Mr. Frazier:

Enclosed please find a copy of a map of the Town of Mountain Park. The only change in the map, other than the previous street names for North St., Locust St., and Mesquite St., is West St.

West St. is only two blocks in length; from Broadway St. to Oak Street. There are no houses on the East side of the Street, so I assume there are no addresses to report. Since Broadway is the dividing point between North and South, it would appear that West St. would start with South 100, and the second block would start with South 200. I hope this makes sense to you.

If you have any questions contact me; I have tried to be here during open hours of (:00 am to 3:00 pm.

Sincerely,

A handwritten signature in cursive script that reads "Leland Coulter".

Leland Coulter, Mayor
Town of Mountain Park
