# 1997 Oklahoma Individual Income Tax

Dear Oklahoma Taxpayer,

The Oklahoma Tax Commission has revamped the 1997 income tax forms. Our goal is to provide a form that is easier to read and has clearer instructions. These changes are just one of the new things we are doing to serve you better.

If you have any questions about filing your Oklahoma income tax return, please call or visit us at one of the locations listed on the back cover of this booklet. Our newly structured **Taxpayer Assistance Division**, available at all of our locations, is ready to assist you. Also, be sure and visit our web site next time you are online. Our site address is **www.oktax.state.ok.us** and the option to e-mail us is also available on the site.

As a resident of Oklahoma, you have several ways to file your 1997 income taxes. The forms enclosed in this booklet are **511** and **511EZ** forms. The **Form 511EZ** is traditionally used for those who prefer a short form method and have a relatively simple filing. Also available in this booklet is the **Form 511**, which is a longer form and allows for more complex information, such as multiple exclusions and/or deductions. If you are interested in the option of electronically filing your Oklahoma tax return, visit an authorized tax preparer location.

If you are a part-year or non-resident of the State of Oklahoma, but have income to report to Oklahoma, please use our forms packet **511NR**, which stands for "non-resident."

Sincerely,

Robert E. Anderson, Chairman  
Oklahoma Tax Commission

## Before You Begin

You must complete your Federal income tax return before you begin your 1997 Oklahoma income tax return. You will use the information entered on your Federal return to complete your Oklahoma return.

Remember, when completing your Oklahoma return, round all amounts to the nearest dollar.

Example:

- \$2.01 to \$2.49 - round down to \$2.00
- \$2.50 to \$2.99 - round up to \$3.00

Be sure and read all instructions before you begin. To ensure you use the correct form, please read the section entitled "**Which Form Should I Use?**" on page 3 which outlines the qualifications for each type of Oklahoma income tax return form.

If you pay someone to prepare your return, be sure you take them this entire packet. The use of the label and envelope in the center of this packet is designed to speed up the processing of your return.

## Residence Defined

### Resident...

An Oklahoma resident is a person domiciled in this state for the entire tax year. "Domicile" is the place established as a person's true, fixed, and permanent home. A domicile, once established, remains until a new one is adopted.

### Part-Year Resident...

A part-year resident is an individual whose domicile was in Oklahoma for a period of less than 12 months during the tax year.

### Non-Resident...

A non-resident is an individual whose domicile was not in Oklahoma for any portion of the tax year.

### Members of the Armed Forces...

Residency is established according to military domicile as established by the Soldiers' and Sailors' Civil Relief Act.

If you were an Oklahoma resident at the time you entered military service, assignment to duty outside Oklahoma does not of itself change your state of residence. You must file your return as a resident of Oklahoma until such time as you establish a permanent residence in another state and change your military records. See the specific instructions for line 28 - Partial Military Pay Exclusion.

When the spouse of a military member is a civilian, most states, Oklahoma included, allow the spouse to retain the same legal residency as the military member. They file a joint resident tax return in the military members' State of Legal Residency (if required) and are taxed jointly under non-resident rules as they move from state to state. If the non-military spouse does not wish to choose the allowed residency of the military member, then the same residency rules apply as would apply to any other civilian. The spouse would then comply with all residency rules where living.

If both the military member and spouse are Oklahoma residents, they shall file Form 511 residency return. In this case, you should include income of both spouses and take credit for tax paid another state, if applicable. If either spouse is a part-year or non-resident, they shall use Form 511NR.

## What Is "Resident Income?"

An Oklahoma resident individual is taxed on all income reported on the federal return, except income from real and tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state.

*Note: Residents are taxed on all income from interest, dividends, salaries, commissions and other pay for personal services regardless of where earned. Wages earned outside of Oklahoma must be included in your Oklahoma return, and credit for taxes paid other states claimed on Oklahoma Schedule E. (See line 46.)*

## Who Must File?

### Resident...

Every Oklahoma resident who has sufficient gross income to require them to file a Federal income tax return is required to file an Oklahoma return, regardless of the source of income. An Oklahoma return is also required if no Federal return is due because income consists of municipal interest exempt from Federal taxation. If you do not have a filing requirement, but have Oklahoma tax withheld, see Form 511RF.

### Part-Year Resident...

Every part-year resident, during the period of residency, has the same filing requirements as a resident. During the period of non-residency, an Oklahoma return is also required if the Oklahoma part-year resident has gross income from Oklahoma sources of \$1,000 or more. Use Form 511NR.

### Non-resident...

Every non-resident with gross income from Oklahoma sources of \$1,000 or more is required to file an Oklahoma income tax return. Use Form 511NR.

