## GENERAL FILING INFORMATION

### WHO MUST FILE

All corporations having an election in effect under Subchapter S of the Internal Revenue Code engaged in business or deriving income from property located in Oklahoma and required to file a federal income tax return using Form 1120-S, must file a return on Form 512-S. Do not use Form 512.

A complete copy of the Federal return must be enclosed with the Oklahoma income tax return. For S-corporations who are not required to complete the Federal Schedules L and M-1, copies of the balance sheets from their financial statement must be enclosed. Failure to enclose the required documentation may cause a delay in the processing of the S-corporation's income tax return as well as the income tax returns of its shareholders.

### TIME AND PLACE FOR FILING

The return must be filed on or before the 15th day of the third month following the close of the taxable year, with the Oklahoma Tax Commission, PO Box 26800, Oklahoma City, Oklahoma 73126-0800. A valid extension of time in which to file your federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the federal extension must be enclosed with your Oklahoma return. If your federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return may be granted on Form 504.

In the case of complete liquidation or the dissolution of a corporation, the return shall be made on or before the 15th day of the fourth month following the month in which the corporation is completely liquidated (or federal due date).

### FISCAL YEAR AND SHORT PERIOD RETURNS

For all fiscal year and short period returns, the beginning and ending dates of the tax year must be shown on the top portion of the return where indicated. Omission of this information may cause a significant delay in the processing of the return and no interest will accrue on any refund pending.

### WITHHOLDING ON NONRESIDENT MEMBERS

Pass-through entities (partnerships, S corporations, limited liability companies or trusts) are required to withhold Oklahoma income tax at a rate of 5% of the Oklahoma share of taxable income distributed to each nonresident member (partner, member, shareholder or beneficiary). A pass-through entity is **not** required to withhold income tax with regard to any nonresident member who submits a Nonresident Member Withholding Exemption Affidavit (Form OW-15). Title 68 O.S. Sections 2385.29, 2385.30 and 2385.31

Withholding is not required on distributions made to persons, other than individuals, who are exempt from federal income tax; organizations granted an exemption under Section 501(c)(3) of the Internal Revenue Code; insurance companies subject to the Oklahoma Gross Premiums Tax and therefore exempt from Oklahoma income tax under Title 68 O.S. Section 2359(c); and nonresident members who have filed the Form OW-15 "Nonresident Member Withholding Exemption Affidavit".

### WITHHOLDING ON NONRESIDENT MEMBERS, CONTINUED...

Withholding is not required on any distribution of royalty income on which the 6.75% royalty interest income tax has already been withheld, on any distribution made to another pass-through entity or on any distribution of income not subject to Oklahoma income tax.

The following pass-through entities are not required to withhold:

- An entity electing to be treated as a disregarded entity for federal income tax purposes. A disregarded entity is an eligible entity that is treated as an entity that is not separate from its single owner.
- An entity that does not have a requirement, or properly elects out of the requirement, to file a federal income tax return is not required to withhold under this section.
- An entity making distributions of income not subject to Oklahoma income tax.

#### · Distributions made from the S Corporation

S corporations, that make distributions subject to Oklahoma withholding, must register with the Oklahoma Tax Commission. Register by completing the registration form "Registration for Oklahoma Withholding for Nonresident Members" (Form OW-11). This form can be obtained by calling our forms request line at (405) 521-3108 or from our website at: [www.oktax.state.ok.us](http://www.oktax.state.ok.us).

To file and pay the income tax withheld, the S corporation must complete Form OW-9-C "Nonresident Oklahoma Distributed Income Withholding Tax Report". The S corporation will file Form OW-9-C on or before the due date (including extensions) of the S corporation's income tax return.

The S corporation must provide nonresident shareholders a Form 500-B, by the due date (including extensions) of its income tax return, showing their respective amount of income and tax withheld. Each nonresident shareholder must enclose a copy of the Form 500-B with their Oklahoma income tax return as verification for this withholding. Copies of Form 500-B's, along with the cover Form 501, must be sent to the Oklahoma Tax Commission by the same date.

