## **How nonresidents and part-year residents are taxed:**

- The Oklahoma taxable income of a part-year individual or nonresident individual shall be calculated as if all income were earned in Oklahoma, using Form 511NR. The Federal adjusted gross income (AGI) will be adjusted using the Oklahoma adjustments allowed in Title 68 O.S., Section 2358, to arrive at an Oklahoma AGI from all sources. The Oklahoma AGI from all sources is used to determine the Oklahoma taxable income. The tax is then calculated using Tax Tables 1 and 2. At this point, the tax is prorated using a percentage of the AGI from Oklahoma sources divided by the AGI from all sources. This prorated tax is the Oklahoma tax.

# What's New in the 2002 Oklahoma Tax Booklet?

The Oklahoma return is now a 5 page form. Two new schedules have been added. They are Schedule 511NR-F and Schedule 511NR-G.

If you are a resident or a part-year resident and you qualify for the Federal earned income credit, you will qualify for the Oklahoma Earned Income Credit. For more information see the instruction for line 47 on page 9 and Schedule 511NR-F on page 14.

You can make a donation to the Oklahoma School for the Blind and the Oklahoma School for the Deaf. All of the donations are listed on Schedule 511-G. For more information see pages 5 and 6 of the Form 511NR.

See Schedule 511NR-C, line 7 instructions on page 13 for information on the Oklahoma 529 College Savings Plan deduction.

Interest from Oklahoma municipal bonds may be exempt. For more information see the instructions on Schedule 511NR-A, Line 1 on page 10.

An individual business owner can now establish a Coal Credit. The coal credit is claimed on Form 511CR. See page 8 for information on how to obtain the Form 511CR.

Employers incurring expenses to provide Oklahoma child care services for children of their employees may be allowed a credit and therefore also make a corresponding adjustment to income. The Credit for Employers Providing Child Care Programs is claimed on Form 511CR. See page 8 for information on how to obtain the Form 511CR. For information on the corresponding adjustment to income see "Employers Providing Child Care Programs for their Employees" on page 10.

## Residence Defined

### Resident...

An Oklahoma resident is a person domiciled in this state for the entire tax year. "Domicile" is the place established as a person's true, fixed, and permanent home. It is the place you intend to return to whenever you are away (as on vacation abroad, business assignment, education leave or military assignment). A domicile, once established, remains until a new one is adopted.

### Part-Year Resident...

A part-year resident is an individual whose domicile was in Oklahoma for a period of less than 12 months during the tax year.

### Nonresident...

A nonresident is an individual whose domicile was not in Oklahoma for any portion of the tax year.

### Members of the Armed Forces...

Residency is established according to military domicile as established by the Soldiers' and Sailors' Civil Relief Act.

When the spouse of a military member is a civilian, most states, Oklahoma included, allow the spouse to retain the same legal residency as the military member. They file a joint resident tax return in the military members' State of Legal Residency (if required) and are taxed jointly under nonresident rules as they move from state to state. If the non-military spouse does not wish to choose the allowed residency of the military member, then the same residency rules apply as would apply to any other civilian. The spouse would then comply with all residency rules where living.

A nonresident who is stationed in Oklahoma on active duty is exempt from Oklahoma Income Tax unless and until the military member chooses to establish a permanent residence in Oklahoma. This exemption applies only to military pay earned in Oklahoma. It does not include income earned by performing other services in the state or earnings of the spouse of a service-member.

### Resident/Nonresident...

A nonresident filing a joint Federal return with an Oklahoma resident spouse may have options on how to file the Oklahoma return(s). See "Filing Status" in the "Top of Form Instructions" on page 5 for further information.

## Who Must File?

### • Resident...

Every Oklahoma resident who has sufficient gross income to require them to file a Federal income tax return is required to file an Oklahoma return, regardless of the source of income.

### • Part-Year Resident...

Every part-year resident, during the period of residency, has the same filing requirements as a resident. During the period of nonresidency, an Oklahoma return is also required if the Oklahoma part-year resident has gross income from Oklahoma sources of \$1,000 or more.

### • Nonresident...

Every nonresident with Oklahoma source **gross** income of \$1,000 or more is required to file an Oklahoma income tax return.

Note: If you **do not** have an Oklahoma filing requirement but had Oklahoma tax withheld or made estimated tax payments, see the next section "Not Required to File" for further instructions.

