

**OKLAHOMA TAX COMMISSION
AD VALOREM DIVISION
PUBLIC SERVICE UPDATE
September 17, 2008**

We have discussed the issue of Cellular Network Partnership (T073) and other companies which were not included in the original mail out of values with our Legal Counsel.

Legal Counsel has agreed that the mail out can proceed. We are mailing the values to all counties for Cellular Network Partnership (T073). It was Legal Counsel and Attorney General's office opinion that these numbers, although tentative, needed to be provided to the counties so that the budgeting process may proceed.

Keep in mind that these numbers are subject to ratification and re-certification by the State Board of Equalization at their next scheduled meeting.

In addition, corrected certificates have been sent, including AT&T Mobility (T123).
