To All Bidders: Ground Tire Rubber (GTR) Modified Asphalt Demonstration Project
Re: Addendum 1

Dear Bidders,

The following items were discussed at the pre-bid meeting held today and have been identified as needing further clarification prior to the final bid submittal. Please free to contact my office if there are further questions.

Item / Issue	Addendum 1 Bid Instructions and Notes
General	This Letting will be a unit price bid
AC Binder Supplier(s)	Wright Asphalt Products Company is the sole source provider for the GTR modified AC Binder for this project for the 5, 10 & 20% blends. The (PG64-22 OK) & (PG70-28 OK) AC binders required for this project may be competitively sourced. The supplier will need to submit samples to the ODOT laboratory for testing and approval prior to use.
Recycled Asphalt Pavement (RAP)	Recycled Asphalt Pavement will only be allowed for use in the base course of asphalt
Driveways	Most driveways will be laid approximately 5' wide or less from the outside of the new pavement. There are isolated drives and tie-streets that will require additional paving.

Respectfully,
Monty L. Proctor, PE, CFM
Wagoner County Engineer
618-906-3825
Mproctor@wagonercounty.ok.gov.

James Hanning
Commissioner District 1

Tim Kelley
Commissioner District 3
(918) 486-2132

ADDENDUM 1 (CONTINUED)

In addition to the above clarifications, the following items are being added/changed:

- 1) Bid Worksheet is being added. This replaces the table on page 6 of the original bid.
- 2) Bid Summary replaces Bid Proposal on page 5 of the original bid.