If you **do** have an Oklahoma filing requirement, but do not have a Federal filing requirement, write "not required to file" in the Federal Amount column. Complete the Oklahoma Amount column showing the gross Oklahoma source income. Then complete lines 44 through 53 that are applicable to you. Leaves lines 25 through 43 blank. If you filed a Federal income tax return, please provide a copy.

## Not Required to File

Nonresident and part-year residents who do not have an Oklahoma filing requirement, as shown in the section "Who Must File?", but have Oklahoma tax withheld or made estimated tax payments should complete the Form 511NR. The Form 511RF is no longer available.

### Complete the Form 511NR as follows:

1. Fill out the top portion of the Form 511NR according to the "Top of Form Instructions" on page 5. Be sure and check the box "Not Required to File".

2. Next, if you are a nonresident or part-year resident who is not required to file because your gross Oklahoma source income is less than \$1,000, then complete lines 1-19 of the Federal amount column as per your Federal income tax return. **However, in the Oklahoma amount column, enter your gross income from Oklahoma sources and not the net income as would be reflected in your Federal adjusted gross income.**

OR

If you are a part-year resident who is not required to file because your Federal gross income was not sufficient to meet the Federal filing requirement, complete line 19. Enter the amount of your gross income subject to the Federal filing requirement. In most cases this will be the same as your Federal Adjusted Gross Income. Do not enter anything in the Oklahoma amount column.

3. Then, complete lines 44 through 53 that are applicable to you. Sign and mail in Form 511NR, pages 1 and 2 only. Do not mail in pages 3, 4 and 5. Be sure and include your W-2s or 1099s to substantiate the Oklahoma withholding.

## What Is Oklahoma Source Income?

The sources of income taxable to a **nonresident** are:

- (1) Salaries, wages and commissions for work performed in Oklahoma.
- (2) Income from an unincorporated business, profession, enterprise or other activity as the result of work done, services rendered, or other business activities conducted in Oklahoma.\*
- (3) Distributive share of the Oklahoma part of partnership income, gains, losses or deductions.\*
- (4) Distributive share from Sub-chapter S Corporations doing business in Oklahoma.\*
- (5) Net rents and royalties from real and tangible personal property located in Oklahoma.
- (6) Gains from the sales or exchanges of real property located in Oklahoma.
- (7) Income received from all sources of wagering, games of chance or any other winnings from sources within this state. Proceeds which are not money shall be taken into account at their fair market value.

\* This includes distributions from Limited Liability Companies (LLCs).

The Oklahoma source income of a **part-year** resident is the sum of the following:

- (1) All income reported on your Federal return for the period you are a resident of Oklahoma, except income from real and tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state; and
- (2) the Oklahoma source income for the period you were a nonresident of Oklahoma.

The Oklahoma source income of a **resident** filing with a part-year resident or nonresident spouse will include all income reported on your Federal return except income from real or tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state.

## Estimated Income Tax...

You must make equal\* quarterly estimated tax payments if you can reasonably expect your tax liability to exceed your withholding by \$500 or more **and** you expect your withholding to be less than the smaller of:

1. 70% of your current year's tax liability, or
2. The tax liability shown on your return for the preceding taxable year of 12 months.

Taxpayers who fail to pay estimated tax may be subject to interest on underpayment. Form OW-8-ES, for filing estimated tax payments, will be supplied on request. If at least 66-2/3% of your gross income for this year or last year is from farming, estimated payments are not required. If claiming this exception, please see line 45.

*\*For purposes of determining the amount of tax due on any of the respective dates, taxpayers may compute the tax by placing taxable income on an annualized basis. See Form OW-8-ES-SUP.*

## Net Operating Loss...

### **Please use the 511NR NOL schedules. (Form 511NR-NOL)**

When there is a Federal net operating loss, an Oklahoma net operating loss must be computed as if all the income were earned in Oklahoma. The figures from the "Federal Amount Column" are used for this computation. The loss is carried as an Oklahoma net operating loss and deductible in the "Federal Amount Column."

The true Oklahoma net operating loss is computed using the figures from the "Oklahoma Amount Column" and shall be allowed without regard to the existence of a Federal net operating loss. The loss is carried as an Oklahoma net operating loss and deductible in the "Oklahoma Amount Column".

Beginning with tax year 2001, NOLs may be carried forward and back in accordance with Section 172 of the Internal Revenue Code. For tax years 1996-2000, NOLs may not be carried back but may be carried forward for a period of time not to exceed 15 years.

