Enter on the applicable line of income tax return and enter the number in the box for the type of credit. If more than one credit is claimed, enter "99" in the box.

NOTICE

Tax credits transferred or allocated must be reported on Oklahoma Tax Commission (OTC) Form 569. Failure to file Form 569 will result in the affected credits being denied by the OTC pursuant to 68 Oklahoma Statutes (OS) Sec. 2357.1A-2.

OTHER CREDITS INFORMATION

1 Oklahoma Investment/New Jobs Credit

Manufacturers, who hold a manufacturer's exemption permit, may qualify for the Oklahoma Investment/New Jobs Credit based on either an investment in depreciable property of at least \$50,000 or on the addition of full-time equivalent employees engaged in manufacturing, processing or aircraft maintenance. A web search portal establishment may also qualify for the credit based on an investment in depreciable property of at least \$50,000. The credit, once established, is also allowed in each of the four subsequent years if the level of new employees is maintained or the qualified property is not sold, disposed of or transferred. Any credit allowed but not used may be carried over in order to each of the four years following the year of qualification and to the extent not used in those years in order to each of the 15 years following the initial five-year period. To the extent not used, any credit from qualified depreciable property placed in service on or after January 1, 2000, may be utilized in subsequent tax years after the initial twenty-year period. Enclose Form 506. 68 OS Sec. 2357.4 and Rule 710:50-15-74.

2 Coal Credit

Sec. 2357.11 (B) provides for a coal credit, for the purchase of Oklahoma-mined coal, to businesses providing water, heat, light or power from coal to the citizens of Oklahoma or to those which burn coal to generate heat, light or power for use in manufacturing operations in Oklahoma. An additional credit is allowed for Oklahoma-mined coal purchased.

Sec. 2357.11 (D) provides for a coal credit to businesses primarily engaged in mining, producing or extracting coal in this state. A valid permit issued by the Oklahoma Department of Mines must be held. The credit provided for in this paragraph will not be allowed for coal mined, produced or extracted in any month in which the average price of coal is \$68 or more per ton, excluding freight charges.

Any credit earned prior to January 1, 2014 which was allowed but not used, will have a five year carryover provision following the year of qualification. The credit is freely transferable by December 31, 2013 to any taxpayer at any time during the five years following the year of qualification upon the filing of the transfer agreement, Form 572, along with an OTC acknowledgment of credits earned. The transferee shall enclose these same forms with the Form 511CR. **Note:** This credit, upon the election of the taxpayer, may be claimed as a payment or prepayment of tax or as an estimated tax payment. If this election is made, the credit should be claimed on this line of Form 511CR. Any credit earned but not used based upon activity occurring on or after January 1, 2014 may be partially refundable upon the filing of a claim. 68 OS Sec. 2357.11 and Rule 710:50-15-76.

3 Credit for Investment in a Clean-Burning Motor Vehicle Fuel Property or Investment in Qualified Electric Motor Vehicle Property

- a) A credit is allowed for investments in qualified clean-burning motor vehicle fuel property. For credits established in tax year 2010 and thereafter, any credit allowed but not used will have a five year carryover provision. Enclose Form 567-A for the Credit for Investment in a Clean-Burning Motor Vehicle Fuel Property.
- b) A credit for investment in qualified electric motor vehicle property that was established in tax year 2010 but not used due to the limitations provided may be carried over. The unused credit may be carried over for a period not to exceed five years.

68 OS Sec. 2357.22 and Rule 710:50-15-81.

4 Small Business Capital Credit

A Small Business Capital Credit that was established in a prior year but not used due to the limitations provided may be carried over. The unused credit may be carried over subject to the following limitations:

- The credit may be carried over for a period not to exceed three years for investments made on or after November 1, 2006.
- The credit may be carried over for a period not to exceed ten years for investments made prior to June 7, 2006.
- The credit may be carried over for a period not to exceed ten years for investments made on or after June 7, 2006 and prior to November 1, 2006, provided they met the conditions specified in statute.

Enclose Form 527-A. 68 OS Sec. 2357.60 – 2357.65 and Rule 710:50-15-86.

OTHER CREDITS INFORMATION**5 Oklahoma Agricultural Producers Credit**

An Oklahoma Agricultural Producers Credit that was established in a prior year but not used due to the limitations provided may be carried over. The unused credit may be carried over for a period not to exceed six years. Enclose Form 520 for the year the credit was originally established. 68 OS Sec. 2357.25 and Rule 710:50-15-85.

