GENERAL FILING INFORMATION

Only resident trusts and estates shall use Form 513. Nonresident trusts and estates shall use Form 513NR.

REQUIREMENTS FOR FILING...

Every resident estate or trust shall make a return for each taxable year stating the taxable income and the adjustments provided in this act to arrive at Oklahoma taxable income. Every nonresident estate or trust having Oklahoma taxable income as provided in Title 68 O.S. Section 2362 (Rents and Royalties, Business, Partnership and Sub-Chapter S Corporation Income and Sales of Oklahoma Real Property) shall make a return for each taxable year stating the taxable income and the adjustments provided in this act to arrive at Oklahoma taxable income. See Form 513NR and instructions.

ABOUT THE TAX...

The tax must be paid in full at the time of filing the return. In case an extension for filing the return is requested, an estimate of the tax due must be filed and the estimated tax paid in full before an extension can be granted.

The Fiduciary shall be responsible for making the return, and the return shall be signed by the fiduciary, or by one fiduciary if there is more than one.

BANKRUPTCY...

The Fiduciary must file Form 513, for the estate of an individual involved in bankruptcy proceedings, if a Federal income tax return is required for the bankruptcy estate. Use Form 513 as a transmittal for Form 511. Complete the tax for the bankruptcy estate on the Form 511 by using the instructions and tax table for a married person filing separately. Enter the taxable income on Form 513, line 22 and the computed tax on line 23; remit payment of any tax due. Enclose a copy of the Federal return for the bankruptcy with the Oklahoma return.

ACCOUNTING METHODS...

The taxable year and method of accounting under this act shall be the same as the taxable year and method of accounting for Federal income tax purposes.

Fiduciaries in whatever capacity acting, having control, receipt, custody, disposal or payment of interest, rent, salaries, wages, premiums, annuities, compensation, remuneration, emoluments, or other fixed determinable annual or other periodical gains, profits, or income, amounting to \$750 or over, paid or payable during the year to any taxpayer, shall make complete reports thereof to the Commission, on Forms 500 and 501 to reach the Commission on or before February 28, following the close of the preceding calendar year.

"Resident Estate" means the estate of a decedent who at his/her death was domiciled in this state. **"Nonresident Estate"** is an estate other than a resident estate, and shall use Form 513NR.

"Resident Trust" is a trust **created** by a resident decedent's will or by a resident during the administration or by a resident when the trust became irrevocable. **"Nonresident Trust"** is a trust other than a resident trust, (see Title 68 O.S. 2353-5 & 2353-6) and shall use Form 513NR.

Note...

The domicile or residence of the fiduciary representative does not establish the residence of the estate or trust.

Important...

If you do not have a Federal Employer Identification number, you may obtain one online at www.irs.gov or by calling (800) 829-4933. If you would prefer to file a paper application, contact the IRS and request Form SS-4.

(continued on page 3)

ESTIMATED TAX...

All trusts are required to make estimated tax payments on a quarterly basis when the tax for the taxable year can reasonably be expected to be \$500 or more.

Trusts which fail to file a declaration and pay estimated tax are subject to penalty and interest on underpayment. Form OW-8-ESC for filing an estimate will be supplied upon request.

Estates are not required to make estimated tax payments.

EXTENSIONS...

A valid extension of time in which to file your Federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the Federal extension must be enclosed with your Oklahoma return. If your Federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504. At least 90% of the tax liability must be paid by the original due date for the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.

AMENDED RETURNS...

Use the Fiduciary Form 513 and mark the Amended Return box. Enclose a copy of the Federal amended return and proof of Internal Revenue Service refund or payment, if available prior to expiration of the statute of limitations. Any refunds cannot be applied to next year's estimated tax. Line 30 cannot be amended or changed once the original return has been processed.

When preparing an amended return, be sure and use the tax table for that particular tax year. The tax rates have decreased over the past few years.

DEPLETION...

Oklahoma depletion on oil and gas well production, at the option of the taxpayer, may be computed at 22% of gross income derived from each Oklahoma property during the taxable year. Any depletion deduction allowable is the amount so computed minus Federal depletion claimed. If Oklahoma options are exercised, the Federal depletion not used due to the 65% limit may not be carried over. A complete depletion schedule by property must be furnished.

Note: Major oil companies, as defined in Title 52 O.S. Section 288.2, when computing Oklahoma depletion shall be limited to 50% of the net income (computed without the allowance for depletion) from each property.