## Which Form Should I Use?

To use the 511EZ form found in this booklet, you must meet **all** of the following requirements:

- You were an Oklahoma resident for the entire year.
- You have no adjustments to Federal Adjusted Gross Income such as Federal Bond Interest, exempt income under statute, etc.
- You do not claim any credits.
  - There are two exceptions to this requirement:
    - low income sales tax relief, and/or
    - child care credit.
- You are not filing after April 15, 1998.
- You did not make individual estimated tax payments for 1997.

If you do not meet the above qualifications, and you **are a resident** of Oklahoma, you need to file a **Form 511**, also available in this booklet.

If you do not meet the above qualifications because you are a part-year or non-resident, please request a 1997 Oklahoma Non-Residents and Part-Year Residents booklet.

If you are in need of a form other than those you already have, need additional copies of this booklet, or other types of assistance, please see the section entitled "**Need Assistance? How to Reach Us**" on the back panel of this booklet.

## Estimated Income Tax...

If you can reasonably expect your tax liability to exceed the amount withheld by \$100 or more for 1997 or \$500 or more for 1998, you are required to file a declaration of estimated tax and make quarterly estimate payments. Taxpayers who fail to file a declaration and pay estimated tax are subject to penalty and interest on underpayment. Form OW-8-ES, for filing an estimate, will be supplied on request. If at least 66-2/3% of your gross income is from farming, estimate payments are not required. If claiming this exception, see line 53a.

## What Is an "Extension?"

A valid extension of time in which to file your Federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the Federal extension must be enclosed with your Oklahoma return. If your Federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504. **90% of the tax liability must be paid by the original due date of the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.**

## All About Refunds...

**Remember, your return must be signed.** Once your return is filed, if you have any questions regarding your refund, please call (405) 521-3146. If you are calling from outside the Oklahoma City area, but within Oklahoma, please call (800) 522-8165, extension 1-3146.

When your original return is timely filed, you may have any amount of overpayment applied to your next year's estimate. Refunds applied to the following year's Oklahoma Estimated Income Tax (at the taxpayer's request) may not be adjusted after the original due date of the return.

If you are receiving a refund and you are using the Form 511EZ, be sure to check out the new option of having your refund deposited directly into your checking or savings account. This new option is not available to those who file via Form 511 at this time.

## Net Operating Loss...

Oklahoma NOLs shall be separately determined by reference to Section 172 of the Internal Revenue Code as modified by the Oklahoma Income Tax Act and shall be allowed without regard to the existence of a Federal NOL. Enclose a detailed schedule showing the origin and NOL computation. Residents may use Oklahoma NOL Schedules A, B & C. Also enclose a copy of the Federal NOL computation.

Effective for all tax years beginning after 12/31/95 Oklahoma Net Operating Losses may not be carried back. A Net Operating Loss may be carried forward for a period of time not to exceed 15 years. Title 68 O.S. Supp. 1993 Section 2358 (A) (3).

The Oklahoma NOL allowed/absorbed in the current tax year shall be subtracted on Oklahoma Form 511, line 6 (other subtractions) or Oklahoma Form 511X, line 2.

The Federal NOL allowed/absorbed in the current tax year shall be added on Oklahoma Form 511, line 13 (other additions) or Oklahoma Form 511X, line 6.

## What If I Need to Amend a Return?

If your net income for any year is changed by the IRS, an amended return shall be filed within 1 year. Request and file Form 511X and enclose a copy of the Federal Form 1040X or 1045. Beginning on January 1, 1994, part-year and non-residents shall use Form 511NR. Please enclose a copy of IRS refund or payment, if available, prior to expiration of Statute of Limitations.

## 1 Federal Adjusted Gross Income

Enter your Federal Adjusted Gross Income from your Federal return. This can be from any one of the following forms: 1040, 1040A, 1040EZ, or Telefile Tax Report.

## 2 Interest on U.S. Government Obligations

If you report interest on bonds, notes and other obligations of the U.S. on your Federal return, this income may be excluded from your Oklahoma Adjusted Gross Income if a detailed schedule is furnished, accompanied with 1099s showing the amount of interest income and the name of the obligation from which the interest is earned. If the interest is from a mutual fund which invests in government obligations, enclose a detailed schedule from the mutual fund showing the amount of monies received from each government obligation or the percentage of funds received from each obligation. Interest from entities such as FNMA & GNMA does not qualify.

## 3 Social Security

Social Security benefits that are included in the Federal Adjusted Gross Income shall be subtracted.

## 4 Oklahoma Government or Federal Retirement

You, and/or your spouse, may exclude Retirement benefits, up to \$5,500, but not to exceed the amount included in your Federal Adjusted Gross Income. If you retired on disability and the payments you receive are taxed as ordinary income (not retirement benefits) until you reach minimum retirement age, the income taxed as ordinary income does not qualify for this exclusion. The total exclusion from all retirement benefit plans may not exceed \$5,500 per taxpayer.