Beginning with tax year 2000, an NOL resulting from a farming loss may be carried back in accordance with and to the extent of Section 172(b)(G) of the Internal Revenue Code. However, the amount of the NOL carryback shall not exceed the lesser of: \$60,000.00, or the loss properly shown on the Federal Schedule F reduced by half of the income from all other sources other than reflected on Schedule F. You can choose to treat the NOL as if it were not a farming loss. If you make this choice, the carryback period will be determined by reference to Section 172 of the Internal Revenue Code and the amount of the NOL carryback will not be limited.

An election may be made to forego the carryback period. A written statement of the election must be part of the original timely filed Oklahoma loss year return. However, if you filed your return on time without making the election, you may still make the election on an amended return filed within six months of the due date of the return (excluding extensions). Attach the election to the amended return. Once made, the election is irrevocable.

The Federal NOL allowed in the current tax year reported on Form 511NR, line 15 (other income), shall be added on Schedule 511NR-A, line 3 (Oklahoma additions) in the appropriate column. The Oklahoma NOL(s) allowed/absorbed in the current tax year shall be subtracted on Schedule 511NR-B, line 7 (Oklahoma subtractions) in the appropriate column.

## Helpful Hints

- File your return by April 15, 2003. If you need to file for an extension, use Form 504 and then later, file Form 511NR.
- After filing, if you have questions regarding the status of your refund, please call (405) 521-3160. The in-state toll-free number is (800) 522-8165, extension 1-3160.
- If you fill out any portion of Schedules 511NR-A through 511NR-G, you are required to enclose those pages with your return. Failure to include the pages will result in a delay of your refund.
- Do not enclose any correspondence other than those documents and schedules required for your return.

## What Is an "Extension?"

A valid extension of time in which to file your Federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the Federal extension must be enclosed with your Oklahoma return. If your Federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504.

**90% of the tax liability must be paid by the original due date of the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.**

## When to File an Amended Return

If your net income for any year is changed by the IRS, an amended return shall be filed within 1 year. Part-year residents and nonresidents shall use Form 511NR, place an X in the space provided in the upper left hand corner of the form next to the form number (511NR X) and enclose a copy of Federal Form 1040X or 1045.

**Important:** Enclose a copy of IRS refund or statement of adjustment.

When amending Form 511NR, you must adjust Form 511NR, line 44 (Oklahoma Income Tax Withheld) by subtracting previous overpayments or adding tax previously paid.

If you discover you have made an error on your Oklahoma return, we may be able to help you correct the return. For additional information, contact our Taxpayer Assistance Division at one of the numbers shown on page 28.

## All About Refunds...

Once your return is filed, if you have any questions regarding your refund, please call (405) 521-3160. If you are calling from within Oklahoma, please call (800) 522-8165, extension 1-3160.

When your original return is timely filed, you may have any amount of overpayment applied to your next year's estimate. Refunds applied to the following year's Oklahoma Estimated Income Tax (at the taxpayer's request) may not be adjusted after the original due date of the return. If you are receiving a refund, your return must be signed. If a joint return, both the taxpayer and spouse must sign the return.

## Before You Begin

You must complete your Federal income tax return before you begin your Oklahoma income tax return. You will use the information entered on your Federal return to complete your Oklahoma return.

Remember, when completing your Oklahoma return, round all amounts to the nearest dollar.

Example:

\$2.01 to \$2.49 - round down to \$2.00

\$2.50 to \$2.99 - round up to \$3.00

## Social Security Number

Please enter your social security number. Also, if you file married filing joint, please enter your spouse's social security number in the space provided.

## Name and Address

If you received a booklet with a pre-printed form in the center, please use it. Using the pre-printed form will speed the processing of your return. If your packet does not contain this feature, please print or type the requested information.

## What About Deceased Taxpayers?

If a taxpayer died before filing a return, the executor, administrator or surviving spouse must file a return for the decedent. Enter the date of death following the first name of the decedent.