Lease bonus received is considered income subject to depletion. If depletion is claimed on a lease bonus and no income is received as a result of nonproducing properties, upon expiration of the lease, such depletion must be restored on Form 513, line 10, column B, in the year the lease expires.

NET OPERATING LOSS...

For tax years 2001 – 2007 and tax years 2009 and subsequent, the years to which an NOL may be carried shall be determined solely by reference to Section 172 of the Internal Revenue Code. For tax year 2008, years to which an NOL may be carried back shall be limited to two years. The net operating loss which is not actually utilized shall not reduce the carryover. Title 68 O.S. Section 2358 (A) (3).

An election may be made to forego the carryback period. A written statement of the election must be part of the original timely filed Oklahoma loss year return. However, if you filed your return on time without making the election, you may still make the election on an amended return filed within 6 months of the due date of the original return (excluding extensions). Attach the election to the amended return. Once made, the election is irrevocable.

Oklahoma net operating losses shall be separately determined by reference to Section 172 of the Internal Revenue Code, 26 U.S.C. as modified by the Oklahoma Tax Act.

WITHHOLDING ON NONRESIDENT MEMBERS...

Pass-through entities (Partnerships, S corporations, limited liability companies or trusts) are required to withhold Oklahoma income tax at a rate of 5% of the Oklahoma share of income distributed to each nonresident member (partner, member, shareholder or beneficiary). A pass-through entity is not required to withhold income tax with regard to any nonresident member who submits a Nonresident Member Withholding Exemption Affidavit (Form OW-15). Title 68 O.S. Sections 2385.29, 2385.30 and 2385.31.

Withholding on Nonresident Members (continued)...

Withholding is not required on distributions made to persons, other than individuals, who are exempt from Federal income tax, organizations granted an exemption under Section 501(c)(3) of the Internal Revenue Code, insurance companies subject to the Oklahoma Gross Premiums Tax and therefore exempt from Oklahoma income tax under Title 68 O.S. Section 2359(c), and nonresident members who have filed the Form OW-15 "Nonresident Member Withholding Exemption Affidavit". Withholding is not required on any distribution of royalty income on which the nonresident royalty interest income tax has already been withheld, on any distribution made to another pass-through entity, or on any distribution of income not subject to Oklahoma income tax.

The following pass-through entities are not required to withhold:

- An entity electing to be treated as a disregarded entity for Federal income tax purposes. A disregarded entity is an eligible entity that is treated as an entity that is not separate from its single owner (i.e. Grantor Trust).
- An entity that does not have a requirement, or properly elects out of the requirement, to file a Federal income tax return.
- An entity making a distribution of income not subject to Oklahoma income tax.
- A resident or nonresident estate.

Distributions made from the trust...

Trusts that make distributions subject to Oklahoma withholding must register with the Oklahoma Tax Commission. Register by completing the registration form "Registration for Oklahoma Withholding for Nonresident Members" (Form OW-11). This form can be obtained by calling our forms request line at (405) 521-3108 or from our website at www.tax.ok.gov.

To file and pay the income tax withheld, the trust must complete Form OW-9-C "Nonresident Oklahoma Distributed Income Withholding Tax Report". The trust will file Form OW-9-C on or before the due date (including extensions) of the trust's income tax return.

The trust must provide nonresident beneficiaries a Form 500-B, by the due date (including extension) of its income tax return showing their respective amounts of income and tax withheld. Each nonresident beneficiary must enclose a copy of the Form 500-B to their Oklahoma income tax return as verification for this withholding. Copies of Form 500-B, along with the cover Form 501, must be sent to the Oklahoma Tax Commission by the same date.

FIRST YEAR BONUS DEPRECIATION...

50% Bonus First Year Depreciation...

Federal taxable income shall be increased by 80% of any amount of bonus depreciation received under the Federal Economic Stimulus Act of 2008 or Federal American Recovery and Reinvestment Act of 2009. Any amount added back can be reclaimed in a later year. In the first taxable year beginning after the bonus depreciation was added back and for the next three taxable years, subtract 25% of the amount added back.

If the bonus depreciation is claimed on the 2009 Federal return, enter 80% of such bonus depreciation on Part 1, Line 10, column B.

If the bonus depreciation was claimed on a previous year's Federal return, subtract 25% of the amount of bonus depreciation added back in such year. Subtract the depreciation on Part 1, line 17, column B.

GRANTOR TRUST...

A grantor trust will be treated the same on the Oklahoma return as it is on the Federal. If the Federal return (Form 1041) is required to be filed, the Oklahoma return is likewise required. Complete the heading on the Form 513 and enclose a schedule of income and deductions indicating the Oklahoma income, including any pass-through withholding. Include on the schedule the name, address, and social security number of the grantor. Form 513, Part II, may be used for the grantor information.

