WHEREAS, the said OWNER has caused the above described property to be surveyed, platted and staked into lots and streets in conformity with the accompanying plat which they hereby adopt as the plat of the above described land as "ADAMS CREEK ESTATES 3RD," an addition to Wagoner County, Oklahoma.

AND, the undersigned OWNER hereby dedicates for the public use the streets as shown and designated on the accompanying plat for the several purposes of constructing, maintaining, operating, repairing, removing and replacing any and all public utilities, including storm and sanitary sewers, telephone lines, electric power lines and transformers, gas lines and water lines together with all fittings and equipment for each such facility, including the poles, wires, conduits, pipes, valves, meters and any other appurtenances thereto, with the right in ingress and egress upon said easements for the uses and purposes aforesaid, together with similar rights in each and all the streets shown on said plat; PROVIDED, HOWEVER, that the undersigned OWNERS hereby reserve the right to construct, maintain, operate, lay and relay water and sewer lines together with the right to ingress and egress for such construction, maintenance, operation, laying and relaying over, across and along all the public streets shown on said plat, and over, across and along all strips of land included with the easements shown thereon, both for the purpose of furnishing water and/or sewer service to the area included in said plat, and to any other areas.

AND, the undersigned OWNER for the purpose of providing an orderly development of the entire tract, and for the further purpose of insuring adequate restrictions and covenants, and for the mutual benefit of the undersigned OWNER, its successors and assigns, and the adjacent OWNERS abutting the tract, their successors and assigns, do hereby impose the following restrictions, limitations and reservations which shall be binding upon all subsequent purchasers.

### PROTECTIVE COVENANTS AND RESTRICTIONS

- Underground service cables to all houses which may be located on all lots in said addition may run from the nearest service pedestal or transformer to the point of usage determined by the location and construction of such house as may be located upon said lot; provided that upon the installation of such a service cable to a particular house, the supplier of electric service shall thereafter be deemed to have a definitive, permanent, affective, and exclusive right of way easement on said lot, covering a five foot strip extending 2.4 feet on each side of such service cable, extending from the service pedestal or transformer to the service entrance of said house.
- The supplier of electric service, through its proper agents and employees, shall at all times have right of access to all such easement ways shown on said plat, or provided for in this Deed of Dedication for the purpose of installing, maintaining, removing or replacing any portion of said underground electric facilities so installed by it.
- The owner of each lot shall be responsible for the protection of the underground facilities located on his property and shall prevent the alteration of grade or any construction activity which may interfere with said electric facilities. Repairs or cost of relocation, required by violation of this covenant, shall be paid for by the owner of the lots. (THE ABOVE foregoing covenants shall be enforceable by the supplier of electric service, and the owner of each lot agrees to be bound hereby.)
- All permanent structures must be new construction.
- All homesites in the tract shall be known and described as single family residential homesites. No structures shall be created, altered, placed or permitted to remain on any homesite which exceeds two stories in height and all residences must have a private garage for not less than two cars attached to the residence. Any detached structures to be built on the homesite such as storage building, covered entertainment areas, etc. shall conform to the basic design of the dwelling thereon. Carports, in addition to a two-car garage will be permitted only if attached to the residence. Except that duplexes may be constructed on Lots (26) and (38), and Lots (1) and (2) may be used for the construction of a sewerage lagoon.
- The exterior walls of the structures erected on any homesite shall be constructed of a minimum of 60% stone or brick.
- No noxious or offensive trade or activity shall be carried on upon any homesite nor shall anything be done thereon that may become an annoyance or a nuisance to the neighborhood.
- No animals, livestock, or poultry of any kind shall be raised, bred or kept on any homesite, except dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose.
- No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than one square foot, one sign of not more than five square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.
- No trailer, basement, tent shack, metal storage building, garage, barn or other outbuildings type structure shall be moved onto any homesite in this residential development. No temporary structures will be permitted.
- No homesite will be used for the storage of materials for a period of greater than 30 days prior to the start of construction. All homesites shall be maintained in a neat and orderly condition at all times.
- No fences of any kind shall be placed beyond the front building line of the residence. No fencing shall be higher than six feet.
- All entrances from street shall have drain tile, size approved by developer or County Commissioner of Wagoner County.
- All individual sewer systems to be constructed according to County and State Health Department requirements.
- There will be no less than 1500 square feet of liveable floor area in the residence, exclusive of garage, porch and patio areas.
- All structures shall be located a minimum distance of 10 feet from any side lot line, except that this covenant may be waived by the developer.
