**AMOUNT INVESTED**

Total Amount of qualifying property placed in service during this tax year

**INFORMATION RETURN - PERMANENT RULE 710:50-15-62**

Owners who intend to claim the exclusion for an investment in a new or expanded Oklahoma agricultural processing facility under 68 O.S. Section 2358 must file an information return, reporting the amount of qualified property placed in service during the preceding calendar year.

**DEFINITIONS:**

"Agricultural commodity processing facility" means building, structures, fixtures or improvements used or operated primarily for the processing or production of marketable products from agricultural commodities. The term does not include a facility that provides only, and nothing more than, storage, cleaning, drying or transportation of agricultural commodities.

"Facility" means each part of the facility which is used in a process primarily for:

(1) the processing of agricultural commodities, including receiving or storing agricultural commodities,
(2) transporting the agricultural commodities or product before, during or after the processing, or
(3) packaging or otherwise preparing the product for sale or shipment.

"Agricultural commodities" means a farm or ranch product, including but not limited to, wheat, corn, soybeans, cotton, timber, cattle, hogs, sheep, horses, poultry, animals of the families bovidae, cervidae, and antilocapridae, or birds of the ratite group, produced in farming or ranching operations, or a product of such crop or livestock in its unmanufactured state, such as ginned cotton, wool dip, maple syrup, milk, and eggs, or any other commodity listed under any Industry Group Number under Major Group 20, Division D, of the Standard Industrial Classification Manual.

Under penalties of perjury, I declare that I have examined this return, including accompanying statements, and to the best of my knowledge and belief it is true, accurate and correct.
