

Invitation to Bid

The Board of County Commissioners, Wagoner County, Oklahoma is seeking sealed bids for: Road/Bridge Construction Material and Services.

Bid is for the 6 month bidding period of July 1 - December 31, 2012 for road/bridge construction materials and services for Wagoner County.

Bid: # 28

Date Published: May 24, 2012 (Wagoner Tribune)

Bidding Period Closing Date and Hour: June 8, 2012 @ 4:00 PM

Sealed Bid Opening Date and Hour: June 11, 2012 @ 9:00 AM

Location: Commissioners' Meeting Room, Wagoner County Courthouse

Requesting Authority: Wagoner County Commissioners

Bid submissions are to be addressed to:

**ATTN: Wagoner County Purchasing Agent
P O Box 156
307 E Cherokee
Wagoner, Ok. 74467**

Please review the attached Terms and Conditions pertaining to the submission of this bid.

Please pay particular attention to item (1) of the Terms and Conditions. This item specifies how the bid envelopes are to be identified to prevent inadvertent or premature opening of sealed bids. Your compliance will ensure consideration of your bid by the awarding body. Late bids will not be considered.

The Non-Collusion Affidavit bearing original signature must be notarized and returned with the bid submission.

This packet contains:

1. Invitation to Bid
2. Terms and Conditions for Bidding
3. Non-Collusion Affidavit
4. Specifications/Bid Forms for desired item(s) (*may be more than one page of information*).

A handwritten signature in cursive script that reads "Carolyn M. Kusler".

Carolyn Kusler

Wagoner County Clerk

P. O. Box 156

Wagoner, Oklahoma 74477

Terms and Conditions for Submitting Bids

1. Bids **MUST** be received in a sealed envelope by the date and time specified in the invitation to bid. Each envelope **MUST** be legibly marked on the outside with the following information: The word "BID", the bid number and the closing date. This information must be readily observable. Bid packets should be returned to: Wagoner County Clerk, P.O. Box 156, Wagoner, OK 74477 or brought to: Wagoner County Clerk, 307 E. Cherokee, Wagoner, OK 74467.
2. **BIDS MUST BE SUBMITTED ON THE ENCLOSED FORMS.**
3. Sealed bids will be opened by the authority requesting the bid, at the location and time specified in the published advertisement and on the "Invitation to Bid" form. Late bids will not be considered.
4. Purchases by Wagoner County, Oklahoma, are not subject to state or federal taxes.
5. Firm prices will be F.O.B. destination.
6. Unit prices will be guaranteed correct by the bidder.
7. This bid is submitted as a legal offer and any bid when accepted by the County constitutes a firm contract.
8. Oklahoma laws require each bidder submitting a bid to a county for goods or services to furnish notarized sworn Non-Collusion Affidavit. (Included in this bid package.)
9. This particular bid (commonly referred to as "the six-month bid") establishes base pricing by unit of measure, valid for a 6 month period (July 1 thru December 31, 2012) on a variety of materials and services used in the construction and maintenance of the Wagoner County road system.
10. Vendors may cite extraordinary circumstances adversely affecting the base price during the defined 6 month period in their bid submission. Vendor must define a specific condition that will trigger a price increase (example: fuel exceeds \$3.899 per gallon.) Vendor must also identify the amount of increase by percentage or by dollar amount for each submitted bid item when specified condition is met. Vendors must verbally notify the Wagoner County Purchasing Agent of the intended base price increase caused by the specified condition before the new base pricing becomes effective. Written notification of the intended price change is required no later than the conclusion of the business week following the verbal notification.

11. The Board of County Commissioners in conjunction with the Wagoner County Purchasing Agent will analyze all qualifying bid submissions. The lowest and or best bid will be determined based on the following considerations:
 - a. Price per unit of measure.
 - b. Distance and delivery time to the desired destination.
 - c. Product source (manufacturer, retailer, jobber).
 - d. Product availability.
 - e. Product quality.
 - f. Vendor's reliability
 - g. Specific conditions identified by the vendor triggering a base price increase.
 - h. Any additional consideration as may be deemed appropriate by the Board of County Commissioners.

12. The Wagoner County Board of Commissioners reserves the right to accept or reject any or all bids, and to make the bid award in the best interest of Wagoner County whether it be lowest bid or best bid.

AFFIDAVIT OF NON-COLLUSION

I, the undersigned, of lawful age, being first duly sworn on oath say that he (she) is the agent authorized by the bidder to submit the above bid. Affiant further states that the bidder has not been a party to any collusion among bidders in restraint of freedom of competition by agreement to bid at a fixed price or to refrain from bidding; or with any state official or employee as to quantity; quality or price in the prospective contract or any other terms of said prospective contract; or in any discussion between bidders and any state official concerning exchange of money or other thing of value for special consideration in the letting of a contract; that the bidder/contractor has not paid, given or donated or agreed to pay, give or donate to any officer or employee of the State of Oklahoma (or other entity) any money or other thing of value, either directly or indirectly in the procuring of the award of a contract pursuant to this bid.

Emulsified Asphalt Slurry Seal Surface and/or Polymer Modified Micro-Surfacing

Item: 36

NOTICE:

- Work will consist of the application of micro-surfacing material to asphalt pavement surfaces & related surface preparation.
- Cured micro-surfacing shall have a uniform & homogeneous appearance, substantially fill all cracks, & adhere firmly to existing surface.
- Will be 1/2 inch thick. Micro-surfacing shall be placed without the occurrence of bleeding, raveling, separation or other distress.
- Work will be performed in accordance with the current edition of "Recommended Performance Guidelines for Polymer-Modified Micro-Surfacing" A143 (revised) published by the International Slurry Surfacing Association.
- Mix design shall be performed by a laboratory capable of performing all the current applicable International Slurry Surfacing Association (ISSA) tests at one location.
- Weather Limitations: No Mixture will be placed when:
 - ◆ 1) Pavement temperature is 10°C (50°F) or below
 - ◆ 2) When the ambient air temperature is 10°C (50°F) or below
 - ◆ 3) When there is a forecast of temperatures (as per the National Weather Service) below 32°F within twenty-four (24) hours after mix placement
 - ◆ 4) When it is raining
 - ◆ 5) As directed by the Engineer