If income is reported to Oklahoma under one entity identification number and the grantor files under a different identification number a Form 513 must be filed with a schedule showing the name, address and social security number of the grantor.

GENERAL FILING INFORMATION

SIMPLE TRUST...

A simple trust requires all income to be distributed currently, except amounts allocated to the corpus of the trust (capital gain). The Oklahoma taxable income for simple trusts would be any capital gain/loss minus the pro rata share of the Federal exemption, as all other income and deductions are passed on to the beneficiaries.

PAGES ONE AND TWO, PART ONE

Lines 1-22 Column A

List exact figures as reported on your Federal Form 1041.

Lines 1-22 Column B

List income and deductions applicable to Oklahoma as explained in the following instructions:

INSTRUCTIONS FOR COLUMN B Total Applicable to Oklahoma

Line 1 - Interest:

All interest not included on lines 2 and 3.

Line 2 - Interest on U.S. Government Obligations:

If you report interest on bonds, notes and other obligations of the U.S. on your Federal return, it may be excluded from your Oklahoma Adjusted Gross Income if a detailed schedule is furnished accompanied with 1099s showing the amount of interest income and the name of the obligation from which the interest is earned. If the interest is from a mutual fund which invests in U.S. government obligations, enclose documentation from the mutual fund to substantiate the percentage of income derived from obligations exempt from Oklahoma tax. Interest received in repurchase agreements does not qualify. Interest from entities such as FNMA & GNMA does not qualify.

Line 3 - State and Municipal Interest:

If you received income on bonds issued by any state or political subdivision thereof, exempt from Federal taxation but not exempt from taxation by the laws of the State of Oklahoma, add the total of such income to arrive at Oklahoma income.

- 1) Income from all bonds, notes or other obligations issued by the State of Oklahoma, the Oklahoma Capital Improvement Authority, the Oklahoma Municipal Power Authority, the Oklahoma Student Loan Authority, and the Oklahoma Transportation Authority (formerly Turnpike Authority) is exempt from Oklahoma income tax. The profit from the sale of such bond, note or other obligation shall be free from taxation.
- 2) Income from local Oklahoma governmental obligations issued after July 1, 2001, other than those provided for in 1, is exempt from Oklahoma income tax. The exceptions are those obligations issued for the purpose of providing financing for projects for nonprofit corporations. Local governmental obligations shall include bonds or notes issued by, or on behalf of, or for the benefit of Oklahoma educational institutions, cities, towns, or counties or by public trusts of which any of the foregoing is a beneficiary.
- 3) Income from Oklahoma State and Municipal Bonds issued prior to July 2, 2001, other than those provided for in 1, is exempt from Oklahoma income tax only if so provided by the statute authorizing their issuance.
- 4) Income on bonds issued by another state or political subdivision thereof (non-Oklahoma), exempt from Federal taxation, is taxable for Oklahoma income tax.

Enclose a schedule of all municipal interest received by source and amount. If the interest is from a mutual fund which invests in state and local government obligations, enclose documentation from the mutual fund to substantiate the percentage of income derived from obligations exempt from Oklahoma tax.

Note: If the interest is exempt, the capital gain/loss from the sale of the bond may also be exempt. The gain/loss from sale of a state or municipal bond, other than those provided for in 1, is exempt only if so provided by the statute authorizing its issuance.

LINE BY LINE INSTRUCTIONS

Line 4 - Dividends:

Enter amount in Column B for resident trusts and estates. Follow instructions for line 2 if dividends include interest from U.S. Government obligations.

Line 5 - Business Income or (loss):

Include in Column B amounts from a trade or business conducted in Oklahoma. If income is from Oklahoma oil and gas, any additional Oklahoma depletion will be shown on Line 17, Column B. (Enclose schedule)

Line 6 - Capital Gain or (loss):

Resident trusts and estates should include all gains or losses except those from real property located outside of Oklahoma.

Any Oklahoma loss is limited to the amount allowed and utilized on the Federal return.

Line 7 - Rents, Royalties, Partnerships, other estates and trusts, etc.:

Amounts included in Column B should be net amounts from real and tangible personal property located in Oklahoma. The additional Oklahoma depletion may be taken on line 17 - other deductions. Include in Column B Oklahoma partnership income and estate and trust income applicable to Oklahoma. Passive losses are allowed in Oklahoma during the same tax year utilized on the Federal return.

