How nonresidents and part-year residents are taxed:

- The Oklahoma taxable income of a part-year individual or nonresident individual shall be calculated as if all income were earned in Oklahoma, using Form 511NR. The Federal adjusted gross income (AGI) will be adjusted using the Oklahoma adjustments allowed in Title 68 O.S. Section 2358, to arrive at AGI from all sources. The AGI from all sources is used to determine the taxable income. The tax is then calculated. At this point, the tax is prorated using a percentage of the AGI from Oklahoma sources divided by the AGI from all sources. This prorated tax is the Oklahoma tax.

RESIDENCE DEFINED

RESIDENT...

An Oklahoma resident is a person domiciled in this state for the entire tax year. "Domicile" is the place established as a person's true, fixed, and permanent home. It is the place you intend to return whenever you are away (as on vacation abroad, business assignment, educational leave or military assignment). A domicile, once established, remains until a new one is adopted.

PART-YEAR RESIDENT...

A part-year resident is an individual whose domicile was in Oklahoma for a period of less than 12 months during the tax year.

NONRESIDENT...

A nonresident is an individual whose domicile was not in Oklahoma for any portion of the tax year.

MEMBERS OF THE ARMED FORCES...

Residency is established according to military domicile as established by the Soldiers' and Sailors' Civil Relief Act.

When the spouse of a military member is a civilian, most states, Oklahoma included, allow the spouse to retain the same legal residency as the military member. They file a joint resident tax return in the military members' State of Legal Residency (if required) and are taxed jointly under nonresident rules as they move from state to state. If the non-military spouse does not wish to retain the allowed residency of the military member, then the same residency rules apply as would apply to any other civilian. The spouse would then comply with all residency rules where living.

RESIDENCE DEFINED (CONTINUED)

MEMBERS OF THE ARMED FORCES (CONTINUED)...

A nonresident who is stationed in Oklahoma on active duty is exempt from Oklahoma Income Tax unless and until the military member chooses to establish a permanent residence in Oklahoma. This exemption applies only to military pay earned in Oklahoma by the servicemember; it does not include income earned by performing other services in the state. The earnings of the spouse of the servicemember may be exempt; see the "Nonresident Spouse of United States Military Servicemember" section.

RESIDENT/NONRESIDENT...

A nonresident filing a joint Federal return with an Oklahoma resident spouse may have options for filing the Oklahoma return(s). See "Filing Status" in the "Top of Form Instructions" on pages 7 and 8 for further information.

WHO MUST FILE?

• RESIDENT...

Every Oklahoma resident who has sufficient gross income to require the filing of a Federal income tax return is required to file an Oklahoma return, regardless of the source of income.

• PART-YEAR RESIDENT...

Every part-year resident, during the period of residency, has the same filing requirements as a resident. During the period of nonresidency, an Oklahoma return is also required if the Oklahoma part-year resident has gross income from Oklahoma sources of \$1,000 or more.

• NONRESIDENT...

Every nonresident with Oklahoma source **gross** income of \$1,000 or more is required to file an Oklahoma income tax return.

Note: If you do not have an Oklahoma filing requirement but had Oklahoma tax withheld or made estimated tax payments, see the section "Not Required to File" on page 5 for further instructions.

If you do have an Oklahoma filing requirement, but do not have a Federal filing requirement because your Federal gross income was not sufficient to meet the Federal filing requirement, complete line 19. Enter the amount of your gross income subject to the Federal filing requirement; in most cases this will be the same as your Federal Adjusted Gross Income. Write "not required to file" in the Federal amount column. In the Oklahoma amount column enter your income from Oklahoma sources. Then complete lines 40 through 56 that are applicable to you. Leave lines 25 through 39 blank. If you filed a Federal income tax return, please **enclose** a copy.

NONRESIDENT SPOUSE OF UNITED STATES MILITARY SERVICEMEMBER

On November 11, 2009, the President signed into law the Military Spouses Residency Relief Act (hereinafter, the "Act") (S.475). The Act amends the Servicemember Civil Relief Act to provide protection for a servicemember's spouse. The Act is effective for taxable year 2009 and thereafter. It does not affect taxes imposed or paid for 2008 and earlier.