6 Small Business Guaranty Fee Credit

Every small business operating within this state shall be entitled to claim as a credit any amount paid to the U.S. Small Business Administration (SBA) as a guaranty fee pursuant to the obtaining of financing guaranteed by the Small Business Administration. Any credit allowed but not used will have a five year carryover provision. Enclose Form 529. 68 OS Sec. 2357.30.

Any financial institutions, subject to the "in lieu" tax, shall be entitled to claim as a credit the amount of the guaranty fees the financial institution pays to the SBA under certain SBA loan programs. Enclose Form 529. 68 OS Sec. 2370.1.

Note: Effective January 1, 2014 the credit under 68 OS Sec. 2357.30 was repealed. No credit may be claimed for guaranty fees paid by a small business on or after January 1, 2014. (The credit for financial institutions subject to the "in Lieu" tax, under 68 OS Sec. 2370.1, was not repealed.)

7 Credit for Food Service Establishments that Pay for Hepatitis A Vaccination for their Employees

This credit is for food service establishments, licensed pursuant to the provisions of 63 OS Sec. 1-1118, that pay for Hepatitis A vaccinations for their employees who work in such establishments. The credit is the cost of the vaccinations, but cannot exceed the usual and customary fee that would be allowed by the State and Education Employees Group Insurance Board. The credit is available in the tax year in which the employee was immunized and shall not be refunded or carried forward to subsequent years. Enclose a schedule showing the name and social security number of each employee immunized and the cost of the immunization. 68 OS Sec. 2357.33.

Note: Effective January 1, 2014 the credit was repealed. No credit may be claimed for immunization expenses incurred on or after January 1, 2014.

8 Credit for Energy Assistance Fund Contribution

Any person contributing monies to the Oklahoma Energy Conservation Assistance Fund is entitled to a nonrefundable income tax credit of 50% of the amount contributed. This credit may not be carried forward or back. A copy of your cancelled check or receipt must be enclosed with your return. 68 OS Sec. 2357.6.

Note: Effective January 1, 2014 the credit was repealed. No credit may be claimed for contributions made on or after January 1, 2014.

9 Reserved**10 Credit for Hazardous Waste Control**

Any person engaged in recycling, reuse or source reduction of any hazardous waste, the process of which is certified by the Oklahoma Department of Environmental Quality (DEQ), shall be entitled to a one-time credit limited to 20% of amount certified or actual cost, whichever is less. A verification certificate from DEQ must be enclosed. 27A OS Sec. 2-11-303 and Rule 710:50-15-75.

Note: Effective January 1, 2014 the credit was repealed. No credit may be claimed for the installation and actual use of a recycling, reuse or source reduction of any hazardous waste process on or after January 1, 2014.

11 Credit for Qualified Recycling Facility

A credit for an investment in a qualified recycling facility that was established in a prior year but not used due to the limitations provided may be carried over. The unused credit may be carried over for a period not to exceed 14 years. 68 OS Sec. 2357.59 and Rule 710:50-15-84.

12 Credit for Employers Providing Child Care Programs

Employers providing Oklahoma child care services for the children of their employees will be allowed a credit. The credit will be 20% of the amount of eligible expenses and the eligible expenses must be added back to arrive at Oklahoma taxable income. Any credit allowed but not used will have a four year carryover provision. Enclose a schedule of eligible expenses and the computation of the credit. 68 OS Sec. 2357.26 and Rule 710:50-15-91.

Note: Effective January 1, 2014 the credit was repealed. No credit may be claimed for any expenditures incurred on or after January 1, 2014.

OTHER CREDITS INFORMATION**13 Credit for Entities in the Business of Providing Child Care Services**

Entities primarily engaged in the business of providing child care services will be allowed a 20% credit for eligible expenses. Eligible expenses are amounts incurred to comply with the standards promulgated by a national accrediting association recognized by the Department of Human Services and which would not have been incurred to comply with the Oklahoma Child Care Facilities Licensing Act. The credit will not be allowed for any amounts for which the entity claims or receives an income tax credit, exemption or deduction. Any credit allowed but not used will have a four year carryover provision. 68 OS Sec. 2357.27.

14 Credit for Commercial Space Industries

There shall be allowed a credit for investments in qualifying projects, the purpose of which is to encourage the development of commercial space industries in this state. The credit shall be 5% of the eligible capital costs generated by a qualifying project. In order to qualify for the credit an application shall first be made to the OTC. Any credit allowed but not used will have a four year carryover provision following the year of qualification subject to limitations. 68 OS Sec. 2357.13.