## Filing Status

The filing status for Oklahoma purposes is the same as on the Federal income tax return, with one exception. This exception applies to married taxpayers who file a joint federal return where one spouse is an Oklahoma resident (either civilian or military), and the other is a nonresident civilian (non-military). In this case the taxpayer must either:

- File as Oklahoma married filing separate. The Oklahoma resident, filing a joint Federal return with a nonresident civilian spouse, may file his/her Oklahoma return as married filing separate. If the nonresident civilian has an Oklahoma filing requirement, he/she will file on Form 511NR, using married filing separate rates and reporting his/her income and deductions. The resident will file on Form 511 using the married filing separate rates and reporting only his/her income and deductions. Form 574 "Allocation of Income and Deductions" must be filed with the return(s). You can obtain this form by calling our forms request line at (405) 521-3108 or from our website at [www.oktax.state.ok.us](http://www.oktax.state.ok.us).

**OR**

- File, as if both the resident and the nonresident civilian were Oklahoma residents, on Form 511. Use the "married filing joint" filing status, and report all income. A tax credit (Oklahoma Form 511TX) may be used to claim credit for taxes paid to the other state, if applicable. A statement should be attached to the return stating the nonresident is filing as a resident for tax purposes only.

The above exception does not apply if: 1) either spouse is a part-year resident or 2) an Oklahoma resident (either civilian or military) files a joint Federal return with a nonresident MILITARY spouse. They shall use the same filing status as on the Federal return. If they file a joint Federal return, they shall complete Form 511NR and include in the Oklahoma amount column, all Oklahoma source income of both spouses.

## Residency Status

**Nonresident** - Check this box only if a nonresident the entire year. If filing a joint return, both must be nonresidents the entire year.

Your allowed Federal credit cannot exceed the amount of your Federal tax reported on your Federal return.

Enclose a copy of Federal Form 2441 and page 2 of Form 1040 or Form 1040A, including Schedule 2.

*Note: Do not use the Federal child tax credit when computing the Oklahoma credit. The Oklahoma child care credit is based on a percentage of the Federal child care credit only.*

**38 Tax Base**

This is the amount of tax computed on the total income from all sources. **This is not your Oklahoma income tax.** To determine your Oklahoma income tax, complete Form 511NR, lines 39 and 40.

**39 Tax Percentage**

The tax base (line 38) is prorated using a percentage of the AGI from Oklahoma sources divided by the AGI from all sources. This prorated tax is your Oklahoma income tax (line 40). Enter the Oklahoma Amount from Form 511NR, "Federal Column", line 23 in box "a". Enter the Federal Amount from Form 511NR, "Federal Column", line 24 in box "b". Divide "a" by "b". Do not enter more than 100%.

**40 This is your Oklahoma Income Tax**

The Oklahoma Percentage from Form 511NR, line 39 shall be multiplied by the amount of base tax (Form 511NR, line 38) in order to determine the amount of income tax which must be paid to the State of Oklahoma.

**41 Credit for Tax Paid another State**

A resident or part-year resident taxpayer who receives income for personal services from another state while a resident of Oklahoma must report the full amount of such income in the "Oklahoma Amount" column. If the other state also taxes the income, a credit is allowed on Form 511NR. Complete Oklahoma Form 511TX and furnish a copy of other state(s) return. Personal service income not included in the "Oklahoma Amount" column does not qualify for this credit.

*Note: Nonresident taxpayers do not qualify for this credit. Taxpayers who have claimed credit for taxes paid to another state on the other state's income tax return do not qualify to claim this credit based on the same income.*

**42 Other Credits**

The amount of other credits as claimed on Form 511CR should be entered on this line. Enter in the box the number that corresponds with the credit to which you are entitled. If you are taking more than one credit, enter "99" in the box. See the column below for a list of the credits available on Form 511CR. ### 44 Oklahoma Income Tax Withheld

If you have Form W-2 showing Oklahoma income tax withheld, you should also have Oklahoma wages on the front page, Form 511NR, line 1 in the Oklahoma Amount column.

*If your employer withheld Oklahoma taxes from your wages in error, you must also file an Oklahoma return in order to receive a refund even though you have no income from Oklahoma sources. A letter from your employer, on company letterhead, and signed by authorized company official, explaining the error must accompany your return.*

Oklahoma withholding is withheld from royalty payments paid to nonresident royalty owners. Enter the withholding on this line. You should have Oklahoma royalty income on the front page of Form 511NR in the Oklahoma amount column.

When amending Form 511NR you must adjust Form 511NR, line 44 (Oklahoma Income Tax Withheld) by subtracting any previous overpayments or adding any tax previously paid.

