4. Neither the qualified Rural Small Business Capital Company nor the Oklahoma Rural Small Business Venture can enter into any agreement, whether formal or informal, written or unwritten, the purpose of which is to control, directly or indirectly, the return of a specific amount of qualified investment by the Oklahoma Rural Small Business Venture to the qualified Rural Small Business Capital Company or the purpose of which is to cause or require the transfer of such specific amount of qualified investment to any other entity within five years of the date the qualified investment is made available to the Oklahoma Rural Small Business Venture.

The credit for investments made in conjunction with the Rural Small Business Capital Company may be claimed in the year in which such investments were made.

**Note:** If a pass-through entity is entitled to the credit, the pass-through entity shall provide to each partner, shareholder or member, documentation showing their share of the "total credit allowable in 2008".