Note: Effective January 1, 2014 the credit was repealed. No credit may be claimed for capital costs generated on or after January 1, 2014.

15 Reserved**16 Credit for Tourism Development or Qualified Media Production Facility**

Enclose the income tax credit memorandum granting the credit which was issued by the OTC. Any credit allowed but not used will have a 10 year carryover provision. 68 OS Sec. 2357.34-2357.40.

Note: Effective January 1, 2014 the credit was repealed. No credit may be granted on or after January 1, 2014.

17 Oklahoma Local Development and Enterprise Zone Incentive Leverage Act Credit

There shall be allowed a credit in conjunction with the "Oklahoma Local Development and Enterprise Zone Incentive Leverage Act" created under 62 OS Sections 840-847. The credit will equal 100% of the amount of ad valorem taxes exempted pursuant to the provisions of such act. Any credit allowed but not used will have a 10 year carryover provision. 68 OS Sec. 2357.81.

Note: Effective January 1, 2014 the credit was repealed. Ad valorem taxes exempted per 62 OS Sec. 860 for facilities in an enterprise zone on or after January 1, 2014 are ineligible to be claimed as an income tax credit.

18 Credit for Qualified Rehabilitation Expenditures

Provides for a credit for qualified rehabilitation expenditures incurred with any certified historic structure as defined in Sec. 2357.41. The credit is to be equal to the amount of the Federal rehabilitation investment credit allowed under the Internal Revenue Code, Sec. 47. Any credit allowed but not used will have a 10 year carryover provision following the qualified expenditures. The credit may be freely transferred, at any time during the five years following the year of qualification, to any taxpayer upon the filing of the transfer agreement, Form 572, along with an OTC acknowledgment of credits earned. The transferee shall enclose these same forms with the Form 511CR. If this credit which has been transferred is subsequently reduced as the result of an adjustment by the Internal Revenue Service, OTC, or any other applicable government agency, only the transferor originally allowed the credit and not any subsequent transferee of the credit, will be held liable to repay any amount of disallowed credit. 68 OS Sec. 2357.41 and Rule 710:50-15-108.

19 Reserved**20 Rural Small Business Capital Credit**

A Rural Small Business Capital Credit that was established in a prior year but not used due to the limitations provided may be carried over. The unused credit may be carried over subject to the following limitations:

- The credit may be carried over for a period not to exceed three years for investments made on or after November 1, 2006.
- The credit may be carried over for a period not to exceed ten years for investments made prior to June 7, 2006.
- The credit may be carried over for a period not to exceed ten years for investments made on or after June 7, 2006 and prior to November 1, 2006, provided they met the conditions specified in statute.

Enclose Form 526-A. 68 OS Sec. 2357.71 – 2357.76 and Rule 710:50-15-87.

OTHER CREDITS INFORMATION**21 Credit for Electricity Generated by Zero-Emission Facilities**

A credit shall be allowed for the production and sale, to an unrelated person, of electricity generated by zero-emission facilities located in this state. For facilities placed in operation on or after January 1, 2007, the credit for the electricity generated is \$0.0050 per kilowatt-hour. Credits may be claimed during a ten-year period following the date the facility is placed in operation. Any credit earned prior to January 1, 2014 which was allowed but not used will have a 10 year carryover provision. Credits generated prior to January 1, 2014 may be freely transferable, at any time during the 10 years following the year of qualification, to any taxpayer upon filing of the transfer agreement, Form 572, along with an OTC acknowledgment of credits earned. Enclose a schedule showing the number of kilowatt-hours of electricity generated during each month of the taxable year and the calculation of the credit or, if you are the transferee, a copy of the transfer agreement and OTC acknowledgement. **Note:** This credit, upon election of the taxpayer, may be claimed as a payment or prepayment of tax or as an estimated tax payment on or after July 1 of the calendar year following the year of qualification. If this election is made, the credit should be claimed on this line of Form 511CR. Any credit generated, but not used, on or after January 1, 2014 may be partially refundable upon the filing of a claim.

For facilities placed in operation before January 1, 2007, a Credit for Electricity Generated by Zero-Emission Facilities that was established in a prior year but not used due to the limitations provided may be carried over. The unused credit may be carried over for a period not to exceed 10 years.