Under the Act, a nonresident spouse of a nonresident servicemember may be exempt from Oklahoma income tax on income from services performed in Oklahoma if all of the following facts are true:

- the servicemember is present in Oklahoma in compliance with military orders;
- the spouse is in Oklahoma to be with the servicemember; and
- the spouse maintains the same domicile as the servicemember.

The "What is Oklahoma Source Income?" section on page 4 shows examples of the types of income which may be considered from Oklahoma sources, therefore subject to tax by Oklahoma, and types of income which are protected under the Act and therefore not subject to tax by Oklahoma.

If there is at least \$1,000 of gross income from Oklahoma sources, such as Oklahoma rental or royalty income, complete the Oklahoma Form 511NR according to the "Select Line Instructions".

If all of the income earned in Oklahoma is protected under the Act, and Oklahoma taxes were withheld, complete the Oklahoma Form 511NR according to the "Not Required to File" instructions found on page 5.

If the nonresident spouse of a United States Military Servicemember is claiming the exemption provided for under the Act, they must furnish copies of the servicemember's military W-2, the spouse's W-2, the Leave and Earnings Statement (LES), and copies of their Federal income tax return and the resident state's return to avoid delays in the processing of their Oklahoma income tax return.

Frequently Ask Questions (FAQs) relating to Individual Income Tax Issues for Military can be found on our website at: www.tax.ok.gov.

ESTIMATED INCOME TAX

You must make equal* quarterly estimated tax payments if you can reasonably expect your tax liability to exceed your withholding by \$500 or more and you expect your withholding to be less than the smaller of:

1. 70% of your current year's tax liability, or
2. The tax liability shown on your return for the preceding taxable year of 12 months.

Taxpayers who fail to make timely estimated tax payments may be subject to interest on underpayment. If at least 66-2/3% of your gross income for this year or last year is from farming, estimated payments are not required. If claiming this exception, please see line 44.

Form OW-8-ES, for filing estimated tax payments, will be supplied on request.

Estimated payments can be made through the Oklahoma Tax Commission website by e-check or credit card. Visit the "Payment Options" section at www.tax.ok.gov.

*For purposes of determining the amount of tax due on any of the respective dates, taxpayers may compute the tax by placing taxable income on an annualized basis. See Form OW-8-ES-SUP on our website at www.tax.ok.gov.

WHAT IS OKLAHOMA SOURCE INCOME?

The sources of income taxable to a **nonresident** are:

- (1) Salaries, wages and commissions for work performed in Oklahoma.
- (2) Income from an unincorporated business, profession, enterprise or other activity as the result of work done, services rendered, or other business activities conducted in Oklahoma.*
- (3) Distributive share of the Oklahoma part of partnership income, gains, losses or deductions.*
- (4) Distributive share from Sub-chapter S Corporations doing business in Oklahoma.*
- (5) Net rents and royalties from real and tangible personal property located in Oklahoma.
- (6) Gains from the sales or exchanges of real and tangible personal property located in Oklahoma.

* This includes Limited Liability Companies (LLCs).

WHAT IS OKLAHOMA SOURCE INCOME?

(CONTINUED)

Note: Salaries, wages and commissions for work performed in Oklahoma by a qualifying nonresident spouse of a military servicemember may not be subject to tax in Oklahoma and be protected under the Military Spouses Resident Act. (Civilian income earned in Oklahoma by the servicemember is not protected and is subject to Oklahoma tax.) Other examples of potentially protected income are:

- Personal service business income earned by the qualifying nonresident spouse. Examples of personal service business income include the business of a doctor, lawyer, accountant, carpenter or painter (these are examples only, and are not intended to be exclusive or exhaustive). A personal service business generally does not include any business that makes, buys, or sells goods to produce income.
- Income received from all sources of wagering, games of chance or any other winnings from sources within Oklahoma by the qualifying nonresident spouse. (Such income received by the servicemember is not protected and is subject to Oklahoma tax.)

The Oklahoma source income of a **part-year** resident is the sum of the following:

- (1) All income reported on your Federal return for the period you are a resident of Oklahoma, except income from real and tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state; and
- (2) the Oklahoma source income for the period you were a nonresident of Oklahoma.

