II. Purpose

The Oklahoma College Savings Plan Board of Trustees (Board) is seeking proposals for all plan services related to the direct-sold Oklahoma College Savings Plan and advisor-sold OklahomaDream 529. Qualified respondents will compose the pool from which the Board intends to base its selection. Programs proposed must be "qualified tuition programs" under Section 529 of the Internal Revenue Code and associated revenue regulations.

III. Background

In April 2000, the Oklahoma College Savings Plan (OCSP) was launched as a direct-sold plan. The program operates pursuant to the Oklahoma College Savings Plan Act (70 O.S. 2001 § 3970.1 et seq), is qualified under Section 529 of the Internal Revenue Code, is governed by the Board of Trustees of the Oklahoma College Savings Plan and staffed by the Oklahoma State Regents for Higher Education (OSRHE).

OSRHE is an agency of the State of Oklahoma, Okla. Const. Art. XIII-A, 2. The Act enabled the Board to delegate some or all of the responsibilities for day-to-day functions to the OSRHE. OSRHE provides staff to the Board to carry out its delegation. The Oklahoma State Treasurer, a statewide-elected official, serves as chair of the Board.

The members of the Board of Trustees are as follows:

1. The State Treasurer, the Honorable Scott Meacham, Chair; and
2. The State Auditor and Inspector, the Honorable Steve Burrage, or his designee; and
3. The State Superintendent for Public Instruction, the Honorable Sandy Garrett, (Kay Harley is her designee); and
4. The Chancellor of the Oklahoma State Regents for Higher Education, Dr. Glen D. Johnson, (Bryce Fair, Associate Vice Chancellor for Scholarships and Grants, is his designee); and
5. The Governor's appointee, Randy Thurman of Retirement Investment Advisors; and
6. The appointee of the Speaker of the House, Aaron Curry of Curry Financial Partners; and
7. The appointee of the President Pro Tempore of the Senate, Brad Burnett, Director of Financial Aid Services at the University of Oklahoma.

The Board is responsible for establishing policies and procedures to maintain compliance with federal and state law, and oversight of all Oklahoma 529 plans including investment and reinvestment of funds contributed to those plans.

Typically the Board meets quarterly, but may meet more frequently if necessary. The Board meetings are open to the public. Public notice, including a meeting agenda, is provided to interested parties. Written minutes are taken of all meetings.

Through the management agreement with TIAA-CREF, the Board currently oversees two 529 plans:

The Oklahoma College Savings Plan, a direct-sold plan, has been managed by TIAA-CREF, Tuition Financing Inc since its launch in April 2000. As a direct-sold plan, the Oklahoma College Savings Plan is sold directly to the public and is not available through financial advisors. As of August 28, 2009, the direct-sold plan had 42,706 open accounts with \$308,321,167 under investment. TIAA-CREF provides the program management services (including recordkeeping and investment management) and all investment options. A detailed plan description can be found at: <http://www.ok4saving.org>. The investment options include:

- Five asset allocation funds: 100% Equity, Diversified Equity, Balanced, Fixed-Income, and Guaranteed.
- Six age-based portfolios: 0-3 years, 4-7 years, 8-11 years, 12-14 years, 15-17 years, and 18+ years.

The OklahomaDream 529 Plan, an advisor-sold plan, was launched in March 2009. As an advisor-sold plan, the OklahomaDream 529 Plan is offered to the public only through financial advisors and brokers. It is operated under a subcontract between TIAA-CREF and Allianz Global Investors. As of September, 4, 2009, the advisor-sold plan had 568 open accounts with \$2,648,724 under investment. Through its subcontract, Allianz provides all services and investment options for the OklahomaDream 529 Plan. A detailed plan description can be found at: <http://www.okdream529.com>. The investment options include:

- Fourteen select fund portfolios: PIMCO All Asset Fund, PIMCO Money Market Fund, PIMCO Real Return Fund, PIMCO Short Term Fund, PIMCO Total Return Fund, Allianz NFJ Dividend Value Fund, Allianz NFJ International Value Fund, Allianz NFJ Small Cap Value Fund, Allianz OCC Growth Fund, Allianz Global Investors Multi-Style Fund, TIAA-CREF International Equity Index Fund, TIAA-CREF Mid-Cap Value Fund, TIAA-CREF Small-Cap Blend Index Fund, and TIAA-CREF S&P 500 Index Fund.
- Six age-based portfolios: Aggressive Growth (Ages 0-3), Growth (Ages 4-7), Growth & Income (Ages 8-11), Balanced (Ages 12-14), Income (Ages 15-17), and Capital Preservation (Ages 18+).

SEED for Oklahoma Kids (SEED OK), is a seven-year initiative started in 2007 that is designed to test and promote matched savings accounts at birth for all children. The purpose of the SEED OK study is to test the policy concept of universal children's savings accounts by assessing the impact of giving every child an account at birth. The initiative, which is part of a larger national program known as SEED (Saving for Education, Entrepreneurship, and Downpayment), will set the stage for a broad, national policy for asset building among children, youth, and families. The theory of asset building suggests that accumulating assets or savings within households changes the thinking and outlook within those households, which in turn may lead to more positive outcomes for families, such as an increase in children who obtain college degrees.

The SEED OK study aims to answer the following questions:

- What are the patterns of participation in SEED OK?
- How much is saved in SEED OK?
- What factors facilitate saving, and what factors are barriers to saving?
- What is the impact of SEED OK on saving for children?
- What are the impacts of SEED OK on parents' expectations and behaviors regarding children's education and life chances?
- What are the impacts of SEED OK on children's cognitive, emotional, and social development, and their attitudes and behaviors regarding education?

Approximately 2,700 Oklahoma parents (primarily mothers) of infants from a random sample of birth records from the state will be interviewed over the course of the seven-year study. The selection includes oversamples of American Indians, African Americans, and Latinos.

Researchers conducted baseline interviews with participants from August 2007 through April 2008. After initial interviews, about 1,350 randomly selected participants received deposits of \$1,000 into state-owned Oklahoma College Savings Plan accounts for the benefit of their infant child. Income-eligible families who receive the \$1,000 and opt to open and make deposits into a separate Oklahoma College Savings Plan account for their infant child will be matched up to \$250 each year over a four-year period. The remaining infants serve as a control group and do not receive state-owned accounts. Their parents, however, will participate in the study by completing periodic interviews about their saving behaviors.

The incumbent program manager provides all account maintenance and reporting services for the state-owned and participant-owned accounts and coordinates the exchange of information between the state and the Center for Social Development, a research and policy center at the George Warren Brown School of Social Work at Washington University in St. Louis.

Funding for SEED OK was provided to the Center for Social Development by the Ford Foundation, Charles Stewart Mott Foundation and Lumina Foundation for Education. RTI International is the study's survey research firm.

- G. By submitting a Proposal, a Proposer agrees that it waives any and all claims for the recovery of any cost or expense incurred by the Proposer in preparing or submitting its Proposal. The Board will not be responsible for any of these costs or expenses under any circumstance and will not be liable to reimburse any Proposer for any costs or expenses with respect to its Proposal.
- H. The signer of a Proposal submitted in response to this RFP thereby certifies that the Proposal has not been made in connection or collusion with any competing Proposer submitting a separate response to the RFP and is in all respects fair and without collusion or fraud.