68 OS Sec. 2357.32A.

22 Credit for Financial Institutions Making Loans Under the Rural Economic Development Loan Act

Oklahoma financial institutions shall be allowed a credit against the bank in lieu tax in an amount equal to the taxable income received pursuant to a loan made under the "Rural Economic Development Loan Act" 62 OS Sec. 90.1 through 90.9. The credit is limited each year to 5% of the amount of annual payroll directly attributable to new jobs that are created as a result of the loan made under the act. The Rural Economic Development Loan Program Review Board certifies payroll eligible for the credit. The credit may be claimed for any number of years necessary until the total amount of credits claimed is equal to the total amount of taxable income received. Any credit allowed but not used will have a five year carryover provision. 68 OS Sec. 2370.

23 Credit for Manufacturers of Small Wind Turbines

A Credit for Manufacturers of Small Wind Turbines that was established in a prior year but not used due to the limitations provided may be carried over. The unused credit may be carried over for a period not to exceed ten years. The credit may be freely transferable, at any time during the 10 years following the year of qualification, to any taxpayer upon the filing of the transfer agreement, Form 572, along with an OTC acknowledgment of credits earned. If you are the transferee, enclose a copy of the transfer agreement and OTC acknowledgement. **Note:** This credit, upon election of the taxpayer, may be claimed as a payment or prepayment of tax or as an estimated tax payment. If this election is made, the credit should be claimed on this line of Form 511CR. 68 OS Sec. 2357.32B and Rule 710:50-15-92.

24 Credit for Qualified Ethanol Facilities

Beginning January 1, 2013, an ethanol facility will receive a credit for production from a new facility which has not received credits prior to January 1, 2013, or the expansion of the capacity of an existing facility by at least 2 million gallons first placed into service after January 1, 2013, as certified by the design engineer of the facility to the OTC. The credit is 7.5-cents per gallon of ethanol, before denaturing, for new production for a period not to exceed 36 months.

An ethanol facility that established the 20-cent per-gallon credit on or before December 31, 2010 may claim the credit for 60 months beginning the first month the facility became eligible for the credit.

An ethanol facility that established the additional 20-cent per-gallon credit on or before December 31, 2008 may claim the credit for 60 months beginning the first month for which production from the expanded facility became eligible for the credit.

68 OS Sec. 2357.66 and Rule 710:50-15-106.

Note: Effective January 1, 2014 the credit was repealed. No credit may be established for a new facility or expansion after January 1, 2014.

OTHER CREDITS INFORMATION

25 Poultry Litter Credit

For tax years ending on or before December 31, 2013, a credit of \$10 per ton shall be allowed for the purchase and transportation of poultry litter. To qualify for the credit the poultry litter must be purchased from an Oklahoma-based poultry operation registered with the State Board of Agriculture and located within an environmentally sensitive and nutrient-limited watershed area; used or spread in a watershed that is not environmentally sensitive and nutrient-limited and applied by a certified poultry waste applicator. Any credit allowed but not used will have a five year carryover provision. Enclose a copy of the current license of the Certified Poultry Waste Applicator and a copy of the Waste Applier Annual Report for the period affected. 68 OS Sec. 2357.100 and Rule 710:50-15-95.

26 Volunteer Firefighter Credit

For taxpayers who qualify for the \$200 or \$400 Oklahoma Volunteer Firefighter Tax Credit, the completed and signed Council on Firefighter Training's (COFT) form must be enclosed as supporting documentation. The form must have all of the necessary signatures. For further explanations, questions or to obtain a form contact the COFT at (405) 601-8862 or visit their website at: www.coft-oklahoma.org. 68 OS Sec. 2358.7 and Rule 710:50-15-94.

27 Credit for Qualified Biodiesel Facilities

Beginning January 1, 2013, a biodiesel facility will receive a credit for production from a new facility which has not received credits prior to January 1, 2013, or the expansion of the capacity of an existing facility by at least 2 million gallons first placed into service after January 1, 2013, as certified by the design engineer of the facility to the OTC. The credit is 7.5-cents per gallon of biodiesel, for new production for a period not to exceed 36 months.

A biodiesel facility that established the 20-cent per-gallon credit on or before December 31, 2008 may claim the credit for 60 months beginning the first month the facility became eligible for the credit.

A biodiesel facility that established the additional 20-cent per-gallon credit on or before December 31, 2008 may claim the credit for 60 months beginning the first month for which production from the expanded facility became eligible for the credit.

