Subtract the amount on line 6 from the amount on line 5, if the result is a negative number enter amount on line 7. If the result is a positive number enter amount on line 8.		
7. Credit to be recaptured and included in income. Enter amount as a positive number on the other income or other additions line of the Oklahoma tax return.	7.	00
8. Revised credit available for carryover to tax year _____	8.	00

AGRICULTURAL CREDIT - SECTION 2357.25

There shall be allowed a credit for direct investments by Oklahoma agricultural producers in Oklahoma producer-owned agricultural processing cooperatives, ventures or marketing associations created and designed to develop and advance the production, processing, handling and marketing of agricultural commodities grown, made or manufactured in this state. The credit shall be thirty percent (30%) of the amount of the investment. If the credit allowed exceeds the tax liability, the amount of unused credit may be carried forward for a period not to exceed six (6) years.

The credit shall not be available or taken for any calendar year during which the claimant of the credit received any incentive payments pursuant to the Oklahoma Quality Jobs Program Act or the Saving Quality Jobs Act.

DEFINITIONS:

"Oklahoma agricultural producer" means any person who produces agricultural commodities in this state.

"Direct investment" means the payment of money in or the transfer of any form of economic value, whether tangible or intangible, other than money to an Oklahoma producer owned agricultural processing cooperative, venture or marketing association.

"Agricultural commodities" means a farm or ranch product, including but not limited to, wheat, corn, soybeans, cotton, timber, cattle, hogs, sheep, horses, poultry, animals of the families bovidae, cervidae and antilocapridae or birds of the ratite group produced in farming or ranching operations or a product of such crop or livestock in its unmanufactured state such as ginned cotton, wooldip, maple syrup, milk and eggs, or any other commodity listed under any Industry Group Number under Major Group 20 of Division D of the Standard Industrial Classification (SIC) Manual.

"Oklahoma producer-owned agricultural processing cooperative" means a legal entity, in the nature of a partnership or business, undertaking agricultural transactions or agricultural commercial enterprises for mutual profit. The entity must be controlled by the Oklahoma agricultural producers and a community of interest in the performance of the undertaking, transaction or enterprise; a right to direct and govern the policy in connection therewith; and the duty, which may be altered by agreement, to share both in profit and losses are required. The term does not include a cooperative that provides only, and nothing more than, storage, cleaning, or transportation of agricultural commodities.

"Oklahoma producer-owned agricultural processing venture" means a legal entity, in the nature of a corporation or company, organized to invest in or operate an agricultural commodity processing facility. The facility must be operated primarily for the processing or production of marketable products from agricultural commodities. Effective November 1, 2000, the term shall include a dairy operation that requires a depreciable investment of at least two hundred fifty thousand dollars (\$250,000) and which produces milk from dairy cows. The term does not include a venture that provides only, and nothing more than, storage, cleaning, or transportation of agricultural commodities.

"Oklahoma producer-owned agricultural processing marketing association" means a legal entity organized to jointly market agricultural commodities; facilitate the marketing process; and to promote and stimulate the processing, sales, and marketing of agricultural commodities. The term does not include a marketing association that provides only, and nothing more than, storage, cleaning, or transportation of agricultural commodities.

"Dairy operation" means and includes equipment and facilities to store and prepare feed, dairy cows, milking parlors, bulk cooling tanks, buildings, and all such depreciable investment commonly utilized in the dairy industry.