### 45 Oklahoma Estimated Tax Payment

Enter on line 45, any payments you made on your estimated Oklahoma income tax for 2002. Include any overpayment from your 2001 return that you applied to your 2002 estimated tax. If at least 66-2/3% of your gross income is from farming, estimate payments are not required. If claiming this exception, you must mark the box on this line and enclose a complete copy of your Federal return.

*Note: See page 3, "Estimated Income Tax..." for information on who is required to make estimated tax payments.*

### 46 Payments With Extension

If you filed Oklahoma extension Form 504 for 2002, enter any amount you paid with that form.

### 47 Earned Income Credit

Residents and part-year residents are allowed an Earned Income Credit. Enter the total from Schedule 511NR-F, line 4. See instructions on page 14.

*Note: Nonresidents do not qualify for this credit.*

### 50 Amount Credited to 2003 Estimated Tax

Refunds applied to the following year's Oklahoma Estimated Income Tax (at the taxpayer's request) may not be adjusted after the original due date of the return.

### 51 Donations

Schedule 511NR-G provides you with the opportunity to make a financial gift from your refund to a variety of Oklahoma organizations. Please note that this reduces your refund if you choose to donate. The donation will be forwarded to the appropriate agency.

Descriptive information for Schedule 511NR-G is on pages five and six of the Form 511NR.

Place the line number of the organization from Schedule 511NR-G in the green oval on line 51. If giving to more than one organization, put a "99" in the green oval on line 51.

### 55 Oklahoma Organ Donor Education Fund

A donation to this fund may also be made on a tax due return. For information regarding this fund, please see the information on page six of Form 511NR.

### 56 Underpayment of Estimated Tax Interest

You were required to make estimated tax payments if your tax liability exceeds your withholding by \$500 or more. To avoid the 20% Underpayment of Estimated Tax Interest, timely filed estimated tax payments and withholding are required to be equal to the smaller of 70% of the current year tax liability or 100% of your prior year tax. The tax liability is the Oklahoma Income Tax due less all credits except amounts paid on withholding, estimated tax and extension payments. **Note:** No Underpayment of Estimated Tax Interest shall be imposed if the tax liability shown on the return is less than \$1,000.

If you do not meet one of the above exceptions, you may complete Form OW-8-P or the Oklahoma Tax Commission will figure the interest for you and send you a bill.

### 57 Delinquent Penalty and Interest

After the original due date of the return, compute 5% penalty on the tax due (line 54). Compute interest on the tax due at 1 1/4% per month from the original due date of the return. An extension does not extend the date for payment of tax.

*Title 68, Oklahoma Statutes, provides that any term used in this Act shall have the same meaning as when used in a comparable context in the Internal Revenue Code, except when specifically provided for in the Oklahoma Statutes or rules.*

The "Federal Amount" column is a summary of your Oklahoma allowable additions and subtractions from ALL SOURCES, as though all income and deductions are from Oklahoma sources.

## All About Direct Deposit...

### Filling Out Direct Deposit Box...

Please complete the direct deposit box on the tax return if you want us to directly deposit the amount shown on the refund line of your return into your account at a bank or other financial institution instead of sending you a check.

**First**, check the appropriate box as to whether the check will be going into a checking or savings account. Please keep in mind you will not receive notification of the deposit.

**Next**, fill out the routing number. The routing number must be nine digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check will be issued instead. Using the sample check shown below, the routing number is 120120012.

**Last**, enter your account number. The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check shown below, the account number is 2020268620.

**Please Note:**  
The Oklahoma Tax Commission is not responsible if a financial institution refuses a direct deposit. If a direct deposit is refused, a check will be issued.

The sample check includes the following details:

- Payee:** JOE SMITH, SUSIE SMITH, 123 Main Street, Anyplace, OK 00000
- Amount:** \$1234 (1234 DOLLARS)

Instructions...

Use this table if your taxable income is less than \$50,000 after you deduct Federal Income Tax.

If your taxable income is \$50,000 or more, use the tax computation on the lower quarter of page 27.

For an example, please see the box to the right.

Example...

Mr. and Mrs. Smith are filing a joint return. Their Oklahoma Taxable Income after deducting Federal Income Tax is \$21,760. First, they find the \$21,750 - \$21,800 income line. Next, they find the column for *married filing jointly* and read down the column. The amount shown where the income line and filing status column meet is \$1,049 (see example at right). This is the amount they must write on the Method 2 tax line on their return.