For S corporations paying the tax on behalf of nonresident shareholders, the nonresident shareholder's withholding can be claimed on Form 512-S, part 1, line 11. A copy of the nonresident shareholder's Form 500-B must be enclosed with the Form 512-S.

### AGRICULTURAL COMMODITY PROCESSING FACILITY EXCLUSION

Owners of agricultural commodity processing facilities may exclude fifteen percent (15%) of their investment in a new or expanded agricultural commodity processing facility located within Oklahoma. Agricultural commodity processing facility means buildings, structures, fixtures and improvements used or operated primarily for the processing or production of agricultural commodities to marketable products. The investment is deemed made when the property is placed in service. Under no circumstances shall this exclusion lower the shareholder's taxable income below zero. In the event the exclusion does exceed income, any unused portion may be carried over for a period not to exceed six (6) years.

Attach a separate schedule showing the type of investment(s), the date placed in service, the cost, the total exclusion and the exclusion available for each shareholder. Do not include this exclusion in the Oklahoma net distributable income; each shareholder shall report his/her allowable share of the exclusion on the designated line of their individual return. For a nonresident who does not file a nonresident agreement, include the shareholder's allowable share in Part 5, column 8.

**OKLAHOMA DEPLETION IN LIEU OF FEDERAL DEPLETION**

Oklahoma depletion on oil and gas well production, at the option of the taxpayer, may be computed at 22% of gross income derived from each Oklahoma property during the taxable year. Major oil companies, as defined in Title 52 O.S. Section 288.2, when computing Oklahoma depletion shall be limited to 50% of the net income (computed without the allowance for depletion) from each property. Any depletion deduction allowable is the amount so computed minus federal depletion claimed. If Oklahoma options are exercised, the federal depletion not used due to 65% limit may not be carried over. Lease bonus received is considered income subject to depletion. If depletion is claimed on a lease bonus and no income is received as a result of non-producing properties, upon expiration of the lease, such depletion must be restored. A complete schedule by property must be furnished.

**UNDERPAYMENT OF ESTIMATED TAX INTEREST**

All S corporations, which are paying tax at the corporate level, are required to make estimated tax payments when the tax for the taxable year can reasonably be expected to be \$500 or more. The estimated tax payments shall not be less than 70% of the amount of tax due, (tax liability less all credits except amounts paid on estimated tax and extension payments) or 100% of the prior year's tax liability. Should deficiencies occur, the amount of underpayment shall be subject to interest at an annual rate of 20%, or fraction thereof, for the period of underpayment. (Enclose Form OW-8-P.)

*Note: No underpayment of estimated tax interest shall be imposed if the tax liability shown on the return is less than \$1,000.*

**AMENDED RETURNS**

Use Form 512-S for all amended returns. Place an X in the space provided, in the upper right hand corner of the form, next to the form number (512-S X). Enclose Federal Amended Form 1120-S when applicable.

When amending Form 512-S for S corporations which are paying tax at the corporate level, line 9 (tax paid on 2004 estimate) must be adjusted by subtracting previous overpayments or adding tax previously paid. An overpayment on an amended return may not be credited to estimated tax, but will be refunded. The amount applied to estimated tax on the original return can not be adjusted.

**ADJUSTMENTS BY INTERNAL REVENUE SERVICE**

Taxpayers who file "consents" extending the time for making federal adjustments automatically extend the time for making State adjustments. Also, the taxpayer is required to file an amended return reporting all Internal Revenue Agents' adjustments. A copy of the finalized RAR must be furnished.

**BANK AND CREDIT UNIONS**

State and national banks and state credit unions, making a federal Subchapter S election, shall not pay an "In Lieu" tax of 6% per Title 68 O.S. Section 2370. The income or loss of that entity shall be reported at the shareholder level.

**COMPUTATION OF ALLOCABLE AND/OR APPORTIONABLE INCOME**

**Part 2, Column A and Part 3, Column A** are to be completed by all S corporations. All S corporations start with Part 2.

**Part 2, Column B and Part 3, Column B, lines 1 through 14** are to be completed by S corporations deriving all of their income from within Oklahoma or by S corporations whose business within and without Oklahoma is oil and gas production, mining, farming, or rental. This should be completed using the direct accounting method.

