Dear Tax Representative:

The Ad Valorem Division of the Oklahoma Tax Commission is seeking the input of centrally valued companies regarding their present concerns related to trends in their industry, issues related to valuation methodology, specific or general material on corporate valuation, or other relevant issues. Those wishing to provide input may send their comments to Oklahoma Tax Commission, Ad Valorem Division, P.O. Box 269060, Oklahoma City, OK 73126-9060 by October 31, 2008. Public Service Section staff will be available the 30<sup>th</sup> and 31<sup>st</sup> of October, for those representatives who wish to express their concerns in person at an individual confidential meeting. If these dates present a conflict, other arrangements can be made.

Our Annual Capitalization Rate Conference will be held at the end of March, with a format similar to last year's.