The Oklahoma source income of a **resident** filing with a part-year resident or nonresident spouse will include all income reported on your Federal return except income from real or tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state.

USE TAX *Easy*

While living in Oklahoma, if you purchased items for use in Oklahoma from retailers who do not collect Oklahoma sales tax, you owe Oklahoma Use Tax on those items. Individuals in Oklahoma are responsible for paying use tax on their out-of-state purchases.

DUE DATE

Generally, your Oklahoma income tax return is due April 15th, the same day as your Federal return. However:

- If you file electronically (through a preparer or the internet), your due date is extended to April 20th. Any payment of taxes due on April 20th must be remitted electronically in order to be considered timely paid. If the balance due on an electronically filed return is not remitted electronically, penalty and interest will accrue from the original due date.
- If the Internal Revenue Code of the IRS provides for a later due date, your return may be filed by the later due date and will be considered timely filed. You should write the appropriate “disaster designation” as determined by the IRS at the top of the return, if applicable. If a bill is received for delinquent penalty and interest, you should contact the Oklahoma Tax Commission at the number on the bill.
- If the due date falls on a weekend or legal holiday when the Oklahoma Tax Commission offices are closed, your return is due the next business day. Your return must be postmarked by the due date to be considered timely filed.

NOT REQUIRED TO FILE

NO OKLAHOMA FILING REQUIREMENT...

Nonresident and part-year residents who do not have an Oklahoma filing requirement, as shown in the section “Who Must File?”, but had Oklahoma tax withheld or made estimated tax payments should complete the Form 511NR.

Complete the Form 511NR as follows:

1. Fill out the top portion of the Form 511NR according to the “Top of Form Instructions” on pages 7 and 8. Be sure and check the box “Not Required to File”.
2. If you are a nonresident or part-year resident who is not required to file because your gross Oklahoma source income is less than \$1,000, then complete lines 1-19 of the Federal amount column as per your Federal income tax return. **However, in the Oklahoma amount column, enter your gross income from Oklahoma sources and not the net income as would be reflected in your Federal adjusted gross income.**

OR

If you are a part-year resident who is not required to file because your Federal gross income was not sufficient to meet the Federal filing requirement, complete line 19. Enter the amount of your gross income subject to the Federal filing requirement; in most cases this will be the same as your Federal Adjusted Gross Income. Write “not required to file” in the Federal amount column. In the Oklahoma amount column enter your income from Oklahoma sources.

NOT REQUIRED TO FILE (CONTINUED)

3. Complete lines 40 through 56 that are applicable to you. Sign and mail in Form 511NR, pages 1 and 2 only. Do not mail in pages 3 and 4. Include page 5 only if you have an entry on line 50 “Donations from your refund”. Be sure to include your W-2s, 1099s or other withholding statements to substantiate any Oklahoma withholding.

If you filed a Federal income tax return, please **enclose** a copy.

WHAT IS AN EXTENSION?

A valid extension of time in which to file your Federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the Federal extension must be enclosed with your Oklahoma return. If your Federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504.

90% of the tax liability must be paid by the original due date of the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.

NET OPERATING LOSS

The loss year return must be filed to establish the Oklahoma Net Operating Loss.

Please use the 511NR-NOL schedules.

When there is a Federal net operating loss (NOL), an Oklahoma NOL must be computed as if all the income were earned in Oklahoma. The figures from the “Federal Amount Column” are used for this computation. The loss is carried as an Oklahoma NOL and deductible in the “Federal Amount Column”.

The true Oklahoma NOL is computed using the figures from the “Oklahoma Amount Column” and shall be allowed without regard to the existence of a Federal NOL. The loss is carried as an Oklahoma NOL and deductible in the “Oklahoma Amount Column”.

For tax years 2001 – 2007 and tax years 2009 and subsequent, the years to which an NOL may be carried shall be determined solely by reference to Section 172 of the Internal Revenue Code. For tax year 2008, years to which an NOL may be carried back shall be limited to two years.

