the amount of underpayment of estimated tax interest on this line (line 42) and reduce the amount you are applying to estimated tax (line 36) or your refund (line 39) by that same amount (but not less than zero). You will be using your overpayment to pay your underpayment of estimated tax interest. Do not enclose a payment unless you still have a balance due after applying all of your overpayment.

43 Delinquent Penalty and Interest

After the original due date of the return compute 5% penalty on the income tax due (line 40 minus line 25). Compute interest on the income tax due at 1.25% per month from the original due date of the return. An extension does not extend the date for payment of tax.

Note: If you have a valid extension of time to file your return, delinquent penalty is not due if 90% of your income tax was paid by the original due date of the return. Delinquent interest is due on any income tax not paid by the original due date of the return.

Title 68, Oklahoma Statutes, provides that any term used in this Act shall have the same meaning as when used in a comparable context in the Internal Revenue Code, except when specifically provided for in the Oklahoma Statutes or rules.

Interest from entities such as FNMA and GNMA does not qualify.

All information to support your claim for refund must be enclosed with your return.

Note: The military wages of an enrolled member of a federally recognized Indian tribe shall be exempt from Oklahoma individual income tax when the income is compensation paid to an active member of the Armed Forces, if the member was residing within his tribe's "Indian Country" at the time of entering service, and the member has not elected to abandon such residence per Rule 710:50-15-2. Income from Oklahoma Municipal Bonds, issued prior to July 2, 2001, is exempt only if so provided by the statute authorizing their issuance. Local governmental obligations shall include bonds or notes issued by, or on behalf of, or for the benefit of Oklahoma educational institutions, cities, towns, or counties or by public trusts of which any of the foregoing is beneficiary. All out-of-state municipals are taxable. Enclose a schedule of all municipal interest received by source and amount.

Any contributions made during this tax year but not deducted may be carried over for a period not to exceed 5 years. Enclose proof of your contribution including the name of the beneficiary and the account number.

Agricultural commodity processing facility means buildings, structures, fixtures and improvements used or operated primarily for the processing or production of agricultural commodities to marketable products. The investment is deemed made when the property is placed in service. Under no circumstances shall this exclusion lower your taxable income below zero. In the event the exclusion does exceed income, any unused portion may be carried over for a period not to exceed 6 years.

A schedule must be enclosed showing the type of investment(s), the date placed in service, and the cost. If the total exclusion available is not used, a copy of the schedule must be enclosed in the carryover year and show the total exclusion available, the amount previously used and amount available in the carryover year. If the exclusion is through a Partnership or S corporation, the schedule must also include the partnership's or S corporation's name and ID number and your pro-rata share of the exclusion.

C10 Depreciation Adjustment for Swine or Poultry Producers

Individuals who are swine or poultry producers may deduct depreciation on an accelerated basis for new construction or expansion costs. The same depreciation method elected for Federal income tax purposes will be used, except the assets will be deemed to have a 7-year life. Any depreciation deduction allowable is the amount so computed minus the Federal depreciation claimed. Enclose a copy of the Federal depreciation schedule and a computation of the accelerated Oklahoma depreciation.

Note: Once you have fully depreciated an asset on your Oklahoma return, you must add back any depreciation deducted on your Federal return, see Schedule 511-B, line 7.

2-D BARCODING INFORMATION

Does Your Form Have One of These?

If you recognize this barcode from your tax return, your return was prepared using computer software utilizing two dimensional barcoding. This means your tax information will be processed faster and more accurately and you will see your refund check faster!

The Oklahoma Tax Commission accepts 2-D barcoded Forms 511 and 511NR. Below are answers to common questions about barcoding.

What Is 2-D Barcode?

Two dimensional or "2-D" barcode is the standard type of barcode used in the tax industry. It is a two dimensional stacked bar code that can contain up to 1,800 printable characters.

What Are the Benefits of 2-D Barcoding?

This technology converts all the information on a tax return into a scannable barcode. In seconds, the Oklahoma Tax Commission can read the barcode, process it immediately into our system, and eliminate the need for any manual data entry. This enables the Oklahoma Tax Commission to process more returns, faster and with no errors. Ultimately, this will mean faster refunds for the taxpayers of Oklahoma.

What Does a 2-D Barcode Look Like?

A 2-D barcode appears as a box containing multiple layers of line and dots. The barcode is placed in the upper right hand area of a computer generated tax return, if you or your tax preparer use a software package that supports the technology of 2-D barcodes. If you use computer software but the software package does not support 2-D barcoding, your form will look the same, but the area where the barcode would be printed will remain blank.

What If I Need to Change Something On My Return?

Please be sure to check all your information prior to printing. **Do not make any changes to the printed form.** If changes are needed, please make them on the computer, then, print the form. Changes made to the form after printing will not be reflected in the 2-D barcode, and could result in a delay in processing your return.

Why Should I or My Preparer Use a Software Package that Supports 2-D Barcodes?

Although electronic filing is the fastest and best method for the Tax Commission to process returns and send taxpayers their refund, we understand that not all taxpayers are comfortable with this method. 2-D barcoding allows those who still wish to file via paper to do so, while enabling efficient processing and timely refunds. The bottom line is the faster the processing, the faster the refund.

Where Do I Mail 2-D Forms?

The mailing address for 2-D income tax forms is:
