

Tax Year 2009 Oklahoma E-File Testing Procedures

Attached are 7 Oklahoma scenarios and the federal returns. You will need to test all 7 returns.

You will need to match all returns in the same transmission before you pass testing. Please transmit all returns each time you transmit.

BEFORE TRANSMITTING TEST RETURNS:

1. You will need to submit the Software Developer Information Sheet which can be found on our website www.tax.ok.gov on the developer / preparer information page under electronic filing.
2. You will receive a confirmation that we have received your information. Once you have received the confirmation you may then transmit your returns.

Send your information or questions to Carol Shrum at cshrum@tax.ok.gov or fax to 405-522-0576. We will correspond with you by e-mail concerning any errors. When you complete your testing and have been approved you will receive an e-mail stating you have passed.

You may download test returns from our website www.tax.ok.gov