**Part 4** is to be completed by S corporations conducting a business of a unitary nature. A unitary business is one whose income is derived from the conduct in more than one state of a single business enterprise, all the factors of which are essential to the realization of an ultimate gain derived from the enterprise as a whole, and not from its component parts which are too closely connected and necessary to each other to justify division or separate allocation.

**Indian Employment Exclusion:**

*(Part 2, Column B, line 19 or Part 4, line 3)*

All qualified wages equal to the Federal Indian Employment Credit set forth in 26 U.S.C.A., Section 45A, shall be deducted from taxable income. Deduct on the Oklahoma return, an amount equal to the reduction of salaries and wages reported on the federal return as a result of the Form 8845 "Indian Employment Credit". The deduction allowed shall only be permitted for the tax years in which the federal credit is allowed, even if not used in such year because of tax liability limit. Enclose a copy of the federal return, Form 8845 and if applicable, Form 3800.

**Employers Providing Child Care Programs for their Employees:**

*(Part 2, Column B, line 5 or Part 4, line 6 as an addition)*

Employers incurring expenses to provide Oklahoma child care services for children of their employees may be allowed a credit. If the credit is allowed, the eligible expenses upon which the credit is based must be added back to arrive at Oklahoma net distributable income. See Form 511CR, #12 for the credit. Enclose a schedule of eligible expenses and the computation of the credit. Title 68 O.S. Section 2357.26 and Rule 710:50-15-91.

Income from an Oklahoma municipal bond, issued prior to July 2, 2001, is exempt only if so provided by the statute authorizing its issuance. Interest on local Oklahoma governmental obligations issued after July 1, 2001 shall be exempt from Oklahoma income tax, except those issued for the purpose of providing financing for projects for nonprofit corporations. **Lines 12 through 18 -**

Expenses relative to the income above shall be allocated directly to that income.

**PART 4**

Part 4 is to be used by S corporations conducting a business of unitary nature. A unitary business is one whose income is derived from the conduct in more than one state of a single business enterprise all the factors of which are essential to the realization of an ultimate gain derived from the enterprise as a whole, and not from its component parts which are too closely connected and necessary to each other to justify division or separate allocation.

Generally, the resulting amount is apportioned to Oklahoma based on the 3-factor formula. The basis of the apportionment is the average of three factors consisting of property, payroll and sales. Each factor is a ratio of the total within Oklahoma to the total everywhere. To the income apportioned to Oklahoma there is to be added all income separately allocated to Oklahoma with the result being Oklahoma taxable income. Title 68 O.S. Section 2358.

**Line 1** - Enter net distributable income from Page 2, Part 3, Column A, line 19.

**Line 2** - Deductions relating to income which is separately allocable shall not be allowed as apportionable and will be entered here.

**Line 7** - Oklahoma net distributable income. Place this figure on Page 2, Part 3, Column B, line 19. Then complete Part 5.

**PART 5**

All S corporations must complete Part 5.

If your business is either wholly Oklahoma or of an allocable nature, complete Part 5 after you complete Part 3. If your business is of a unitary nature, complete Part 5 after you complete Part 4.

**Shareholder's Pro Rata Share of Income**

Enter the names, social security numbers or federal identification numbers and addresses of the shareholders, and write in the applicable column each shareholder's pro rata share of net income, whether distributed or not.

**Notice:**

The amount shown on Part 5 may not be the amount to be entered on the shareholder's Oklahoma income tax return. This amount includes all allowable S corporation income, losses and deductions; however, some of these items may be limited on the federal individual return. If these items are allowed in full or in part on your federal income tax return, they will be allowed to the same extent on your Oklahoma return.

**Corporations Please Note:**

*Nonresident shareholders must enclose Form 512-SA indicating that an income tax form will be filed with Oklahoma reporting their income or loss. This agreement must be enclosed with the original S corporation income tax return, Form 512-S, for each nonresident shareholder; otherwise, the corporation shall be taxed on that part of the corporation's net income allocable to the shares of stock owned by the nonresident shareholder.*

*Once the agreement has been signed, it is irrevocable for this tax year. If a signed agreement is not submitted with the original filed return, the tax on the corporation is binding.