An NOL resulting from a farming loss may be carried back in accordance with and to the extent of Section 172(b)(G) of the Internal Revenue Code. However, the amount of the NOL carryback shall not exceed the lesser of: \$60,000, or the loss properly shown on the Federal Schedule F reduced by half of the income from all other sources other than reflected on Schedule F. You can choose to treat the NOL as if it were not a farming loss. If you make this choice, the carryback period will be determined by reference to Section 172 of the Internal Revenue Code and the amount of the NOL carryback will not be limited.

(continued on page 6)

NET OPERATING LOSS (CONTINUED)

An election may be made to forego the carryback period. A written statement of the election must be part of the original timely filed Oklahoma loss year return. However, if you filed your return on time without making the election, you may still make the election on an amended return filed within six months of the due date of the original return (excluding extensions). Attach the election to the amended return. Once made, the election is irrevocable.

The Federal NOL allowed in the current tax year reported on Form 511NR, line 15 (other income), shall be added on Schedule 511NR-A, line 3 (Oklahoma additions) in the appropriate column. Enter as a positive number. The Oklahoma NOL(s) shall be subtracted on Schedule 511NR-B, line 9 (Oklahoma subtractions) in the appropriate column.

WHEN TO FILE AN AMENDED RETURN

If your net income for any year is changed by the IRS, an amended return shall be filed within one year. Part-year residents and nonresidents shall use Form 511NR. Place an "X" in the box at the top of the Form 511NR indicating the return to be an amended return and **enclose a copy of Federal Form 1040X, Form 1045, RAR, or other IRS notice, correspondence, and/or other documentation.**

Important: Enclose a copy of IRS refund check or statement of adjustment.

When amending Form 511NR, you must adjust line 43 (Oklahoma Income Tax Withheld) by subtracting previous overpayments or adding taxes previously paid. See the worksheet on page 5 of the Form 511NR.

If you discover you have made an error on your Oklahoma return, we may be able to help you correct the return. For additional information, contact our Taxpayer Assistance Division at one of the numbers shown on page 36.

Complete Oklahoma Form 511TX and furnish a copy of the other state(s) return or Form W-2G if the taxing state does not allow a return to be filed for gambling winnings (i.e. Mississippi). Personal service income not included in the "Oklahoma Amount" column does not qualify for this credit.

Note: Nonresident taxpayers do not qualify for this credit. Taxpayers who have claimed credit for taxes paid to another state on the other state's income tax return do not qualify to claim this credit on the Oklahoma return based on the same income.

40 Oklahoma Use Tax

(For taxpayers who lived at least part of 2010 in Oklahoma)

Every state with a sales tax has a companion tax for purchases made outside the state. In Oklahoma, that tax is called “use tax”. If you have purchased items for use in Oklahoma from retailers who do not collect Oklahoma sales tax whether by mail order, catalog, television shopping networks, radio, Internet, phone or in person, you owe Oklahoma use tax on those items. Use tax is paid by the buyer when the Oklahoma sales tax has not been collected by the seller. Individuals in Oklahoma are responsible for paying use tax on their out-of-state purchases.

Examples of items that are subject to sales tax include books, compact discs, computer equipment, computer software, electronics, clothing, appliances, furniture and other home furnishings, sporting goods and jewelry. When an out-of-state retailer does not collect Oklahoma sales tax, the responsibility of paying the tax falls on the purchaser.

Use tax is calculated at the same rate as sales tax, which varies by city and county. The state sales tax rate is 4.5% (.045) plus the applicable city and/or county rates. If you do not know the exact amount of Oklahoma use tax you owe based on your city and county sales tax rate, you can either:

1. Use the tax table on page 14 or multiply your Adjusted Gross Income from line 1 by 0.056% (.00056).
- or**

Oklahoma Use Tax (continued)

2. Use one of the worksheets below to calculate your Oklahoma use tax. Complete Worksheet One if you kept records of all of your out-of-state purchases. Complete Worksheet Two if you did not keep records of all of your out-of-state purchases.