Line 8 - Farm Income or (loss):

Include in Column B income from farming carried on in Oklahoma.

Line 9 - Ordinary Gain or (loss):

Resident trusts and estates should include all gains or losses except those from real property located outside of Oklahoma.

Line 10 - Other Income:

Include in Column B all other income unless specifically exempt by Oklahoma Statutes.

Rents and interest expense paid to a captive real estate investment trust and deducted on your Federal return must be added back to compute Oklahoma taxable income.

Line 11 - Total Income:

Add lines 1 through 10 to arrive at total Oklahoma income in Column B.

Lines 12-17 - Deductions:

For income amounts retained by the fiduciary, the deductions will be prorated by the ratio of Oklahoma income to Federal income (except for the tax deduction). Divide total Oklahoma income (Line 11, Column B) by total Federal income (Line 11, Column A) (limited to 100%). Multiply the result by the amount in the Federal column.

Where the Federal deductions are limited due to municipal income which is taxed by Oklahoma, the denominator in the above equation is the sum of total Federal income plus Federal tax exempt income. Multiply the result (limited to 100%) by the total allowable deductions (the amount before Federal limitation). Use this equation only for deductions limited by Federal for municipal income.

Where amounts allowable under the Oklahoma Estate Tax Law can be claimed as a deduction in determining taxable income on Form 454, a statement waiving such deductions for estate tax purposes must accompany the Fiduciary return upon which the deductions have been claimed. This election must follow the election on the Federal fiduciary tax return.

Line 12 - Interest:

Interest paid to the Internal Revenue Service on estate tax liabilities (from Federal Form 706) is not deductible against income on Oklahoma fiduciary tax returns unless claimed on Federal fiduciary tax return. Generally, the allowable Federal interest deduction will be prorated based on Oklahoma to Federal income (limited to 100%). Interest paid to the Oklahoma Tax Commission on estate tax liabilities (Form 454) is not allowed.

Line 13 - Taxes:

Fiduciaries are not allowed a deduction for any Federal income tax paid. The tax deduction claimed on the Federal return will be applied on a direct allocation basis only. The taxes paid to Oklahoma (income, property, etc.) will be shown in Column B.

Line 14 - Fiduciary Fees:

Enter the pro rata share in Column B (limited to 100%).
Also, see line 16.

Line 15 - Charitable Deduction:

This deduction should be prorated (limited to 100%) as indicated above unless the deduction is specified in the will or trust instrument as income from a set source of real and tangible property. The deduction should then be allocated directly to the state in which that property was located.

LINE BY LINE INSTRUCTIONS

Line 16 -

Attorney, accountant, and return preparer fees:

On Estates, furnish a waiver stating that fees were not deducted on the Oklahoma Estate Tax: Form 454. If fees were deducted on the Federal estate tax, you must also deduct these fees on the Oklahoma estate tax. They will not be allowed on the fiduciary return when taken or should have been taken on the Oklahoma estate tax form. Enter the pro rata share in Column B (limited to 100%).

Line 17 - Other Deductions:

Enter the pro rata share of other Federal deductions not subject to the 2% floor (Federal law) and other allowable miscellaneous itemized deductions. Enclose schedule. Include in Column B the additional Oklahoma depletion allowable to the corpus. (Beneficiaries' share of allowable additional Oklahoma depletion should be entered on Part 2, Line 8.) Enclose depletion schedule for Oklahoma.

Oklahoma Capital Gain Deduction -

Taxpayers can deduct qualifying gains receiving capital treatment which are included in Federal taxable income. "Qualifying gains receiving capital treatment" means the amount of the net capital gains, as defined under the Internal Revenue Code Section 1222(11). The qualifying gain must:

- 1) be earned on real or tangible personal property located within Oklahoma that you have owned for at least five uninterrupted years prior to the date of the sale.
- 2) be earned on the sale of stock or ownership interest in an Oklahoma headquartered company, limited liability company, or partnership where such stock or ownership interest has been owned by you for at least three uninterrupted years (two for individuals) prior to the date of the sale.
- 3) be earned on the sale of real property, tangible personal property or intangible personal property located within Oklahoma as part of the sale of all or substantially all of the assets of an Oklahoma company, limited liability company, or partnership where such property has been directly or indirectly owned by such entity or owned by the owners of such entity, and used in or derived from such entity for a period of at least three uninterrupted years (two for individuals) prior to the date of the sale.

Form 561-F is used to determine the Oklahoma Capital Gain Deduction. Enclose Form 561-F and a copy of the Federal Schedule D.

