# BULLETIN

**Date:** November 2, 2009

**Number:** 09-33

**Subject:** 2009-2010 County Levy Sheet

Dear County Clerk:

As stated in 68 O.S., Section 2842-C, we request a copy of your county's 2009-2010 levy sheet. This information will aid us in verifying information sent to this office by the County Assessor stating the current net assessed valuation, mill levy, and tax dollars certified for collection for each taxing authority. These levy sheets will also contribute to this Division's response to legislative or other special requests for information.

Please include any joint school districts located within your county on the levy sheet. We request the county levy sheet as soon as possible after levies have been certified.

If you have any questions, please contact Teresa Strawther or Teresa Wood of the Ad Valorem Division at (405) 319-8200.

Sincerely,

**OKLAHOMA TAX COMMISSION**

Jeff Spelman, CAE  
Director, Ad Valorem Division