68 OS Sec. 2357.67 and Rule 710:50-15-98.

Note: Effective January 1, 2014 the credit was repealed. No credit may be established for a new facility or expansion after January 1, 2014.

28 Film or Music Project Credit

Establishes an income tax credit equal to 25% of the amount of profit made from an investment with a production company to pay for production costs in an existing Oklahoma film or music project produced after July 1, 2005. In order to claim the credit, the taxpayer must reinvest the profit with the production company, to pay for the production cost of a new Oklahoma film or music project. Enclose Form 562. 68 OS Sec. 2357.101 and Rule 710:50-15-101.

29 Credit for Breeders of Specially Trained Canines

Establishes a credit equal to 50% of the qualified direct costs associated with the operation of a business which the principal purpose is the rearing of specially trained canines. "Specially trained canines" means dogs that are raised by a person who is officially licensed as a dog breeder by the U.S. Department of Agriculture (USDA). "Qualified direct costs" means expenditures, other than nonqualified operating expenditures, to construct dog kennels, fences, pens, training areas for canines, structures for office space or other improvements to real property necessary for the proper training of a specially trained canine, including the cost of food, water, veterinary expenses and other costs directly related to the operation of the training facility. "Nonqualified operating expenditures" means labor costs, salary and other compensation, whether direct or indirect, paid to directors, officers, limited liability company members, limited liability company managers, partners or other principals or employees of the business. Any credit allowed but not used will have a five year carryover provision. Enclose a copy of your certificate and acknowledgement letter issued by the USDA and a schedule of the qualified direct costs upon which the credit was based. 68 OS Sec. 2357.203 and Rule 710:50-15-97.

Note: Effective November 1, 2013 the credit was repealed. No credit may be claimed for any expenditures occurring on or after November 1, 2013.

OTHER CREDITS INFORMATION

30 Credit for Wages Paid to an Injured Employee

Establishes a credit for eligible wages paid by an employer to an employee who is injured as a result of an injury which is compensable under the Workers' Compensation Act. The credit is 10% of the amount of the gross wages paid to the employee beginning when the employee returns to work with restricted duties as provided by the employee's treating physician or an independent medical examiner before the employee has reached maximum medical improvement, and ending after 90 days or when the employee has reached maximum medical improvement if earlier. In no event shall the credit exceed \$5,000 for each employee of each taxpayer and the total credit claimed shall not exceed \$25,000 in any one year for any taxpayer. Enclose a schedule showing the computation of the credit; include employee name, social security number, eligible wages paid, and the number of days for which the eligible wages were paid. 68 OS Sec. 2357.47 and Rule 710:50-15-107.

31 Credit for Modification Expenses Paid for an Injured Employee

Establishes a credit for eligible modification expenses incurred by an employer to modify a workplace, tools or equipment or to obtain new tools or equipment and which are incurred by an employer solely to enable a specific employee who has incurred an injury that is compensable under the Workers' Compensation Act to return to work with restricted duties as provided by the employee's treating physician or an independent medical examiner before the employee has reached maximum medical improvement, and which workplace, tools or equipment are used primarily by the injured employee. The credit is 50% of the amount of funds expended for eligible modification expenses. In no event shall the credit exceed \$1,000 for eligible modification expenses incurred for any single employee and the total credit claimed shall not exceed \$10,000 in any year for any taxpayer. Enclose a schedule showing the computation of the credit; include employee name and social security number and the eligible modification expenses for such employee. 68 OS Sec. 2357.47 and Rule 710:50-15-107.

32 Dry Fire Hydrant Credit

Establishes a credit for the cost of the purchase of a dry fire hydrant or the cost to provide an acceptable means of water storage for such dry fire hydrant including a pond, tank, or other storage facility with the primary purpose of fire protection within Oklahoma. The credit is 50% of the purchase price of the dry fire hydrant or the actual expenditure for any new water storage construction, equipment, development and installation of the dry hydrant, including pipes, valves, hydrants, and labor for each installation of a dry hydrant or new water storage facility but in no event shall the amount of the credit exceed \$5,000 for each taxpayer. In order to qualify for the tax credit, the dry fire hydrant or new water storage facility must meet minimum requirements. Any credit allowed but not used will have a four year carryover provision. Enclose either an invoice for the purchase price or a schedule of actual expenditures upon which the credit was based. 68 OS Sec. 2357.102 and Rule 710:50-15-99.

