TERMS AND CONDITIONS

THESE ITEMS APPLY TO AND BECOME A PART OF THE BID
NO EXCEPTIONS TO THESE TERMS AND CONDITIONS WILL BE CONSIDERED

1. Bids must be submitted on the included form only. Each bid shall be placed in a separate envelope. Be sure the envelope is completely and properly identified and sealed, showing the bid name and number in the lower left hand corner.
2. All bids shall be entered on the Bid Form enclosed or a copy thereof. Bids are to be typewritten or in ink. No bidder may withdraw his proposal for a period of thirty (30) days after the date and hour set for the opening of bids.
3. The bidder shall attach the manufacturer's name of the equipment or material to be furnished, type, model numbers, manufacturer's descriptive bulletins and specifications. All guarantees and warranties should be clearly stated. This data shall be in sufficient detail to describe accurately the equipment or material to be furnished. Manufacturer's specifications, in respect to the successful bidder, shall be considered as part of the contract with Wagoner County.
4. Any exceptions or deviations from written specifications shall be identified in writing and attached to the bid form.
5. The enclosed Affidavit for Filing with Competitive Bid MUST be returned with the bid.
6. Wagoner County reserves the right to reject any and all bids and to waive any technicalities in the bidding.
7. Direct purchase of certain items of equipment or material by Wagoner County is exempt from Federal Excise Tax and Oklahoma Sales Tax. In such cases, the bidder shall quote prices which do not include Federal Excise Tax and Oklahoma Sales Tax.
8. Bid must show number of days required for delivery under normal conditions. Contractor must keep the County advised at all times of the status of the order. For any exception to the delivery date as specified on this order, vendor shall give prior notification and obtain written approval from the Purchasing Agent. Default in promised delivery date, or failure to meet specifications, authorizes the County to purchase supplies elsewhere and charge the full increase of cost and handling to defaulting contractor.
9. Bidder agrees to defend and save Wagoner County from and against all demands, claims, costs expense, damage and judgments based upon infringement of any

INSURANCE REQUIREMENTS

The CONTRACTOR (and any subcontractors) shall carry and keep in force during this Agreement policies of insurance in minimum amount as set forth below, as required in Article 21 of the General Conditions, and/or as required by the laws of the State of Oklahoma. The Contractor shall also furnish an Owner's Policy in the same amounts with Wagoner County as the named assured, issued by the same insurance company as the Contractor's Liability Coverage.

Personal Injury, Each Person	\$1,000,000.00
Personal Injury, Each Accident	\$1,000,000.00
Property Damage, Each Occurrence	\$1,000,000.00
Property Damage, Aggregate	\$1,000,000.00

Employer's Liability and Workers' Compensation in the amounts as required by law.

Automobile and Trucks Owned, Hired and Non-Owned

Personal Injury	\$1,000,000.00
Personal Injury, Each Accident	\$1,000,000.00
Property Damage, Each Accident	\$1,000,000.00

The CONTRACTOR shall furnish certificates of such insurance which shall provide that in the event of any material change or cancellation of said policies, the company will give Wagoner County, OWNER, fifteen (15) days written notice.

Wagoner County shall be named as an Additional Insured on CONTRACTOR'S Insurance Policy.

Statements such as "will endeavor" and "but failure to notify" owner shall impose no obligation or liability of any land upon the company" shall not be allowed.

Special coverage for any blasting operations or use of explosives shall be listed separately on the certificates.

All insurance must be executed by a company licensed to do business in the State of Oklahoma, and must be acceptable to the Board, Wagoner County.

SPECIFICATIONS

INSTRUCTIONS TO BIDDERS

The proposed Emergency Management (EM) Building Addition will be constructed on the east side of the existing EM building, located at the Wagoner County District 3 Maintenance Barn, 16507 South 305th East Avenue, Coweta, OK 74429.

This project site can be viewed during normal business hours Monday through Friday, 7:30 am to 3:30 pm. All visitors must sign-in with the main office prior to making an inspection.

GENERAL CONDITIONS

The Wagoner County Board of Commissioners will be hereafter referred to as the Owner and will furnish all Inspections and Permits necessary for construction.

No changes to the project scope will be permitted without a written request and breakdown of the time, materials, and new charges.

Contractor will provide Owner proof of compliance with Owner's insurance requirements by submitting a signed statement from Contractor's insurance company.

Contractor, by act of starting work under a signed contract, shall guarantee all work performed under said contract for a period of one (1) year from the date of the Owner's final acceptance of completed building structure.

PROJECT COMPLETION

Contractor shall complete the project within 60 calendar days from the date of Notice to Proceed. Weather delays will be a consideration determining the actual working days. Weather delays for construction will be agreed upon by Owner or Owner's Designated Representative. Owner will provide a building pad suitable to install the floor slab.

SPECIAL CONDITIONS

Bidder/Contractor will visit site to familiarize himself with all existing conditions affecting work under these Contract Specifications. The Bidder/Contractor shall satisfy himself as to the nature and location of the construction project/site, all materials, tools, equipment, and other facilities required during the work to be performed. The Bidder/Contractor accepts the work site as it exists when construction begins.

The Owner's Designated Representative will inspect construction site and work performance for compliance of specifications set forth for construction.

COMPULSORY INSPECTIONS

Before the placing of concrete for the foundations and footings, the site shall be inspected by the Owners Representative.

EXCAVATION, FILLS, AND BACKFILLS

Owner will provide fill elevations within 1/10 of a foot from the required fill elevations to pour concrete slab.

FLOOR SLAB and FOOTINGS

A 20' x 80' reinforced floor slab will be cast-in-place with 3,000 psi, air entrained concrete. The South 14 feet of the concrete floor slab shall be cast 6" thick with the remainder of the slab to be cast 4 inches thick.

Reinforcement shall be with #5 rebar. Slab Reinforcement will consist of #5 rebar, spaced 12" on center, both ways, in a single mat. Perimeter footing shall be 24" wide x 24" deep continuous with ties to the floor slab every 18", in accordance with FEMA P-320 SR1.3 (2014).

Six (6) - 24" square footings will be evenly spaced along the center of the floor slab with the footing extending 24" into the subgrade.

All exposed concrete areas shall be screened and floated to a true uniform surface and allowed to stand until water has disappeared before final troweling finish.

Contractor will provide copies of the concrete delivery tickets.

PREFABRICATED METAL BUILDING GENERAL SPECIFICATIONS

Metal building materials shall be the product of a recognized metal building manufacturer, commercial quality.

DESIGN REQUIREMENTS (MINIMUM)

Roof load: 20 pounds per square foot (PSF)

Basic wind load: 25 (PSF) (99 miles per hour)

Be prepared to begin construction within 14 days.

STRUCTURAL STEEL

Materials shall be of new stock. Sections shall be straight or properly bent, cut to exact length and completely prefabricated in accordance with the best practice of the A.I.S.C. All sections shall be set plumb or horizontal and in accordance with the manufacturer's recommendations.

Successful Bidder/Contractor will provide a specimen copy of roof panel guarantee. Durability of the roof panels due to rupture, structural failure, or perforation shall be guaranteed for a period of forty (40) years by the building manufacturer. The specimen copy shall clearly state the conditions under which guarantee is valid. Successful Bidder/Contract will provide a specimen copy of 26 gauge wall panels guaranteed against chalking for a minimum of five (5)