The retirement benefits must be received from the following: the Civil Service of the United States, any component of the Armed Forces of the United States, the Oklahoma Public Employees Retirement System of Oklahoma, the Oklahoma Teacher's Retirement System, the Oklahoma Law Enforcement Retirement System, the Oklahoma Firefighters Pension and Retirement System, the Oklahoma Police Pension and Retirement System, the Employee retirement systems created by counties pursuant to Sections 951 et seq. of Title 19 of the Oklahoma Statutes, the Uniform Retirement System for Justices and Judges, the Oklahoma Wildlife Conservation Department Retirement Fund, the Oklahoma Employment Security Commission Retirement Plan, or the Employee retirement systems created by municipalities pursuant to Sections 48 - 101 et seq. of Title 11 of the Oklahoma Statutes. Federal Adjusted Gross Income. If you retired on disability and the payments you receive are taxed as ordinary income (not retirement benefits) until you reach minimum retirement age, the income taxed as ordinary income does not qualify for this exclusion. The total exclusion from all retirement benefit plans may not exceed \$1,100 per taxpayer. Any individual who claims the exclusion for government retirees on line 4 may not claim a combined total exclusion for both lines 4 and 5 in an amount exceeding \$5,500.

The retirement benefits must be received from the following and satisfy the requirements of the Internal Revenue Code (IRC): an employee pension benefit plan under IRC section 401, an eligible deferred compensation plan under IRC section 457, an individual retirement account, annuity or trust or simplified employee pension under IRC section 408, an employee annuity under IRC section 403 (a) or (b), United States Retirement Bonds under IRC section 86, or lump-sum distributions from a retirement plan under IRC section 402 (e). Enclose a copy of Form 1099 or other documentation.

The worksheet below should be retained for your records.

### Other Retirement Income Worksheet

Please complete the following worksheet to find if you are eligible for the retirement exclusion. Before you begin, you must complete lines 7-13 of your Form 511, if they apply to you. Upon completing these lines, you then fill in the section below. Please retain this worksheet for your records.

1. Add the amounts on lines 1, 11,12 and 13 from your Form 511.
2. Add the amounts, if any, on lines 2, 3, 4, 6 and 9 from your Form 511.
3. Subtract the amount on line 2 (above) from line 1

If this total is \$25,000 or less and you are at least 65 years of age with a filing status of single, head of household or married filing separately, then you qualify for the up to \$1,100 exclusion.

If this total is \$50,000 or less and you are at least 65 years of age with a filing status of married filing jointly or qualifying widow, then you qualify for the up to \$1,100 exclusion.

If you do not meet either of the above described circumstances, you do not qualify.

Remember, the amount of the exclusion is up to \$1,100, but it cannot exceed the amount included in your Federal Adjusted Gross Income.

**67 Estimated Tax Penalty and Interest**

To avoid the Estimated Tax Penalty and Interest, estimated tax payments, timely filed, and withholdings are required to be equal to 70% of the current year tax liability or equal or exceed 100% of your prior year tax liability. If you do not meet one of the above exceptions, you may complete Form OW-8-P, or the Oklahoma Tax Commission will figure the penalty and interest for you, and send you a bill.

**68 Delinquent Penalty and Interest**

After the original due date of the return compute 5% penalty on the tax due (line 66). Compute interest on the tax due at 1 1/4% per month from original due date of the return. An extension does not extend the date for payment of tax.

**Title 68, Oklahoma Statutes, provides that any term used in this Act shall have the same meaning as when used in a comparable context in the Internal Revenue Code, except when specifically provided for in the Oklahoma Statutes or rules.**

Use this table if your taxable income is less than \$50,000 after you deduct Federal Income Tax.

If your taxable income is \$50,000 or more, use the tax computation on the lower quarter of page "L."

For an example, please see the box to the right.

Example...

Mr. and Mrs. Smith are filing a joint return. Their Oklahoma Taxable Income after deducting Federal Income Tax is \$21,760. First, they find the \$21,750 - \$21,800 income line. Next, they find the column for *married filing jointly* and read down the column. The amount shown where the income line and filing status column meet is \$1,049 (see example at right). This is the amount they must write on the Method 2 tax line on their return.

# How to Use the New Direct Deposit Option

## Why Use Direct Deposit?

- You get your refund faster.
- Payment is more secure as there is no check to get lost.
- Convenience. No trip to the bank to deposit your check.
- Saves tax dollars. A refund by direct deposit costs less than a check.

## Filling Out the Direct Deposit Box...

Please complete the direct deposit box on the front of the form if you want us to directly deposit the amount shown on line 20 into your account at a bank or other financial institution instead of sending you a check.

**First**, check the appropriate box as to whether the check will be going into a checking account or savings account.

**Next**, fill out the routing number. The routing number must be nine digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check will be issued instead. Using the sample check shown below, the routing number is 120120012.

**Lastly**, enter your account number. The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check shown below, the account number is 2020268620.

**Please Note:** The Oklahoma Tax Commission is not responsible if a financial institution refuses a direct deposit. If a direct deposit is refused, a check will be issued.
