1999 FORM 513: GENERAL FILING INFORMATION

**Only resident trust and estates shall use Form 513.
Nonresident trust and estates shall use Form 513-NR.**

• REQUIREMENTS FOR FILING...

Every resident estate or trust shall make a return for each taxable year stating the taxable income and the adjustments provided in this act to arrive at Oklahoma taxable income. Every nonresident estate or trust having Oklahoma taxable income as provided in Section 2362 of the Oklahoma Income Tax Law (Rents and Royalties, Business, Partnership and Sub-Chapter S Corporation income and sales of real Oklahoma property) shall make a return for each taxable year stating the taxable income and the adjustments provided in this act to arrive at Oklahoma taxable income, see Form 513-NR and instructions.

• ABOUT THE TAX...

The tax must be paid in full at the time of filing the return. In case an extension for filing the return is requested, an estimate of the tax due must be filed and the estimated tax paid in full before an extension can be granted.

The Fiduciary shall be responsible for making the return, and the return shall be signed by the fiduciary, or by one fiduciary if there is more than one.

ACCOUNTING METHODS...

The taxable year and method of accounting under this act shall be the same as the taxable year and method of accounting for Federal income tax purposes.

Fiduciaries in whatever capacity acting, having control, receipt, custody, disposal or payment of interest, rent, salaries, wages, premiums, annuities, compensation, remuneration, emoluments, or other fixed determinable annual or other periodical gains, profits, or income, amounting to \$750 or over, paid or payable during the year to any taxpayer, shall make complete reports thereof to the Commission, on Forms 500 and 501 to reach the Commission on or before February 28, following the close of the preceding calendar year.

“Resident Estate” means the estate of a decedent who at his death was domiciled in this state. **“Nonresident Estate”** is an estate other than a resident estate, and shall use Form 513-NR.

“Resident Trust” is a trust **created** by a resident decedent’s will or by a resident during the administration, or by a resident when the trust became irrevocable. **“Nonresident Trust”** is a trust other than a resident trust, (see Title 68 O.S. 2353-5 & 2353-6) and shall use Form 513NR.

Note...

The domicile or residence of the fiduciary representative does not establish the residence of the estate or trust.

If this is a final return, a clearance will be issued upon request. In your request, include the decedents name, social security number, date of death, letters testamentary and power of attorney if applicable. Do not enclose request with the tax return.

1999 FORM 513: GENERAL FILING INFORMATION

Important...

An estate cannot be closed until a certificate is secured showing that all Oklahoma income taxes of the decedent and his estate have been paid.

If you do not have a Federal Employers Identification number, obtain the Form SS-4 from Internal Revenue Service or Oklahoma Tax Commission. Fill out the Form SS-4 then call Internal Revenue Service at (512) 460-7843 to obtain the Employer Identification number. You may also fax your SS-4 to (512) 460-8000.

ESTIMATED TAX...

All trusts are required to make estimated tax payments on a quarterly basis when the tax for the taxable year can reasonably be expected to be \$500 or more.

Trusts which fail to file a declaration and pay estimated tax are subject to penalty and interest on underpayment. Form OW-8-ESC for filing an estimate will be supplied on request.

Estates are not required to make estimated tax payments.

EXTENSIONS...

A valid extension of time in which to file your Federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the Federal extension must be enclosed with your Oklahoma return. If your Federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504. At least 90% of the tax liability must be paid by the original due date for the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.

AMENDED RETURNS...

Use the Fiduciary Form 513 and mark the Amended return box. Enclose a copy of the Federal Amended return and proof of Internal Revenue Service refund or payment, if available prior to expiration of statute of limitations. Any refunds cannot be applied to next year's estimated tax. Line 30 can not be amended or changed once the original return has been processed.

DEPLETION...

Oklahoma depletion on oil and gas well production, at the option of the taxpayer, may be computed at 22% of gross income derived from each Oklahoma property during the taxable year. Major oil companies, as defined in Section 288.2 of Title 52 of the Oklahoma Statutes, when computing Oklahoma depletion shall be limited to 50% of the net income (computed without the allowance for depletion) from each property. Any depletion deduction allowable is the amount so computed minus Federal depletion claimed. If Oklahoma options are exercised the Federal depletion not used due to 65% limit may not be carried over. Lease bonus received is considered income subject to depletion. If depletion is claimed on a lease bonus and no income is received as a result of nonproducing properties, upon

expiration of the lease, such depletion must be restored, on Form 513, line 10, Column B, in the year the lease expires. A complete depletion schedule by property must be furnished.