Note: Effective January 1, 2014 the credit was repealed. No credit may be claimed for purchases occurring on or after January 1, 2014.

33 Credit for the Construction of Energy Efficient Homes

Establishes a credit equal to the eligible expenses incurred by a contractor in the construction of energy efficient residential property of 2,000 square feet or less located in Oklahoma and which has been certified by a Residential Energy Services Network provider. "Eligible expenses" means any energy efficient heating or cooling system; insulation material or system designed to reduce the heat gain or loss; exterior windows, including skylights; exterior doors; and Energy Star program metal roof. In no event shall the credit exceed \$4,000 for residential property certified at 40% or more above the 2003 International Energy Conservation Code (IECC), including any supplement, or exceed \$2,000 for residential property certified at between 20% and 39% of the 2003 IECC, including any supplement. The contractor shall not be allowed a credit for residential property certified at less than 20% of the 2003 IECC, including supplements. Any credit allowed but not used will have a four year carryover provision. The credit may be freely transferable to any taxpayer upon the filing of the transfer agreement, Form 572, along with an OTC acknowledgment of credits earned. For each home, enclose proof of the energy rating, such as a copy of the Energy Star Certification sticker or the Energy Star Certificate or, if you are the transferee, a copy of the transfer agreement and OTC acknowledgement. You must be able to document the type and amount of expenses upon which the credit was based upon request. 68 OS Sec. 2357.46 and Rule 710:50-15-104.

OTHER CREDITS INFORMATION

34 Credit for Railroad Modernization

Establishes a credit equal to 50% of a Class II or Class III railroad's qualified railroad reconstruction or replacement expenditures. The amount of credit shall be limited to the product of \$2,000 and the number of miles of railroad track owned or leased within Oklahoma as of the close of the taxable year. An election may be made to increase the limit to an amount equal to three times the limit, provided only 1/3 of the credit is claimed in any one taxable period. A taxpayer who elected to increase the limitation on the credit shall not be granted additional credits during the period of such election. "Qualified railroad reconstruction or replacement expenditures" means expenditures for 1) reconstruction or replacement of railroad infrastructure including track, roadbed, bridges, industrial leads and track-related structures or 2) new construction of industrial leads, switches, spurs and sidings and extensions of existing sidings. Any credit allowed but not used will have a five year carryover provision. The credit is freely transferable to any taxpayer and at any time during the five years following the year of qualification upon the filing of the transfer agreement, Form 572, along with an OTC acknowledgment of credits earned. Enclose the "Affidavit" from the Department of Transportation or, if you are the transferee, a copy of the transfer agreement and OTC acknowledgement. 68 OS Sec. 2357.104 and Rule 710:50-15-103.

35 Research and Development New Jobs Credit

Employers, primarily engaged in computer services, data processing or research and development, may qualify for the Research and Development New Jobs Credit. The credit is \$500 per employee and is computed on the average number of new qualified employees whose salaries or wages are at least \$35,000 and are subject to Oklahoma income tax withholding. The credit, once established, is also allowed in each of the eight subsequent years if the level of new employees is maintained. Any credit allowed but not used may be carried over in order to each of the four years following the year of qualification and to the extent not used on those years in order to each of the following five years. Enclose Form 563. 68 OS Sec. 54006 and Rule 710:50-15-105.

Note: Effective January 1, 2014 the credit was repealed. No credit may be claimed for employees hired on or after January 1, 2014.

36 Credit for Stafford Loan Origination Fee *(available for banks and credit unions filing Form 512)*

Oklahoma banks and credit unions paying the origination fee to the U.S. Department of Education pursuant to the "Stafford" loan program for an Oklahoma resident will be allowed a credit against the bank in lieu tax. The credit is the amount of origination fee paid by such bank or credit union; however, no credit will be allowed if the bank or credit union, in any way, recovers the origination fee from the borrower. Any credit allowed but not used will have a five year carryover provision. 68 OS Sec. 2370.3.

Note: Effective January 1, 2014 the credit was repealed. No credit may be claimed for origination fees paid on or after January 1, 2014.

37 Gas Used in Manufacturing Credit

A credit is available at the rate of three mills per thousand cubic feet of gas used or consumed during each taxable year when used in manufacturing. This shall not apply to the first twenty-five thousand MCF used or consumed. Enclose a schedule showing the computation of the credit. If you are a member of a pass-through entity, the schedule should also contain the name and Federal Employer Identification Number of the pass-through entity and the portion of the credit allocated to you. 68 OS Sec. 2357(C).