Worksheet Two has two parts. The first part is a calculation of the amount due on items that cost less than \$1,000 each and the second part is a calculation of the amount due on items that cost \$1,000 or more each. The first calculation is based on a Use Tax Table that reflects the estimated amount of use tax due by taxpayers with varying amounts of Federal Adjusted Gross Income. The estimated amount is 0.056% (.00056) of Federal adjusted gross income. If you believe that estimate from the table is too high for your out-of-state purchases, you may estimate the amount you owe.

If you paid another state’s sales or use tax on any purchase, that amount may be credited against the Oklahoma use tax due on that purchase.

Note: Your use tax worksheets may be reviewed. If it is determined that you owe more use tax than what is shown on your return, you may be subject to an assessment for the additional use tax.

**See Page 14 for the
Oklahoma Use Tax Table**

| 5 | Subtract line 4 from line 3 and enter the results, rounded to the nearest whole dollar, here and on Form 511NR, line 40 | 5 | |

* Use tax is calculated the same as sales tax. Your local rate would be the state sales tax rate of 4.5% (.045) plus the applicable city and/or county rate based on where you lived when the purchase was made. The rate charts can be found on our website at: www.tax.ok.gov.

41 Business Activity Tax

Every sole proprietor or farmer doing business in Oklahoma is required to file a Form 511-BAT. If filing a joint return and both spouses are doing business in Oklahoma, complete only one Form 511-BAT. If you began doing business in Oklahoma prior to January 1, 2010, you are subject to an annual Business Activity Tax of \$25. The Form 511-BAT must be enclosed with your income tax return whether or not the \$25 is due. The Form 511-BAT can be downloaded from our website at www.tax.ok.gov.

43 Oklahoma Income Tax Withheld

- If you have Form(s) W-2 showing Oklahoma income tax withheld, you should also have Oklahoma wages on the front page, Form 511NR, line 1 in the Oklahoma Amount column. **Enclose** Form(s) W-2 to substantiate Oklahoma withholding.

If your employer withheld Oklahoma taxes from your wages in error, you must file an Oklahoma return in order to receive a refund even though you have no income from Oklahoma sources. A letter from your employer, on company letterhead, and signed by an authorized company official, explaining the error must accompany your return.

- Oklahoma income tax is withheld from royalty payments paid to nonresident royalty owners. Enter the withholding on this line. You should have Oklahoma royalty income on the front page of Form 511NR in the Oklahoma amount column. **Enclose** Form 1099-MISC, Form 500-A, Form K-1 or other documentation to substantiate Oklahoma withholding.

- Oklahoma income tax is withheld from distributions made by pass-through entities (partnerships, S corporations, limited liability companies or trusts) to nonresident members. If you are a nonresident member of a pass-through entity, Oklahoma income tax should have been withheld on any distribution of Oklahoma taxable income. Enter the Oklahoma income tax withheld on your distribution. **Enclose** Form 500-B to substantiate Oklahoma withholding.

If you are entering withholding on this line, you should also have distributive income/(loss) from the pass-through entity on the front page of Form 511NR in the Oklahoma Amount Column. If not, **enclose** an explanation.

Note: If you are a nonresident partner and are electing to be included in a composite return or are a nonresident shareholder who has not filed a Form 512SA, do not include your withholding on this line. The partnership or the S corporation will claim the withholding on their return.

For Amended Returns Only

- When amending Form 511NR you must adjust Form 511NR, line 43 (Oklahoma Income Tax Withheld) by subtracting any previous overpayments or adding any tax previously paid. See the worksheet on page 5 of Form 511NR.

44 Oklahoma Estimated Tax Payment

Enter any payments you made on your estimated Oklahoma income tax for 2010. Include any overpayment from your 2009 return that you applied to your 2010 estimated tax. If at least 66-2/3% of your gross income is from farming, estimate payments are not required. 46 Earned Income Credit

Residents and part-year residents are allowed an Earned Income Credit. Enter the total from Schedule 511NR-E, line 4. See instructions on page 24.

49 Amount Credited to 2011 Estimated Tax

Refunds applied to the following year's Oklahoma Estimated Income Tax (at the taxpayer's request) may not be adjusted after the original due date of the return.