Other Years Net Operating Loss -

Enclose a detailed schedule showing origin and NOL computation. Also enclose a copy of any Federal NOL computation.

Line 18 - Income Distribution Deduction:

For nonresident beneficiaries, for whom the trust is paying the tax, do not show an income distribution in either Column A or Column B.

For resident trusts and estates include amounts distributed from all sources of income except those from out-of-state real and tangible property and out-of-state business income.

Complete Part 2, Page 3 for all resident beneficiaries and for those nonresident beneficiaries for whom the tax is not being paid at the trust level.

Line 19 - Estate Tax Deduction:

The Federal estate tax deduction shall be prorated based on Oklahoma to Federal income as described above (limited to 100%).

Line 20 - Exemption:

The Federal exemption shall be prorated by the ratio the Oklahoma income bears to the Federal. When the trust or estate has interest on U.S. Government obligations, the Oklahoma proration will be calculated as follows: Oklahoma total income divided by (Federal total income minus interest from U.S. Government obligations). Only the Oklahoma pro rata share shall be included in Column B.

Line 21 - Total Deductions:

Total of lines 12 through 20 - This is the total of all Oklahoma expenses and deductions allowed to the trust or estate.

Line 22 - Taxable Income:

Taxable income of fiduciary - Subtract line 21 from line 11.

To avoid the 20% Underpayment of Estimated Tax Interest, timely filed estimated tax payments are required to be equal to the smaller of 70% of the current year tax liability **or** 100% of your prior year tax. The tax liability is the tax due less all credits except amounts paid on estimated tax and extension payments. Enclose Form OW-8-P.

Note: No Underpayment of Estimated Tax Interest shall be imposed if the tax liability shown on the return is less than \$1,000.

Line 36 - Delinquent Penalty & Interest: Interest at the rate of 1.25% per month shall be paid on the tax due from the original due date until paid. 90% of the tax liability must be paid by the original due date of the return to avoid a delinquent penalty charge of 5% for late payment.

PAGES THREE AND FOUR, PART TWO

Complete an Oklahoma Schedule K-1 for each resident beneficiary and for those nonresident beneficiaries for whom the tax is not being paid at the trust level.

Beneficiaries' Share of Income and Deductions:

If the trust or estate has more than 2 beneficiaries, enclose with the return additional schedules that follow the same format as Part 2. You may photocopy Part 2 for the additional beneficiaries and enclose it with the rest of the return. Provide a copy of the Oklahoma Schedule K-1 to the beneficiary.

Provide the name, address, and social security number of the beneficiaries as requested. The Federal column should include the exact figures as shown on the Federal Schedule K-1. For beneficiaries who are residents of Oklahoma, the Oklahoma column should include all income distributed except for that which is from out-of-state real property, or out-of-state business income.

State and municipal interest should be shown in the Oklahoma column only and U.S. interest should be shown in the Federal column only.

For beneficiaries who are not residents of Oklahoma, the Oklahoma column should include only that income from real and tangible property located in Oklahoma and business income from Oklahoma. The total of the Oklahoma income may not equal Part 1, line 18, due to intangible income (nonresidents only).

Enter any withholding being transferred to your beneficiary. See line 29 instructions for more information.

Title 68, Oklahoma Statutes, provides that any term used in this Act shall have the same meaning as when used in a comparable context in the Internal Revenue Code, except when specifically provided for in the Oklahoma Statutes or Rules.

GET YOUR REFUND FASTER - USE DIRECT DEPOSIT!

Please complete the direct deposit box on the tax return if you want us to directly deposit the amount shown on the refund line of the return into your account at a bank or other financial institution instead of sending you a check.

- 1** Check the appropriate box as to whether the check will be going into a checking or savings account. Please keep in mind you will not receive notification of the deposit.
- 2** Fill out the routing number. The routing number must be nine digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check will be issued instead. Using the sample check shown below, the routing number is **120120012**.
- 3** Enter your account number. The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check shown below, the account number is **2020268620**.

Please Note: The Oklahoma Tax Commission is not responsible if a financial institution refuses a direct deposit. If a direct deposit is refused, a check will be issued to the address shown on your tax return. Also note, the Oklahoma Tax Commission will only issue one payment per bank account number. Therefore, if more than one refund is requested for direct deposit to the same bank account, the second and subsequent payments will be issued by paper check to the address shown on the tax return(s).

WARNING! Due to changes in the electronic banking rules, the Oklahoma Tax Commission will no longer allow direct deposits to or through foreign financial institutions. If you use a foreign financial institution you will be issued a paper check.