Note: Effective January 1, 2014 the credit was repealed. No credit may be claimed for gas used or consumed on or after January 1, 2014.

38 Credit for Biomedical Research Contribution

A credit is allowed to any taxpayer who makes a donation to a qualified independent biomedical research institute. The credit is 50% of the amount donated, but may not exceed \$1,000 (\$2,000 for a married filing joint return). An "independent biomedical research institute" means an organization which is exempt from taxation under the Internal Revenue Code section 501(c)(3) whose primary focus is conducting peer-reviewed basic biomedical research. The organization shall have a board of directors, be able to accept grants in its own name, be an identifiable institute that has its own employees and administrative staff, and receive at least \$15 million in National Institute of Health funding each year. Any credit allowed but not used will have a four year carryover provision. A copy of the canceled check or receipt must be provided as proof of the donation. 68 OS Sec. 2357.45 and Rule 710:50-15-113.

OTHER CREDITS INFORMATION

39 Credit for Employees in the Aerospace Sector

Establishes a \$5,000 credit for a qualified employee who has a degree in engineering and who, on or after January 1, 2009, is employed by or contracting with a qualified employer whose principal business activity is in the aerospace sector. The credit is allowed each year for up to the first five years. To qualify for the credit the employee may not have been employed in the aerospace sector in Oklahoma immediately preceding employment or contracting with a qualified employer. Any credit allowed but not used will have a five year carryover provision. Enclose Form 564. 68 OS Sec. 2357.301 & 2357.304 and Rule 710:50-15-109.

40 Credits for Employers in the Aerospace Sector

Establishes credits for tuition reimbursement and for compensation paid to a qualified employee by a qualified employer. A qualified employee is a person employed by or contracting with a qualified employer on or after January 1, 2009, who has been awarded an undergraduate or graduate degree in engineering and who was not employed in the aerospace sector in Oklahoma immediately preceding current employment. The credit for tuition reimbursement is 50% of amount reimbursed, but may not exceed 50% of the average annual amount paid for enrollment and instruction in a qualified program at an Oklahoma public institution. The credit for compensation paid to a graduate of an Oklahoma institution is 10% of such compensation and if the employee graduated from an institution located outside Oklahoma the credit is 5%; this credit may not exceed \$12,500 annually for each qualified employee. Enclose Form 565. 68 OS Sec. 2357.301, 2357.302 & 2357.303 and Rule 710:50-15-109.

41 Wire Transfer Fee Credit

A credit is allowed for the electronic funds transfer fee paid pursuant to the Drug Money Laundering and Wire Transmitter Act (63 OS Sec. 2-503.1j). The electronic funds transfer fee is \$5 plus 1% of the transfer amount in excess of \$500. Any credit allowed but not used will have a five year carryover provision. Upon request you must be able to document the amount of fees paid upon which the credit is based. 68 OS Sec. 2357.401 and Rule 710:50-15-111.

42 Credit for Manufacturers of Electric Vehicles

Establishes a one-time credit for a manufacturer of low-speed electric motor vehicles, medium-speed electric motor vehicles or electric motor vehicles which are manufactured after June 30, 2010. The manufacturer must hold a manufacturer's exemption permit (MSEP).

The credit is as follows:

- For low-speed electric motor vehicles, the credit is \$500 per vehicle manufactured.
- For medium-speed electric motor vehicles, the credit is \$1,000 per vehicle manufactured.
- For electric motor vehicles, which are not low-speed or medium-speed vehicles, the credit is \$2,000 per vehicle manufactured.

Any credit allowed but not used will have a five year carryover provision. 68 OS Sec. 2357.402 and Rule 710:50-15-112.

Note: Effective January 1, 2014 the credit was repealed. No credit may be claimed for vehicles manufactured on or after January 1, 2014.

43 Business Activity Tax Credit

A credit equal to the \$25 Business Activity Tax reported on Form BT-190 Part 2, line 1, is allowed. The credit may only be taken for the year in which the Business Activity Tax is levied and if such tax is timely paid. A limited liability company (LLC), including a single member LLC, does not qualify for this credit but will be entitled to a credit with the Oklahoma Secretary of State. An entity whose Business Activity Tax reported on Part 2, line 1 of Form BT-190 is greater than \$25 does not qualify for this credit. The credit may not flow through to the members of a pass-through entity. 68 OS Sec. 1219 and Rule 710:95-19-6.

