## Please Read All Instructions Before Completing Application

Legislation has authorized the special license plates listed on the front of this application to be manufactured and designed upon receipt of 100 paid applications. In the event that 100 paid applications are not received within the time allotted, all monies will be refunded to you.

1. This special plate registration is in addition to, not in lieu of, your regular registration (i.e. standard license plate). Your regular registration must be kept current at all times. **Failure to renew the regular registration in a timely manner may result in a delinquent registration penalty and/or possible law enforcement citation.**
2. Once a special license plate has been assigned to an applicant, the applicant shall have priority to such license plate for succeeding years, provided a timely paid application for renewal is submitted. To insure that you receive a renewal application each year, please notify the Oklahoma Tax Commission of any change in your address.
3. A special license plate is to be displayed on the rear of the vehicle for which it is issued. The regular license plate may be kept inside the vehicle and produced upon request by law enforcement.
4. A special license plate may be transferred to another vehicle upon the owner's submission of a completed **Request to Transfer Form** (OTC Form 783-A) to the Motor Vehicle Division, Special License Plate Section. This form may be obtained from your local tag agency, through the Oklahoma Tax Commission website at [www.tax.ok.gov](http://www.tax.ok.gov), or from the Oklahoma Tax Commission.
