Re: Annexation of Woodland Subdivision  
City of Eufaula

Dear Mr. Frazier:

Perhaps you will recall that confusion existed at the last Mayoral election as to certain residences in Woodland Subdivision, and whether they were or were not annexed into City Limits.

After much research, I have concluded that all of Woodland Subdivision was to have been included by that annexation as approved in Ordinance #761, a copy of which is enclosed. However, a Scrivener's error typed this as "Woodlawn", and it should have been Woodland. The City recognized this Ordinance as having properly taken all of Woodland Subdivision into City Limits. In addition, it seems that this was never reported to the State, as it should have been.

Will you please see if this meets with your approval and make the change on your records?

If you have any questions, please call me at the number listed above.

Sincerely,

*Kay Robbins Wall*