44 Credit for Cancer Research Contribution

A credit is allowed to any taxpayer who makes a donation to a qualified cancer research institute. The credit is 50% of the amount donated, but may not exceed \$1,000 (\$2,000 for a married filing joint return). A "cancer research institute" means an organization which is exempt from taxation under the Internal Revenue Code (IRC) or a not-for-profit supporting organization, as defined by the IRC, affiliated with a tax-exempt organization. The tax exempt organization must have raising the standard of cancer clinical care, in Oklahoma, through peer-reviewed cancer research and education as its primary focus; be either an independent research institute or a program that is part of a state university which is a member of The Oklahoma State System of Higher Education; and receive at least \$4 million in National Cancer Institute funding each year. Any credit allowed but not used will have a four year carryover provision. A copy of the canceled check or receipt must be provided as proof of the donation. 68 OS Sec. 2357.45 and Rule 710:50-15-113.

OTHER CREDITS INFORMATION**45 Oklahoma Capital Investment Board Tax Credit**

Enclose the Tax Credit Certificate issued by the Oklahoma Capital Investment Board (OCIB) as provided for in the Oklahoma Capital Formation Act. The Certificate will indicate the face amount of the tax credit and the State's fiscal year in which the credit may be claimed. The credit is freely transferable to subsequent transferees upon the issuance of a new Certificate by the OCIB to the transferee. Except as provided, no tax credit shall be exercisable after July 1, 2020. Tax credits may be exercised after July 1, 2020, if the credits were purchased or agreed to be purchased pursuant to an agreement originally entered into no later than December 31, 1995. Transferees may exercise the credits after July 1, 2020 if the credits were obtained from the person who originally entered into such an agreement or by a subsequent transferee if the credit transfer occurred prior to June 8, 2012. **Note:** This credit, upon election of the taxpayer, may be claimed as a payment or prepayment of tax or as an estimated tax payment. If this election is made, the credit should be claimed on this line of the Form 511CR. 74 OS Sec. 5085.7.

46 Credit for Contributions to a Scholarship-Granting Organization

A credit is allowed for contributions to an eligible scholarship-granting organization. The credit is 50%* of the amount contributed, not to exceed \$1,000 for an individual (\$2,000 for a married filing joint return) or \$100,000 for a legal business entity. A "scholarship-granting organization" means a nonprofit organization, registered with the Oklahoma Tax Commission, which distributes scholarships so an eligible student, or an eligible special needs student, can attend an elementary or secondary private school. Credits earned during the time period of August 26, 2011 through tax year 2013, will be claimed in tax year 2013. Any credit allowed but not used will have a three-year carryover provision. 68 OS Sec. 2357.206 and Rule 710:50-15-114

*** Note: The credit has an overall cap.** If the total credits eligible to be claimed by all individuals or businesses exceed the specified cap, the percentage allowed will be reduced. The Tax Commission will publish the percentage of the contribution which may be claimed as a credit. The scholarship-granting organization will notify contributors of that amount annually.

47 Credit for Contributions to an Educational Improvement Grant Organization

A credit is allowed for contributions to an eligible scholarship-granting organization. The credit is 50%* of the amount contributed, not to exceed \$1,000 for an individual (\$2,000 for a married filing joint return) or \$100,000 for a legal business entity. For a taxpayer who makes an eligible contribution and makes a written commitment to contribute the same amount for the next two years, the credit will be 75%* of the amount of the contribution made in the first year. An "educational improvement grant organization" means a nonprofit organization, registered with the Oklahoma Tax Commission, which contributes at least 90% of its annual receipts as grants to eligible public schools for innovative educational programs. An innovative educational program is an advanced academic or academic improvement program that is not part of the regular coursework of a public school but enhances the curriculum or academic program of the school or provides early childhood education programs to students. Credits earned during the time period of August 26, 2011 through tax year 2013, will be claimed in tax year 2013. Any credit allowed but not used will have a three-year carryover provision. If claiming the 75% credit, evidence of the written commitment must be provided. 68 OS Sec. 2357.206 and Rule 710:50-15-115

*** Note: The credit has an overall cap.** If the total credits eligible to be claimed by all individuals or businesses exceed the specified cap, the percentage allowed will be reduced. The Tax Commission will publish the percentage of the contribution which may be claimed as a credit. The education improvement grant organization will notify contributors of that amount annually.