NET OPERATING LOSS...

Effective for all tax years beginning after December 31, 1995, Net Operating Losses may be carried forward only for a period of time not to exceed 15 years.* The Net Operating Loss which is not actually utilized shall not reduce the carryover. Title 68 O.S. Supp.1993 section 2358 (A) (3).

Oklahoma net operating losses shall be separately determined by reference to Section 172 of the Internal Revenue Code, 26 U.S.C. as modified by the Oklahoma Tax Act.

**Note: A net operating loss that is a result of the May 3, 1999 tornado may be carried back in accordance with the provisions contained in the Internal Revenue Code.*

BANKRUPTCY...

The Fiduciary must file Form 513 for the estate of an individual involved in bankruptcy proceedings, if a Federal Income tax return is required for the bankruptcy estate. Use Form 513 as a transmittal for Form 511. Complete the tax for the bankruptcy estate on the Form 511 by using the instructions and tax tables for a married person filing separately. Enter the computed tax on Form 513, line 23, and remit payment of any tax due. Enclose a copy of the Federal return for the bankruptcy with the Oklahoma return.

GRANTOR TRUST...

A grantor trust will be treated the same on the Oklahoma return as it is on the Federal. If the Federal return (Form 1041) is required to be filed, the Oklahoma return is likewise required. Complete the heading on the Form 513 and enclose a schedule of income and deductions, indicating the Oklahoma income. Include on the schedule the name, address, and social security number of the grantor. Form 513, Part II, may be used for the grantor information.

If income is reported to Oklahoma under one entity identification number and grantor files under different identification number a form 513 must be filed with a schedule showing name, address and social security number of the grantor.

SIMPLE TRUST...

A simple trust requires all income to be distributed currently, except amounts allocated to the corpus of the trust (capital gain). The Oklahoma taxable income for simple trusts would be any capital gain(loss) minus prorata share of the Federal exemption, as all other income and deductions are passed on to the beneficiaries.

1999 FORM 513: LINE BY LINE INSTRUCTIONS

Important Notice...
Enclose schedules for differences in Column A and Column B.

PAGE ONE, PART ONE

Lines 1-22 Column A

List exact figures as reported on your Federal Form 1041.

Lines 1-22 Column B

List income and deductions applicable to Oklahoma as explained in the following instructions:

INSTRUCTIONS FOR COLUMN B Total Applicable to Oklahoma

Line 1 - Interest:

All interest not included on lines 2 and 3.

Line 2 - Interest on U.S. Government Obligations:

If you report interest on bonds, notes and other obligations of the U.S. on your Federal return, it may be excluded from your Oklahoma Adjusted Gross Income if a detailed schedule is furnished accompanied with 1099's showing the amount of interest income and the name of the obligation from which the interest is earned. If the interest is from a mutual fund which invests in government obligations, enclose a detailed schedule from the mutual fund showing the amount of monies received from each government obligation or the percentage of funds received from each obligation. Interest received in repurchase agreements does not qualify. Interest from entities such as FNMA & GNMA does not qualify.

Line 3 - State and Municipal Interest:

If you receive income on bonds issued by any state or political subdivision thereof exempt from Federal taxation but not exempt from taxation by the laws of the State of Oklahoma, the total of such income shall be added to arrive at Oklahoma taxable income. Income from Oklahoma municipal bonds is exempt only if so provided by the statute authorizing their issuance. All out-of-state municipals are taxable. If you receive income on bonds that are exempt from both State and Federal, furnish a detailed schedule showing the name of the bond(s) and income amounts.

Line 4 - Dividends:

Enter amount in Column B for resident trusts and estates. Follow instructions for line 2 if dividends include interest from U.S. Government obligations.

Line 5 - Business Income or (loss):

Include in Column B amounts from a trade or business conducted in Oklahoma. If income is from Oklahoma oil and gas, any additional Oklahoma depletion will be shown on Line 17 Column B. (Enclose schedule)

Line 6 - Capital Gain or (loss):

Resident trusts and estates should include all gains (or losses) except those from real property located outside of Oklahoma.

Any Oklahoma loss is limited to the amount allowed and utilized on the Federal return.

Line 7 - Rents, Royalties, Partnerships, other estates and trusts, etc.:

Amounts included in Column B should be net amounts from real and tangible personal property located in Oklahoma. The additional Oklahoma depletion may be taken on line 17 - other deductions. Include in Column B Oklahoma partnership income and estate and trust income applicable to Oklahoma. Passive losses are allowed in Oklahoma during the same tax year utilized on the federal return.