50 Donations

Schedule 511NR-F provides you with the opportunity to make a financial gift from your refund to a variety of Oklahoma organizations. Please note that this reduces your refund if you choose to donate. The donation will be forwarded to the appropriate agency.

Descriptive information for Schedule 511NR-F is on page 6 of the Form 511NR.

Place the line number of the organization from Schedule 511NR-F in the box on line 50. If giving to more than one organization, put a "99" in the box on line 50.

54 Underpayment of Estimated Tax Interest

You were required to make estimated tax payments if your income tax liability exceeds your withholding by \$500 or more. To avoid the 20% Underpayment of Estimated Tax Interest, timely filed estimated tax payments and withholding are required to be the smaller of:

- 70% of the current year tax liability, or
- 100% of your prior year tax liability.

The income tax liability is the Oklahoma income tax due less all credits except amounts paid on withholding, estimated tax and extension payments.

Note: No underpayment of estimated tax interest shall be imposed if the income tax liability shown on the return is less than \$1,000. If you do not meet one of the above exceptions, you may complete Form OW-8-P or the Oklahoma Tax Commission will figure the interest and send you a bill.

55 Delinquent Penalty and Interest

After the original due date of the return, compute 5% penalty on the income tax due (line 53 minus lines 40 and 41). Compute interest on the income tax due at 1 1/4% per month from the original due date of the return. An extension does not extend the date for payment of tax.

Note: If you have a valid extension of time to file your tax return, delinquent penalty is not due if 90% of your income tax was paid by the original due date of the return. Delinquent interest is due on any income tax not paid by the original due date of the return.

Title 68, Oklahoma Statutes, provides that any term used in this Act shall have the same meaning as when used in a comparable context in the Internal Revenue Code, except when specifically provided for in the Oklahoma Statutes or rules.

2-D BARCODE INFORMATION

Does Your
Form Have
One of These?

If you recognize this barcode from your tax return, your return was prepared using computer software utilizing two dimensional barcoding. This means your tax information will be processed faster and more accurately and you will see your refund check faster!

The Oklahoma Tax Commission accepts 2-D barcode Forms 511 and 511NR income tax returns. Below are answers to common questions about barcoding.

What Are the Benefits of 2-D Barcoding?

This technology converts the information on a tax return into a scannable barcode. In seconds, the Oklahoma Tax Commission can read the barcode, process it immediately into our system, and eliminate the need for any manual data entry. This enables the Oklahoma Tax Commission to process more returns, faster and with no errors. Ultimately, this means faster refunds for the taxpayers of Oklahoma.

What about Print Quality?

Generally, even when damaged, a 2-D barcode can be read with 100% accuracy, as long as the print quality is set at a high level (not draft).

Where Do I Mail 2-D forms?

The mailing address for 2-D income tax forms is:
Oklahoma Tax Commission
Post Office Box 269045
Oklahoma City, OK 73126-9045

This special mailing address is for 2-D forms only.

GET YOUR REFUND FASTER - USE DIRECT DEPOSIT!

Please complete the direct deposit box on the tax return if you want us to directly deposit the amount shown on the refund line of your return into your account at a bank or other financial institution instead of sending you a check.

- 1** Check the appropriate box as to whether the check will be going into a checking or savings account. Please keep in mind you will not receive notification of the deposit.
- 2** Fill out the routing number. The routing number must be nine digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check will be issued instead. Using the sample check shown below, the routing number is **120120012**.
- 3** Enter your account number. The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check shown below, the account number is **2020268620**.

Please Note: The Oklahoma Tax Commission is not responsible if a financial institution refuses a direct deposit. If a direct deposit is refused, a check will be issued to the address shown on your tax return. Also note, the Oklahoma Tax Commission will only issue one payment per bank account number. Therefore, if more than one refund is requested for direct deposit to the same bank account, the second and subsequent payments will be issued by paper check to the address shown on the tax return(s).

WARNING! Due to changes in the electronic banking rules, the Oklahoma Tax Commission will no longer allow direct deposits to or through foreign financial institutions. If you use a foreign financial institution or have a foreign address on your income tax return you will be issued a paper check. If you have an address with an APO, FPO or DPO you are not considered to have a foreign address; your refund is eligible for direct deposit.
