NOTICE: CHANGE IN REGISTRATION FORM

Dear County Assessor:

Due to notification this week of budget restrictions, some changes have been made to our conference format. This necessitates replacing the original registration form with the one enclosed.

If you have already registered, it may be necessary for you to re-register in view of these changes. However, if no replacement registration is received, you will automatically be moved to the new date and time of the classes you selected.

An updated agenda profile is enclosed.

Please submit your registration forms by July 24, 2009.

We apologize for this inconvenience; however, under the circumstances, this is the best alternative available.

Sincerely,

Kenny Chuculate
Deputy Director