Line 8 - Farm Income or (loss):

Include in Column B income from farming carried on in Oklahoma.

Line 9 - Ordinary Gain or (loss):

Resident trusts and estates should include all gains (or losses) except those from real property located outside of Oklahoma.

Line 10 - Other Income:

Include in Column B all other income unless specifically exempt by Oklahoma Statutes.

Line 11 - Total Income:

Add lines 1 through 10 to arrive at total Oklahoma income in Column B.

Lines 12-17 - Deductions:

For income amounts retained by the fiduciary, the deductions will be prorated by the ratio of Oklahoma income to Federal income (except for the tax deduction). Divide total Oklahoma income (Line 11, Column B) by total Federal income (Line 11, Column A) (Limited to 100%). Multiply the result by the amount in the Federal column.

Where the Federal deductions are limited due to municipal income which are taxed by Oklahoma, the denominator in the above equation is the sum of total Federal income plus Federal tax exempt income. Multiply the result (limited to 100%) by the total allowable deductions (the amount before Federal limitation). Use this equation only for deductions limited by Federal for municipal income.

Where amounts allowable under the Oklahoma Estate Tax Law can be claimed as a deduction in determining taxable income on Form 454, a statement waiving such deductions for estate tax purposes must accompany the Fiduciary return upon which the deductions have been claimed. This election must follow the election on the Federal Fiduciary Tax Return.

Line 12 - Interest:

Interest paid to the Internal Revenue Service on Estate Tax Liabilities (from Federal Form 706) are not deductible against income on Oklahoma Fiduciary Tax Returns unless claimed on Federal Fiduciary Tax Return. Generally, the allowable, Federal interest deduction will be prorated based on Oklahoma to Federal income (limited to 100%). Interest paid to the Oklahoma Tax Commission on Estate tax liabilities (Form 454) are not allowed.

(Continued on page 4)

1999 FORM 513: LINE BY LINE INSTRUCTIONS

Line 13 - Taxes:

Fiduciaries are not allowed a deduction for any federal income tax paid. The tax deduction claimed on the Federal return will be applied on a direct allocation basis only. The taxes paid to Oklahoma (Income, property, etc.) will be shown in column B.

Line 14 - Fiduciary Fees:

Enter the prorata share in Column B (limited to 100%). Also, see line 16 below.

Line 15 - Charitable Deduction:

This deduction would be prorated (limited to 100%) as indicated above unless the deduction is specified in the will or trust instrument as income from a set source of real and tangible property. Then the deduction would be allocated directly to the state in which that property was located.

Line 16 -**Attorney, accountant and return preparer fees:**

On Estates, furnish a waiver stating that fees were not deducted on the Oklahoma Estate Tax, Form 454. If fees were deducted on the Federal Estate tax, you must also deduct these fees on the Oklahoma Estate Tax. They will not be allowed on the Fiduciary return when taken or should have been taken on the Oklahoma Estate tax form. Enter the prorata share in Column B (Limited to 100%).

Line 17 - Other Deductions:

Enter the prorata share of other Federal deductions not subject to the 2% floor (Federal Law) and the other allowable miscellaneous itemized deductions. Enclose schedule. Include in Column B the additional Oklahoma depletion allowable to the corpus. (Beneficiaries share of allowable additional Oklahoma depletion should be entered on Part II, Line 8.) Enclose depletion schedule for Oklahoma.

Line 18 - Income Distribution Deduction:

Line 19 - Estate Tax Deduction:

The Federal estate tax deduction shall be prorated based on Oklahoma to Federal income as described above (limited to 100%).

Line 20 - Exemption:

The Federal exemption shall be prorated by the ratio the Oklahoma income bears to the Federal. When the Trust or Estate has interest on U.S. Government obligations, the Oklahoma proration will be calculated as follows: Oklahoma total income divided by (Federal total income minus interest from U.S. Government obligations). Only the Oklahoma prorata share shall be included in Column B.

Line 21 -

Total of lines 12 through 20 - This is the total of all Oklahoma expenses and deductions allowed to the trust or estate.

Line 22 -

Should deficiencies occur, penalty and interest shall be computed by multiplying the tax (line 25) by 70%. If this amount is not equal to the (timely paid) pre-payments, a penalty of 5% and interest of 15% per annum per quarter for the period of delinquency shall be added to the final tax due.

Line 34 - Delinquent Penalty & Interest: After the due date of the return compute 5% penalty on the tax due (line 32). Compute interest on the tax due at 1 1/4% per month from due date of the return. An extension does not extend the date for payment of tax.
